Introduced by M. of A. GRAY, BLANKENBUSH, JENSEN -- read once and referred to the Committee on Governmental Employees

AN ACT granting David Morse, the parent of firefighter Peyton Morse, accidental death benefits

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding the provisions of any general or special
2 law, rule or regulation to the contrary, David Morse who is the parent
3 of Peyton Morse who was previously employed by the city of Watertown as
4 a firefighter and was a Tier 6 member of the New York State and Local
5 Police and Fire Retirement System at the time of his death on March 12,
6 2021 shall be eligible to file for any accidental death benefits that
7 are available under section 361 and section 361-a of the retirement and
8 social security law. Upon filing, David Morse shall be eligible to
9 receive such accidental death benefit. Any amounts previously paid to
10 Peyton Morse, his estate or David Morse prior to the filing of the
11 application for benefits pursuant to this act shall be deducted from the
12 benefit payable thereafter.

13 § 2. All costs pursuant to this act shall be borne by the state of New
14 York.

15 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would make David Morse eligible to receive an accidental death benefit, payable due to the death of their child Peyton Morse, pursuant to Sections 361 and 361-a of the Retirement and Social Security Law (RSSL). Peyton Morse was a firefighter employed by the City of Watertown and a member of the New York State and Local Police and Fire Retirement System until March 12, 2021, the date of their death. Peyton Morse did not have a statutory beneficiary eligible to receive an accidental death benefit pursuant to Sections 361 and 361-a of the RSSL, so an ordinary death benefit was paid.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
