9 7. "Third-party food delivery service" shall have the same meaning as

11 § 27-3403. Single-use food service items.

12 1. (a) Restaurants and third-party food delivery services shall only
13 provide single-use food service items to customers when explicitly
14 requested by the customer. Restaurants and third-party food delivery
15 services shall provide options to allow a customer to request single-use
16 food service items upon submission of an order. Such options shall be
17 available for all methods of ordering, including but not limited to
18 phone, internet, or mobile phone application orders. The default
19 selected options shall be that no single-use food service items are
20 requested.

21 (b) No inquiry into the reason for the request shall be made by a
22 restaurant, third-party food delivery service, or any of its employees
23 in carrying out the request authorized by paragraph (a) of this subdivi-
24 sion.

25 2. Restaurants and third-party food delivery services are prohibited
26 from providing customers with single-use plastic food service items.
27 This prohibition does not apply to plastic straws, which may be provided

34 food delivery service, such restaurant may rely on the information
35 provided by such third-party food delivery service regarding whether the
36 customer has requested single-use food service items. In a proceeding to
37 collect a civil penalty pursuant to section 27-3405 of this title, it
38 shall be a complete defense for a respondent restaurant to establish
39 that such restaurant relied on the information provided to it by the
40 third-party food delivery service regarding the customer's choice pursu-
41 ant to paragraph (a) of subdivision one of this section.

42 (b) A copy or screenshot of a communication by the third-party food
43 delivery service to the restaurant regarding the customer's choice
44 pursuant to paragraph (a) of subdivision one of this section shall
45 constitute prima facie evidence that the restaurant relied on the infor-
46 mation provided to it by the third-party food delivery service. Each
47 third-party food delivery service shall provide such communication in
48 writing to a restaurant within seventy-two hours of such restaurant's
49 request for such communication.

50 § 27-3405. Enforcement.

51 Every local department of health shall ensure compliance with this
52 title as part of an inspection of a food place pursuant to section thir-
53 teen hundred fifty-one of the public health law, the provisions of the

55 establishment that violates this title shall be liable for a civil
56 penalty in the amount of two hundred dollars for the first violation,

1 three hundred dollars for the second violation committed on a different
2 day within a period of twelve months, and five hundred dollars for the
3 third and each subsequent violation committed on different days within a
4 period of twelve months, except that the local department of health
5 shall not issue a notice of violation, but shall issue a warning and
6 provide information on compliance with such section, for any violation
7 that occurs within one year of the effective date of this section.
