1 ers within an industry sector, in combination with representatives of
2 one or more of the following:

3 (a) a labor organization, where appropriate;

4 (b) a local workforce development board;

5 (c) a postsecondary education institution;

6 (d) a community college;

7 (e) an adult basic education provider;

8 (f) a school district;

9 (g) the state or a local government;

10 (h) a chamber of commerce or other economic development organization;

11 (i) a community based organization or other not-for-profit organiza-
12 tion; or

13 (j) any other entity as determined eligible by the department.

14 § 502. Sector partnership enhancement and reinforcement program. The
15 department, in consultation with the department of labor, the state
16 education department, the New York state higher education services
17 corporation, the New York state workforce investment board, and repre-
18 sentatives of local workforce development boards, shall establish a
19 sector partnership enhancement and reinforcement program, the purpose of
20 which shall be to:

21 1. upon request, assist in the identification of target industry clus-
22 ters and employers for creation of new local sector partnerships
23 throughout the state;

24 2. support and encourage contact and cooperation between local sector
25 partnerships already in existence and those looking to create a new
26 local sector partnership;

27 3. serve as a coordinator or convener pursuant to subdivision one of
28 section five hundred three of this article on behalf of employers within
29 an industry sector and the appropriate state and local agencies or not-
30 for-profit organizations to facilitate the creation and support of local
31 sector partnerships;

32 4. provide technical assistance, including counseling and direction
33 from department staff in forming and sustaining a local sector partner-
34 ship, professional development opportunities for members of a local
35 sector partnership, customized labor market and economic data upon
36 request, and similar assistance as to be determined by the department to
37 local sector partnerships; and

38 5. provide and administer grants pursuant to sections five hundred
39 four, five hundred five, and five hundred six of this article to new and
40 existing local sector partnerships.

41 § 503. Local sector partnership duties and responsibilities. A local
42 sector partnership shall:

43 1. designate one of the member entities or a representative from the
44 department as the convener of the local partnership. The convener shall
45 assume responsibility for recruiting membership to a local sector part-
46 nership, organizing meetings, fulfilling required reporting requirements
47 pursuant to subdivision two of this section, and for designating a
48 fiscal agent to oversee grant funds received pursuant to sections five
49 hundred four, five hundred five, and five hundred six of this article.
50 The convener may perform additional duties as determined by the local
51 sector partnership;

52 2. report performance information as determined by the department,
53 including an annual financial statement prepared according to generally
54 accepted accounting principles, to the department by December first of
55 each year;

1 3. develop a comprehensive plan for addressing any identified skills
2 gap in the sector in order to be eligible for a grant pursuant to
3 section five hundred four, section five hundred five, or section five
4 hundred six of this article; and

5 4. perform additional duties and responsibilities as determined by the
6 department.

7 § 504. Local sector partnership formation grant. 1. The department
8 shall award grants to emerging local sector partnerships, or local
9 sector partnerships created within the last five years of the effective
10 date of this article, to fund planning activities including, but not
11 limited to, building and promoting membership in a local sector partner-
12 ship, initial costs related to research identifying sector skill gaps
13 and factors contributing to such gaps, and developing a plan to close
14 any existing skills gap as identified by the local sector partnership.

15 2. Local sector partnership formation grants shall not be less than
16 fifty thousand dollars and shall not exceed one hundred thousand
17 dollars.

18 3. The first fifty percent of the total grant amount shall be made
19 available immediately upon notification of such grant award. The remain-
20 ing fifty percent of the grant shall be available to a local sector
21 partnership as a two-to-one match for funds raised.

22 4. For the purposes of this grant, matching funds include, but are not
23 limited to: cash funds raised; equipment costs, including computers,
24 training equipment, software, subscriptions, and other items directly
25 related to partnership operations; and facility costs, including acqui-
26 sition, rent, utilities, and other costs incurred directly related to
27 partnership operations.

28 5. For the purposes of this grant, matching funds shall not include:
29 salaries and fringe benefits provided in-kind by the lead applicant,
30 fiscal agent, or partnership member organizations; salaries and fringe
31 benefits paid by the lead applicant, fiscal agent, or partnership member
32 organizations to training or educational program participants; and fund-
33 ing granted through other programs administered by the department.

34 § 505. Local sector partnership enhancement grant. 1. The department
35 shall award grants to local sector partnerships which have already
36 completed planning activities as identified by the department for imple-
37 mentation activities including, but not limited to: skills training;
38 establishing a secondary to postsecondary education workforce pipeline;
39 establishing career pathways for adults; creating industry-based certif-
40 ication programs; developing curriculum; promoting participation in any
41 workforce training or education program; and other activities that
42 prepare or assist in providing workers for the industry sector.

43 2. Local sector partnership enhancement grants shall not be less than
44 fifty thousand dollars and shall not exceed two hundred fifty thousand
45 dollars.

46 3. Grants pursuant to this section shall be available to a local
47 sector partnership as a two-to-one match for funds raised by the local
48 sector partnership.

49 4. For the purposes of this grant, matching funds include, but are not
50 limited to: cash funds raised; equipment costs, including computers,
51 training equipment, software, subscriptions, and other items directly
52 related to partnership operations; and facility costs, including acqui-
53 sition, rent, utilities, and other costs incurred directly related to
54 partnership operations.

55 5. For the purposes of this grant, matching funds shall not include:
56 salaries and fringe benefits provided in-kind by the lead applicant,

1 fiscal agent, or partnership member organizations; salaries and fringe
2 benefits paid by the lead applicant, fiscal agent, or partnership member
3 organizations to training or educational program participants; and fund-
4 ing granted through other programs administered by the department.

5 § 506. Community college sector partnership exploration grant. 1. The
6 department shall award grants to community colleges seeking to establish
7 local sector partnerships for recruitment activities including, but not
8 limited to: developing a plan for creating and convening a local sector
9 partnership with employers in targeted industry clusters; related
10 marketing costs for advertising the potential creation of sector part-
11 nerships; financial incentives for recruiting employers in targeted
12 industry clusters to join a new local sector partnership; and other
13 activities that assist in the creation of a new local sector partner-
14 ship.

15 2. Community college sector partnership exploration grants shall not
16 be less than fifty thousand dollars and shall not exceed five hundred
17 thousand dollars.

18 3. Grants pursuant to this section shall be made available immediately
19 upon notification of such grant award.

20 § 2. The sum of up to fifteen million dollars (\$15,000,000), is hereby
21 appropriated to the department of economic development for the purpose
22 of carrying out the provisions of this act to be funded by grants under
23 the workforce investment act, federal Public Law 105-220, and the work-
24 force innovation and opportunity act, federal Public Law 113-128. Such
25 moneys shall be payable on the audit and warrant of the comptroller on
26 vouchers certified or approved by the commissioner of the department of
27 economic development in the manner prescribed by law.

28 § 3. This act shall take effect immediately.
