20 public convenience may require. The expense, if any, incidental to its  
21 use, shall be paid like the expense of other places of registration and  
22 voting. If a board or body empowered to designate polling places chooses  
23 a public school building for such purpose, the board or agency which  
24 controls such building must make available a room or rooms in such  
25 building which are suitable for registration and voting and which are as  
26 close as possible to a convenient entrance to such building and must  
27 make available any such room or rooms which the board or body designat-

36 building, and must make available any such room or rooms which the board  
37 or body designating such building determines are accessible to phys-  
38 ically disabled voters unless, not later than thirty days after notice  
39 of its designation as a polling place, the board or body controlling  
40 such building, files a written request for a cancellation of such desig-  
41 nation with the board or body empowered to designate polling places on  
42 such form as shall be provided by the board or body making such desig-  
43 nation. The board or body empowered to so designate shall, within twenty  
44 days after such request is filed, determine whether the use of such  
45 building as a polling place would unreasonably interfere with the usual  
46 activities conducted in such building and upon such determination, may  
47 cancel such designation.

48 § 3. This act shall take effect January 1, 2027.
