AN ACT to amend the insurance law, in relation to providing for the issuance of pet insurance

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 35 of subsection (a) of section 1113 of the
2 insurance law, as renumbered by chapter 369 of the laws of 2024, is
3 renumbered paragraph 36 and a new paragraph 35 is added to read as
4 follows:

5 (35) "Pet insurance" shall have the same meaning as defined in para-
6 graph five of subdivision (a) of section three thousand four hundred
7 sixty-three of this chapter, and shall not be considered animal insur-
8 ance as defined in paragraph eleven of this subsection.

9 § 2. The insurance law is amended by adding a new section 3463 to read
10 as follows:

11 § 3463. Pet insurance. (a) As used in this section, the following

1 ments. It does not include cancers or metabolic, hemopoietic, or auto-
2 immune diseases.

3 (5) "Pet insurance" means a property insurance policy that provides
4 coverage for accidents and illnesses of pets.

5 (6) "Preexisting condition" means any condition for which any of the
6 following are true prior to the effective date of a pet insurance policy
7 or during any waiting period:

8 (A) A veterinarian provided medical advice;

9 (B) The pet received previous treatment; or

10 (C) Based on information from verifiable sources, the pet had signs or
11 symptoms directly related to the condition for which a claim is being
12 made.

13 A condition for which coverage is afforded on a policy shall not be
14 considered a preexisting condition on any renewal of the policy.

15 (7) "Renewal" means to issue and deliver at the end of an insurance
16 policy period a policy which supersedes a policy previously issued and
17 delivered by the same insurer or affiliated insurer and which provides
18 types and limits of coverage substantially similar to those contained in
19 the policy being superseded.

20 (8) "Veterinarian" means an individual who holds a valid license to
21 practice veterinary medicine under article one hundred thirty-five of

28 insurance policy that is required to transpire before some or all of the
29 coverage in the policy can begin. Waiting periods shall not be applied
30 to renewals of existing coverage.

31 (11) "Wellness program" means a subscription or reimbursement-based
32 program that is separate from an insurance policy that provides goods
33 and services to promote the general health, safety, or wellbeing of the
34 pet. If any wellness program requires an agreement or other transaction
35 whereby an insurer is obligated to confer a benefit of pecuniary value
36 upon another party, dependent upon the happening of a fortuitous event
37 in which the insured or beneficiary has, or is expected to have at the
38 time of such happening, a material interest which will be adversely
39 affected by the happening of such event, it is transacting in the busi-
40 ness of insurance and is subject to the provisions of this chapter. This
41 definition is not intended to classify a contract directly between a
42 service provider and a pet owner that only involves the two parties as
43 being the business of insurance, unless other indications of insurance
44 also exist.

45 (b) If an insurer uses any of the terms in subsection (a) of this
46 section in a policy of pet insurance, the insurer shall use the defi-
47 nition of each of those terms as set forth in such subsection and
48 include the definition of the terms in the policy. The insurer shall
49 also make the definitions available through a clear and conspicuous link
50 on the main page of the insurer or insurer's program administrator's
51 website. Nothing in this section shall in any way prohibit or limit the
52 types of exclusions insurers may use in their policies or require insur-
53 ers to have any of the limitations or exclusions defined in this
54 section.

55 (c) (1) An insurer transacting pet insurance shall disclose the
56 following to consumers:

1 (A) If the policy excludes coverage due to any of the following:

2 (i) A preexisting condition;

3 (ii) A hereditary disorder;

4 (iii) A congenital anomaly or disorder; or

5 (iv) A chronic condition.

6 (B) If the policy includes any other exclusions, the following state-
7 ment: "Other exclusions may apply. Please refer to the exclusions
8 section of the policy for more information."

9 (C) Any policy provision that limits coverage through a waiting or
10 affiliation period, a deductible, coinsurance, or an annual or lifetime
11 policy limit.

12 (D) Whether the insurer reduces coverage or increases premiums based
13 on the insured's claim history, the age of the covered pet or a change
14 in the geographic location of the insured.

15 (E) If the underwriting company differs from the brand name used to
16 market and sell the product.

17 (2) (A) Unless the insured has filed a claim under the pet insurance
18 policy, pet insurance applicants shall have the right to examine and
19 return the policy, certificate or rider to the company or an
20 agent/insurance producer of the company within thirty days of its
21 receipt and to have the premium refunded if, after examination of the
22 policy, certificate or rider, the applicant is not satisfied for any
23 reason.

24 (B) Pet insurance policies, certificates and riders shall have a
25 notice prominently printed on the first page or attached thereto includ-
26 ing specific instructions to accomplish a return. The following free
27 look statement or language substantially similar shall be included:

28 "You have 30 days from the day you receive this policy, certificate or
29 rider to review it and return it to the company if you decide not to
30 keep it. You do not have to tell the company why you are returning it.
31 If you decide not to keep it, simply return it to the company at its
32 administrative office or you may return it to the agent/insurance
33 producer that you bought it from as long as you have not filed a claim.
34 You must return it within 30 days of the day you first received it. The
35 company will refund the full amount of any premium paid within 30 days
36 after it receives the returned policy, certificate, or rider. The premi-
37 um refund will be sent directly to the person who paid it. The policy,
38 certificate or rider will be void as if it had never been issued."

39 (3) An insurer shall clearly disclose a summary description of the
40 basis or formula on which the insurer determines claim payments under a
41 pet insurance policy within the policy, prior to policy issuance and
42 through a clear and conspicuous link on the main page of the insurer or
43 insurer's program administrator's website.

44 (4) An insurer that uses a benefit schedule to determine claim payment
45 under a pet insurance policy shall do both of the following:

46 (A) Clearly disclose the applicable benefit schedule in the policy.

47 (B) Disclose all benefit schedules used by the insurer under its pet
48 insurance policies through a clear and conspicuous link on the main page
49 of the insurer or insurer's program administrator's website.

50 (5) An insurer that determines claim payments under a pet insurance
51 policy based on usual and customary fees, or any other reimbursement
52 limitation based on prevailing veterinary service provider charges,
53 shall do both of the following:

54 (A) Include a usual and customary fee limitation provision in the
55 policy that clearly describes the insurer's basis for determining usual

1 and customary fees and how that basis is applied in calculating claim
2 payments.

3 (B) Disclose the insurer's basis for determining usual and customary
4 fees through a clear and conspicuous link on the main page of the insur-
5 er or insurer's program administrator's website.

6 (6) If any medical examination by a licensed veterinarian is required
7 to effectuate coverage, the insurer shall clearly and conspicuously
8 disclose the required aspects of the examination prior to purchase and
9 disclose that examination documentation may result in a preexisting
10 condition exclusion.

11 (7) Waiting periods and the requirements applicable to them shall be
12 clearly and prominently disclosed to consumers prior to the policy
13 purchase.

14 (8) The insurer shall include a summary of all policy provisions
15 required in paragraphs one through seven of this subsection, inclusive,
16 in a separate document titled "Insurer Disclosure of Important Policy
17 Provisions."

18 (9) The insurer shall post the "Insurer Disclosure of Important Policy
19 Provisions" document required in paragraph eight of this subsection
20 through a clear and conspicuous link on the main page of the insurer or
21 insurer's program administrator's website.

22 (10) In connection with the issuance of a new pet insurance policy,
23 the insurer shall provide the consumer with a copy of the "Insurer
24 Disclosure of Important Policy Provisions" document required pursuant to
25 paragraph eight of this subsection in at least twelve-point type when it
26 delivers the policy.

27 (11) At the time a pet insurance policy is issued or delivered to a
28 policyholder, the insurer shall include a written disclosure with the
29 following information, printed in twelve-point boldface type:

30 (A) The department's mailing address, toll-free telephone number and
31 website address.

34 (C) If the policy was issued or delivered by an agent or broker, a
35 statement advising the policyholder to contact the broker or agent for
36 assistance.

37 (12) The disclosures required in this section shall be in addition to
38 any other disclosure requirements required by law or regulation.

39 (d) (1) An insurer may issue policies that exclude coverage on the
40 basis of one or more preexisting conditions with appropriate disclosure
41 to the consumer. The insurer has the burden of proving that the preex-
42 isting condition exclusion applies to the condition for which a claim is
43 being made.

44 (2) (A) An insurer may issue policies that impose waiting periods upon
45 effectuation of the policy that do not exceed thirty days for illnesses
46 or orthopedic conditions not resulting from an accident. Waiting periods
47 for accidents are prohibited.

48 (B) A pet insurer utilizing a waiting period permitted in subparagraph
49 (A) of this paragraph shall include a provision in its contract that
50 allows the waiting periods to be waived upon completion of a medical
51 examination. Insurers may require the examination to be conducted by a
52 licensed veterinarian after the purchase of the policy.

53 (C) A medical examination under subparagraph (B) of this paragraph
54 shall be paid for by the policyholder, unless the policy specifies that
55 the insurer will pay for the examination.

1 (D) An insurer may specify elements to be included as part of the
2 examination and require documentation thereof, provided the specifica-
3 tions do not unreasonably restrict a consumer's ability to waive the
4 waiting periods prescribed in subparagraph (B) of this paragraph.

5 (E) Waiting periods, and the requirements applicable to them, shall be
6 clearly and prominently disclosed to consumers prior to the policy
7 purchase.

8 (3) An insurer shall not require a veterinary examination of the
9 covered pet for the insured to have their policy renewed.

10 (4) If an insurer includes any prescriptive, wellness, or non-insu-

12 contract and shall follow all applicable laws and regulations under this
13 chapter.

17 (e) (1) No insurer or insurance producer shall market a wellness
18 program as pet insurance.

19 (2) If a wellness program is sold by an insurer or insurance producer:

24 producer.

25 (C) The terms and conditions for the wellness program shall be sepa-

42 "wellness" benefits are insurance.
