8 Informal child care providers include, but are not limited to:

9 (a) nursery schools and programs for pre-school-aged children operated
10 by non-profit agencies or organizations or private proprietary agencies
11 which provide services for three or less hours per day;

14 "school-aged children" means children under thirteen years of age who
15 are enrolled in kindergarten or a higher grade;

16 (c) child care programs caring for toddlers from eighteen months to
17 thirty-six months of age for three or less hours per day; and

18 (d) child care programs caring for infants up to eighteen months of
19 age for three or less hours per day.

20 2. Any informal child care provider may, as a condition of securing
21 employment or of continuing employment, require that all of its employ-
