14 erties are located.

15 3. Such reimbursement shall be made annually to the municipality  
16 following application by the chief fiscal officer of the municipality to  
17 the comptroller in a manner approved and prescribed by the comptroller.

18 4. Such system of reimbursement shall continue until such time as the  
19 Dewey Loeffel Landfill has been removed from the inventory of state  
20 hazardous waste sites.
