IN ASSEMBLY

January 16, 2025

Introduced by M. of A. SAYEGH, SHIMSKY, DAVILA, SIMON, GONZALEZ-ROJAS --
read once and referred to the Committee on Governmental Operations

AN ACT to amend the social services law, in relation to a refugee
resettlement program

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

- 1 Section 1. Legislative findings. The legislature hereby finds and
2 declares the following:
- 3 a. Under federal law 8 U.S.C. §1101 (a) (42), a refugee is a person
4 who is forced to flee their country of origin or last habitation due to
5 persecution, or a well-founded fear of persecution, based upon their
6 race, religion, nationality, membership in a particular social group, or
7 political opinion;
- 8 b. At the end of 2022, there were 108.4 million forcibly displaced
9 people in the world, 35.3 million of which were refugees. This is more
10 than double the recorded number in 2010, and the highest it has ever
11 been;
- 12 c. Around two-thirds of refugees live in poverty, and many are unable
13 to return to their home countries due to the lack of imminent solutions
14 to conflicts, recurrent violence, and political instability;
- 15 d. Less than 1 percent of refugees will ever be resettled to a safe
16 third country, enabling them to rebuild their lives in safety and
17 contribute to the cultural and economic fabric of a new home nation;
- 18 e. Recognizing the importance of refugee resettlement, the United
19 States created the Refugee Act of 1980;
- 20 f. Since 1980, the United States Refugee Admissions Program (USRAP)
21 has saved more than 3.7 million refugees, and resettled them across the
22 country;
- 23 g. As of 2021, New York State resettled the third most refugees in the
24 country;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
