lation of more than one million; [~~(vi)~~] (v) forest rangers, park rangers and environmental conservation police officers; [~~and (vii)~~] or (vi) any other person or entity designated or approved, or in a category designated or approved pursuant to regulations of the commissioner in consultation with other appropriate agencies.

§ 2. The public health law is amended by adding a new section 1392-b to read as follows:

§ 1392-b. Epinephrine devices required. 1. Definitions. As used in this section, "emergency health care provider" means (a) a physician with knowledge and experience in the delivery of emergency care; or (b) a hospital licensed under article twenty-eight of this chapter that provides emergency care.

2. Collaborative agreement. (a) Every person, firm, limited liability company, association and corporation which operates a children's overnight, summer day and traveling summer day camp, as defined in this article, shall maintain a collaborative agreement with an emergency health care provider and shall have on the premises an epinephrine device.

(b) The collaborative agreement required pursuant to paragraph (a) of this subdivision shall include a written agreement that incorporates written practice protocols, and policies and procedures that shall ensure compliance with the provisions of this section. The person, firm, limited liability company, organization or entity operating the children's overnight, summer day and traveling summer day camp shall file a copy of the collaborative agreement with the department and with the appropriate regional council prior to using any epinephrine device.

3. Possession and use of epinephrine devices. Possession and use of epinephrine devices shall be limited as follows:

(a) No person shall use an epinephrine device unless such person shall have successfully completed a training course in the use of epinephrine devices approved by the commissioner pursuant to the rules of the department. This section does not prohibit the use of an epinephrine device (i) by a health care practitioner licensed or certified under title eight of the education law acting within the scope of such practitioner's practice, or (ii) by a person acting pursuant to a lawful prescription.

(b) Every person, firm, organization and entity authorized to possess and use epinephrine devices pursuant to this section shall use, maintain and dispose of such devices pursuant to regulations of the department.

(c) Every use of an epinephrine device pursuant to this section shall immediately be reported to the emergency health care provider.

4. Application of other laws. (a) Use of an epinephrine device pursuant to this section shall be considered first aid or emergency treatment for the purpose of any statute relating to liability.

(b) Purchase, acquisition, possession or use of an epinephrine device pursuant to this section shall not constitute the unlawful practice of a profession or other violation under title eight of the education law or article thirty-three of this chapter.

(c) Any person otherwise authorized to sell or provide an epinephrine device may sell or provide it to a person authorized to possess it pursuant to this section.

§ 3. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
