The provisions of this subdivision shall not apply to the superintendent.

§ 3. Subdivision 3 of section 215 of the executive law, as amended by chapter 478 of the laws of 2004, is amended to read as follows:

3. The sworn members of the New York state police shall be appointed by the superintendent and permanent appointees may be removed by the superintendent only after a hearing. No person shall be appointed to the New York state police force as a sworn member unless [~~he or she~~] **such person** shall be a citizen of the United States, between the ages of twenty-one and [~~twenty-nine~~] **thirty-four** years except that in the superintendent's discretion, the maximum age may be extended to [~~thirty-five~~] **forty** years. Notwithstanding any other provision of law or any general or special law to the contrary the time spent on military duty, not exceeding a total of six years, shall be subtracted from the age of any applicant who has passed [~~his or her twenty-ninth~~] **their thirty-fourth** birthday, solely for the purpose of permitting qualification as to age and for no other purpose. Such limitations as to age however shall not apply to persons appointed to the positions of counsel, first assistant counsel, assistant counsel, and assistant deputy superintendent for employee relations nor to any person appointed to the bureau of criminal investigation pursuant to section two hundred sixteen of this article nor shall any person be appointed unless [~~he or she~~] **such person** has fitness and good moral character and shall have passed a physical and

Following satisfactory completion of the probationary period the member shall be a permanent appointee. Voluntary resignation or withdrawal from the New York state police during such appointment shall be submitted to the superintendent for approval. Reasonable time shall be required to account for all equipment issued or for debts or obligations to the state to be satisfied. Resignation or withdrawal from the division during a time of emergency, so declared by the governor, shall not be approved if contrary to the best interest of the state and shall be a misdemeanor. No sworn member removed from the New York state police shall be eligible for reappointment. The superintendent shall make rules and regulations subject to approval by the governor for the discipline and control of the New York state police and for the examination and qualifications of applicants for appointment as members thereto and such examinations shall be held and conducted by the superintendent subject to such rules and regulations. The superintendent is authorized to charge a fee of twenty dollars as an application fee for any person applying to take a competitive examination for the position of trooper, and a fee of five dollars for any competitive examination for a civilian position. The superintendent shall promulgate regulations subject to the approval of the director of the budget, to provide for a waiver of the application fee when the fee would cause an unreasonable hardship on the applicant and to establish a fee schedule and charge fees for the use of state police facilities.

§ 4. Section 58 of the civil service law, as amended by chapter 560 of the laws of 1978, subdivisions 1 and 2 as amended by chapter 244 of the laws of 2013, paragraphs (c) and (d) of subdivision 1 as amended by section 16 and subdivision 5 as amended by section 17 of part BBB of chapter 59 of the laws of 2021, subdivision 1-b as added by chapter 1016 of the laws of 1983, subdivision 1-c as added by chapter 840 of the laws of 1985, subdivision 3 and paragraphs (a) and (b) of subdivision 4 as amended by chapter 561 of the laws of 2015, subdivision 4 as separately amended by chapters 375 and 397 of the laws of 1990, paragraph (c) of subdivision 4 as amended by chapter 190 of the laws of 2008, subparagraphs (ii) and (iv) of paragraph (c) of subdivision 4 as amended by section 58 of subpart B of part C of chapter 62 of the laws of 2011 and subdivision 6 as added by chapter 558 of the laws of 1979, is amended to read as follows:

§ 58. Requirements for [~~provisional or permanent~~] appointment of certain police officers. 1. Notwithstanding any other provision of this law or any general, special or local law to the contrary, no person shall be eligible for [~~provisional or permanent~~] appointment [~~in the competitive class of the civil service~~] as a police officer of the department of environmental conservation or of any police force or police department of any county, city, town, village, housing authority or police district unless [~~he or she~~] **they** shall satisfy the following basic requirements:

(a) [~~he or she is~~] **they are** not less than twenty years of age as of the date of appointment nor more than [~~thirty-five~~] **forty** years of age as of the date when the applicant takes the written examination,

provided that the maximum age requirement of [~~thirty-five~~] **forty** years of age as set forth in this paragraph shall not apply to eligible lists finalized pursuant to an examination administered prior to May thirty-first, nineteen hundred ninety-nine or a police officer in the department of environmental conservation, provided, however, that:

(i) time spent on military duty or on terminal leave, not exceeding a total of six years, shall be subtracted from the age of any applicant who has passed [~~his or her thirty-fifth~~] **their fortieth** birthday as provided in subdivision ten-a of section two hundred forty-three of the military law;

(ii) such maximum age requirement of [~~thirty-five~~] **forty** years shall not apply to any police officer as defined in subdivision thirty-four of section 1.20 of the criminal procedure law, who was continuously employed by the Buffalo municipal housing authority between January first, two thousand five and June thirtieth, two thousand five and who takes the next written exam offered after the effective date of this subparagraph by the city of Buffalo civil service commission for employment as a police officer in the city of Buffalo police department, or June thirtieth, two thousand six, whichever is later; and

(iii) such maximum age requirement of [~~thirty-five~~] **forty** years shall not apply to any police officer of any county, town, city or village police force not otherwise provided for in this section if the eligible list has been exhausted and there are no other eligible candidates; provided, however, the police officer themselves are on the eligible list of such county, town, city or village and meet all other requirements of merit and fitness set forth by this chapter and do not exceed the maximum age of [~~thirty-nine~~] **forty-four**;

(b) [~~he or she is~~] **they are** a high school graduate or a holder of a high school equivalency diploma issued by an education department of any of the states of the United States or a holder of a comparable diploma issued by any commonwealth, territory or possession of the United States or by the Canal Zone or a holder of a report from the United States armed forces certifying [~~his or her~~] **their** successful completion of the tests of general educational development, high school level;

(c) [~~he or she satisfies~~] **they satisfy** the height, weight, physical and psychological fitness requirements prescribed by the municipal police training council pursuant to the provisions of section eight hundred forty of the executive law; and

(d) [~~he or she is~~] **they are** of good moral character as determined in accordance with the background investigation standards of the municipal police training council pursuant to the provisions of section eight hundred forty of the executive law.

1-b. Notwithstanding the provisions of any other section of law, general, special or local, in political subdivisions maintaining a police department serving a population of one hundred fifty thousand or less, no person shall be eligible for appointment nor shall [~~he or she~~] **they** be appointed to any rank above the rank of police officer unless [~~he or she has~~] **they have** been appointed a police officer from an eligible list established according to merit and fitness as provided by section six of article five of the constitution of the state of New York or has previously served as a member of the New York state police.

1-c. Notwithstanding the provisions of any other section of law, general, special or local, any political subdivision maintaining a police department serving a population of one hundred fifty thousand or less and with positions for more than four full-time police officers, shall maintain the office of chief of police.

2. The provisions of this section shall not prevent any county, city, town, village, housing authority, transit authority, police district or the department of environmental conservation from setting more restrictive requirements of eligibility for its police officers, except the maximum age to be a police officer as provided in paragraph (a) of subdivision one of this section.

3. As used in this section, the term "police officer" means a police officer in the department of environmental conservation, the state university police, a member of the regional state park police or a police force, police department, or other organization of a county, city, town, village, housing authority, transit authority or police district, who is responsible for the prevention and detection of crime and the enforcement of the general criminal laws of the state, but shall not include any person serving as such solely by virtue of [~~his or her~~] occupying any other office or position, nor shall such term include a sheriff, under-sheriff, commissioner of police, deputy or assistant commissioner of police, chief of police, deputy or assistant chief of police or any person having an equivalent title who is appointed or employed to exercise equivalent supervisory authority.

4. (a) Any person who has received provisional or permanent appointment in the competitive class of the civil service as a police officer of the regional state park police, the state university of New York police, the department of environmental conservation or any police force or police department of any county, city, town, village, housing authority, transit authority or police district shall be eligible to resign from any police force or police department, and to be appointed as a police officer in the same or any other police force or police department without satisfying the age requirements set forth in paragraph (a) of subdivision one of this section at the time of such second or subsequent appointment, provided such second or subsequent appointment occurs within thirty days of the date of resignation.

(b) Any person who has received permanent appointment in the competitive class of the civil service as a police officer of the regional state park police, the state university of New York police, the department of environmental conservation or any police force or police department of any county, city, town, village, housing authority, transit authority or police district shall be eligible to resign from any police force or police department and, subject to such civil service rules as may be applicable, shall be eligible for reinstatement in the same police force or police department or in any other police force or police department to which [~~he or she was~~] **they were** eligible for transfer, without satisfying the age requirements set forth in paragraph (a) of subdivision one of this section at the time of such reinstatement, provided such reinstatement occurs within one year of the date of resignation.

(c) (i) Legislative findings and declaration. The legislature hereby finds and declares that it is frequently impracticable to ascertain fitness for the positions of detective and investigator within various police or sheriffs departments around the state by means of a competitive examination due to the unique nature of the duties assigned and the intangible personal qualities needed to perform such duties. The legislature further finds that competitive examination has never been employed in many police, correction or sheriffs departments, to ascertain fitness for the positions of detective and investigator within such police, correction or sheriffs departments; such fitness has always been determined by evaluation of the capabilities of an individual (who has

in any case received permanent appointment to the position of police officer, correction officer of any rank or deputy sheriff) by supervisory personnel. The legislature further finds that an individual who performs in an investigatory position in a manner sufficiently satisfactory to the appropriate supervisors to hold such an assignment for a period of eighteen months, has demonstrated fitness for the position of detective or investigator within such police, correction or sheriffs department at least as sufficiently as could be ascertained by means of a competitive examination.

(ii) Notwithstanding any other provision of law, in any jurisdiction, other than a city with a population of one million or more or the state department of corrections and community supervision, which does not administer examinations for designation to detective or investigator, any person who has received permanent appointment to the position of police officer, correction officer of any rank or deputy sheriff and is temporarily assigned to perform the duties of detective or investigator shall, whenever such assignment to the duties of a detective or investigator exceeds eighteen months, be permanently designated as a detective or investigator and receive the compensation ordinarily paid to persons in such designation.

(iii) Nothing contained in subparagraph (ii) of this paragraph shall be construed to limit any jurisdiction's ability to administer examinations for appointment to the positions of detective and investigator, provided however that any person temporarily assigned to perform the duties of detective or investigator within the period commencing September twenty-third, nineteen hundred ninety-three through and including the date upon which this paragraph shall have become a law and who has not been designated as a detective or investigator and who has not been subject to an examination for which there is a certified eligible list, shall be permanently designated as a detective or investigator whenever such assignment to the duties of detective or investigator exceeds eighteen months.

(iv) Detectives and investigators designated since September twenty-third, nineteen hundred ninety and prior to February twenty-fourth, nineteen hundred ninety-five by any state, county, town, village or city (other than a city with a population of one million or more or the state department of corrections and community supervision) police, correction or sheriffs department, pursuant to the provisions of this paragraph in effect during such period, who continue to serve in such positions, shall retain their detective or investigator status without any right to retroactive financial entitlement.

5. The provisions of this section shall not apply to the investigatory personnel of the office of the district attorney in any county, including any county within the city of New York.

6. The provisions of this section shall not apply to any individual holding the position of deputy sheriff in Westchester county prior to July first, nineteen hundred seventy-nine upon the transfer of such individual to service in the Westchester county department of public safety services.

§ 5. This act shall take effect September 1, 2025.

2. Any award made pursuant to this article shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services necessary as a result of the injury upon which the claim is based; loss of earnings or support resulting from such injury not to exceed thirty thousand dollars; loss of savings not to exceed thirty thousand dollars; burial expenses not exceeding [~~six~~] **twelve** thousand dollars of a victim who died on or after November first, nineteen ninety-six as a direct result of a crime; the costs of crime scene cleanup and securing of a crime scene not exceeding twenty-five hundred dollars; reasonable relocation expenses not exceeding twenty-five hundred dollars; reasonable employment-related transportation expenses, not exceeding twenty-five hundred dollars and the unre-

imbursed cost of repair or replacement of articles of essential personal property lost, damaged or destroyed as a direct result of the crime. An award for loss of earnings shall include earnings lost by a parent or guardian as a result of the hospitalization of a child victim under age eighteen for injuries sustained as a direct result of a crime. In addition to the medical or other services necessary as a result of the injury upon which the claim is based, an award may be made for rehabilitative occupational training for the purpose of job retraining or similar employment-oriented rehabilitative services based upon the claimant's medical and employment history. For the purpose of this subdivision, rehabilitative occupational training shall include but not be limited to educational training and expenses. An award for rehabilitative occupational training may be made to a victim, or to a family member of a victim where necessary as a direct result of a crime. An award for employment-related transportation expenses shall be limited to the time period necessary due to the personal physical injuries sustained as a direct result of the crime upon which the claim is based, as determined by the medical information collected during the investigation of the claim.

5. (a) [~~In~~] **Except as provided in paragraph (g) of this subdivision, in** determining the amount of an award, the office shall determine whether, because of [~~his~~] **such victim's** conduct, the victim of such crime contributed to the infliction of [~~his~~] **such victim's** injury, and the office shall reduce the amount of the award or reject the claim altogether, in accordance with such determination.

(b) Notwithstanding the provisions of paragraph (a) of this subdivision, the office shall disregard for this purpose the responsibility of the victim for [~~his~~] **such victim's** own injury where the record shows that the person injured was acting as a good samaritan, as defined in this article.

(c) Notwithstanding any inconsistent provision of this article, where the person injured acted as a good samaritan, the office may, without regard to the financial difficulty of the claimant, make an award for out-of-pocket losses. Such award may also include compensation for any loss of property up to five thousand dollars suffered by the victim during the course of [~~his~~] **such victim's** actions as a good samaritan.

(d) Notwithstanding any inconsistent provision of this article, where a person acted as a good samaritan, and was killed as a direct result of the crime, the office may, without regard to the financial difficulty of the claimant, make a lump sum award to such claimant for actual loss of support not to exceed thirty thousand dollars.

(e) Notwithstanding any inconsistent provision of this article, where a police officer or firefighter, both paid and volunteer, dies from injuries received in the line of duty as a direct result of a crime, the office may, without regard to the financial difficulty of the claimant, make an award for the unreimbursed counseling expenses of the eligible spouse, domestic partner, parents, [~~brothers, sisters~~] **siblings** or children of such victim, and/or the reasonable burial expenses incurred by the claimant.

(f) Notwithstanding the provisions of paragraph (a) of this subdivision, the office shall disregard for this purpose the responsibility of the victim for [~~his or her~~] **such victim's** own loss of savings.

(g) Notwithstanding the provisions of paragraph (a) of this subdivision, **when determining a claim made by a person eligible under paragraph (b), (c) or (d) of subdivision one of section six hundred twenty-four of this article,** if the crime upon which the claim is based resulted in the

death of the victim, the office shall [~~determine~~] not consider whether, because of [~~his or her~~] their conduct, the victim of such crime contributed to [~~the infliction of his or her injury, and the office may reduce the amount of the award by no more than fifty percent, in accordance with such determination~~] their death.

9. (a) Any award made for the cost of repair or replacement of essential personal property, including cash losses of essential personal property, shall be limited to an amount of twenty-five hundred dollars, except that all cash losses of essential personal property shall be limited to the amount of one hundred dollars. In the case of medically necessary life-sustaining equipment which was lost or damaged as the direct result of a crime, the award shall be limited to the amount of ten thousand dollars.

(b) Notwithstanding the provisions of paragraph (a) of this subdivision, in the case of cash losses which were the result of an act or series of acts of larceny as defined in article one hundred fifty-five of the penal law, perpetrated by the same actor indicated by a report or reports obtained from a criminal justice agency as defined in subdivision one of this section, and a receipt, receipts or similar documentation is provided showing such cash loss or losses, a single claim may be filed and an award may be made for cash losses of essential personal property for each act up to a cumulative amount of no more than twenty-five hundred dollars.

18. Notwithstanding any inconsistent provision of this article and subject to any applicable maximum award limitations contained in this section, where a victim has died as a direct result of the crime upon which the claim is based and the crime occurred in the residence of a person eligible pursuant to [~~paragraph~~] paragraphs (k) and (l) of subdivision one of section six hundred twenty-four of this article, the office may make no more than one award for crime scene clean-up related to such residence.

10. "Disabled victim" shall mean a person who has [~~(a)~~] a physical, mental or medical impairment [~~from anatomical, physiological or neurological conditions~~], as evidenced by medical records, which prevents the exercise of a normal bodily function [~~or is demonstrable by medically accepted clinical or laboratory diagnostic techniques or (b) a record of such an impairment or (c) a condition regarded by others as such an impairment~~] at the time of the crime.

§ 4. Subdivision 2 of section 630 of the executive law, as amended by chapter 494 of the laws of 2018, is amended to read as follows:

2. Notwithstanding the provisions of subdivision one of this section, if the crime upon which the claim is based resulted in the death of the victim, and it appears to the office that such claim is one with respect to which an award probably will be made, and undue hardship will result to the claimant if immediate payment is not made, the office may make one or more emergency awards to the claimant for reasonable burial expenses pending a final decision of the office or payment of an award in the case; provided, however, that the total amount of an emergency award or awards for reasonable burial expenses shall not exceed [~~three~~] six thousand dollars. The amount of such emergency award or awards shall be deducted from any final award made to the claimant, and the excess of the amount of any such award or awards over the amount of the final award, of the full amount of an emergency award or awards if no final award is made, shall be repaid by the claimant to the office.

§ 5. This act shall take effect on the one hundred eightieth day after it shall have become a law and shall apply to all claims filed on or after such effective date.

PART H

Section 1. Subdivision 13 of section 631 of the executive law, as amended by section 3 of subpart S of part XX of chapter 55 of the laws of 2020, is amended to read as follows:

13. (a) Notwithstanding any other provision of law, rule, or regulation to the contrary, when any New York state accredited hospital, accredited sexual assault examiner program, or licensed health care provider furnishes services to any sexual assault survivor, including but not limited to a health care forensic examination in accordance with the sex offense evidence collection protocol and standards established by the department of health, such hospital, sexual assault examiner program, or licensed healthcare provider shall provide such services to the person without charge and shall bill the office directly. The office, in consultation with the department of health, shall define the specific services to be covered by the sexual assault forensic exam reimbursement fee, which must include at a minimum forensic examiner services, hospital or healthcare facility services related to the exam, and any necessary related laboratory tests or pharmaceuticals **based upon the department of health's Medicaid reimbursement rates**; including but not limited to HIV post-exposure prophylaxis provided by a hospital emergency room at the time of the forensic rape examination pursuant to paragraph (c) of subdivision one of section twenty-eight hundred five-i of the public health law. [~~For a person eighteen years of age or older, follow-up HIV post-exposure prophylaxis costs shall continue to be reimbursed according to established office procedure.~~] The office, in consultation with the department of health, shall also generate the necessary [~~regulations and~~] forms for the direct reimbursement procedure **and regulations setting the usual and customary rates for the itemized charges related to an exam of a sexual assault survivor**.

(b) The rate for reimbursement shall be the amount of itemized charges, to be reimbursed at the [~~Medicaid rate and~~] **usual and customary rates as established pursuant to this subdivision and** which shall cumulatively not exceed (1) eight hundred dollars for an exam of a sexual assault survivor where no sexual offense evidence collection kit is used; (2) one thousand two hundred dollars for an exam of a sexual assault survivor where a sexual offense evidence collection kit is used; **and** (3) [~~one thousand five hundred dollars for an exam of a sexual assault survivor who is eighteen years of age or older, with or without the use of a sexual offense evidence collection kit, and with the provision of a necessary HIV post-exposure prophylaxis seven day starter pack; and (4)~~] two thousand five hundred dollars for an exam of a sexual assault survivor [~~who is less than eighteen years of age~~], with or without the use of a sexual offense evidence collection kit, and with the provision of the full regimen of necessary HIV post-exposure prophylaxis. The hospital, sexual assault examiner program, or licensed health care provider must accept this fee as payment in full for these specified services. No additional billing of the survivor for said services is permissible. A sexual assault survivor may voluntarily assign any private insurance benefits to which [~~she or he is~~] **they are** entitled for the healthcare forensic examination, in which case the hospital or healthcare provider may not charge the office; provided, however, in the

event the sexual assault survivor assigns any private health insurance benefit, such coverage shall not be subject to annual deductibles or coinsurance or balance billing by the hospital, sexual assault examiner program or licensed health care provider. A hospital, sexual assault examiner program or licensed health care provider shall, at the time of the initial visit, request assignment of any private health insurance benefits to which the sexual assault survivor is entitled on a form prescribed by the office; provided, however, such sexual assault survivor shall be advised orally and in writing that [~~he or she~~] **they** may decline to provide such information regarding private health insurance benefits if [~~he or she believes~~] **they believe** that the provision of such information would substantially interfere with [~~his or her~~] **their** personal privacy or safety and in such event, the sexual assault forensic exam fee shall be paid by the office. Such sexual assault survivor shall also be advised that providing such information may provide additional resources to pay for services to other sexual assault victims. Such sexual assault survivor shall also be advised that the direct reimbursement program established by this subdivision does not automatically make them eligible for any other compensation benefits available from the office including, but not limited to, reimbursement for mental health counseling expenses, relocation expenses, and loss of earnings, and that such compensation benefits may only be made available to them should the sexual assault survivor or other person eligible to file pursuant to section six hundred twenty-four of this article, file a compensation application with the office. If [~~he or she~~] **such sexual assault survivor** declines to provide such health insurance information, [~~he or she~~] **they** shall indicate such decision on the form provided by the hospital, sexual assault examiner program or licensed health care provider, which form shall be prescribed by the office.

§ 2. Paragraph (c) of subdivision 1 of section 2805-i of the public health law, as amended by section 1 of subpart S of part XX of chapter 55 of the laws of 2020, is amended to read as follows:

(c) offering and making available appropriate HIV post-exposure treatment therapies; including [~~a seven day starter pack of HIV post-exposure prophylaxis for a person eighteen years of age or older, or~~] the full regimen of HIV post-exposure prophylaxis [~~for a person less than eighteen years of age,~~] in cases where it has been determined, in accordance with guidelines issued by the commissioner, that a significant exposure to HIV has occurred, and informing the victim that payment assistance for such therapies and other crime related expenses may be available from the office of victim services pursuant to the provisions of article twenty-two of the executive law. With the consent of the victim of a sexual assault, the hospital emergency room department shall provide or arrange for an appointment for medical follow-up related to HIV post-exposure prophylaxis and other care as appropriate; and

§ 3. This act shall take effect on the two hundred seventieth day after it shall have become a law and apply to all exams performed on or after such effective date. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

Following referral to a domestic violence liaison, (a) the individual shall be informed by the domestic violence liaison of services, which shall be available on a voluntary basis; and (b) the domestic violence liaison shall conduct an assessment to determine if and to what extent domestic violence is a barrier to the individual's compliance with public assistance requirements or to employment and such assessment shall be based upon an attestation or the relevant information and corroborating evidence provided by the individual alleging such abuse; and (c) the domestic violence liaison shall [~~assess the need for~~] grant any appropriate waivers of such program requirements based on such assessment. Such waivers shall, to the extent permitted by federal law, include, but not be limited to, residency requirements, child support cooperation requirements and employment and training requirements; provided, however, that exemptions from the sixty month limit on receipt of benefits under the federal temporary assistance to needy families block grant program shall be available only when the individual would not be required to participate in work or training activities because of an independently verified physical or mental impairment resulting from domestic violence, anticipated to last for three months or longer, or if the individual is unable to work because of the need to care for a dependent child who is disabled as a result of domestic violence. Provided, however, that pursuant to section one hundred forty-two of the welfare reform act of 1997 victims of domestic violence may be exempted from the application of subdivision two of section three hundred forty-nine of this article on the basis of hardship.

Section 1. Section 13-638.2 of the administrative code of the city of New York is amended by adding two new subdivisions k-3 and k-4 to read as follows:

k-3. For NYCERS, NYCTRS and BERS, all installments of contribution resulting from any unfunded accrued liability established for any such retirement system prior to the establishment of the unfunded accrued liability as of June thirtieth, two thousand twenty-three for such retirement systems pursuant to the provisions of paragraph one of subdivision k-4 of this section which are payable to such retirement system on or after July first, two thousand twenty-four are hereby canceled and shall not be due and payable on or after such July first.

k-4. (1) (i) The actuary for each of such retirement systems, upon the basis of the latest mortality and other tables applicable at the time such actuary performs the calculations, and the valuation rate of interest (as defined in paragraph eleven of subdivision a of this section), shall calculate separately for NYCERS, NYCTRS and BERS, as of June thirtieth, two thousand twenty-three and as of each succeeding June thirtieth, an unfunded accrued liability for each retirement system in accordance with the succeeding subparagraphs of this paragraph.

(ii) The actuary shall calculate, as of the applicable June thirtieth, an amount equal to the sum of (A) the total actuarial present value of all benefits payable by NYCERS, NYCTRS and BERS pursuant to applicable law, as determined by the actuary, and (B) the liability of each retirement system, as determined by the actuary, for amounts which the retirement system may be required by applicable law to pay to any other fund on account of related benefits financed through the retirement system, without a corresponding offset in the liabilities of the retirement system.

(iii) The unfunded accrued liability of each of such retirement systems as of the applicable June thirtieth shall be the amount obtained by deducting from the amount of such total liability of the retirement system on account of benefits, as determined by the actuary pursuant to subparagraph (ii) of this paragraph, the sum of:

(A) the actuarial present value of entry age normal contributions payable to such retirement system, as determined by the actuary as of the applicable June thirtieth in a manner consistent with the entry age actuarial cost method, and with the applicable methodologies set forth for NYCERS in subparagraph (d) of paragraph two of subdivision b of section 13-127 of this title, for the NYCTRS in paragraph five of subdivision b of section 13-527 of this title or for BERS in item (v) of subparagraph four of paragraph (c) of subdivision sixteen of section twenty-five hundred seventy-five of the education law;

(B) the present value of future member contributions of all members of such retirement system, as determined by the actuary as of the applicable June thirtieth;

(C) the total funds on hand of such retirement system for valuation purposes, as determined by the actuary as of the applicable June thirtieth;

(D) the present value of future installments of unfunded accrued liability contributions to be paid to such retirement system as of the applicable June thirtieth;

(E) the present value of the pending normal contribution to such retirement system as of the applicable June thirtieth as determined by the actuary and established in the valuation for the prior year; and

(F) the present value of pending contributions to such retirement system for administrative expenses in accordance with the provisions of

subdivision f of section 13-103 of this title for NYCERS, subdivision d of section 13-518 of this title for the NYCTRS or paragraph (e) of subdivision twenty-three of section twenty-five hundred seventy-five of the education law for BERS.

(iv) The actuary, in determining the unfunded accrued liability pursuant to this paragraph, may make any adjustments which such actuary deems appropriate due to the calculation of the unfunded accrued liability as of the second June thirtieth preceding the fiscal year in which the first installment of such unfunded accrued liability becomes payable or creditable.

(2) (i) The unfunded accrued liability calculated by the actuary as of June thirtieth, two thousand twenty-three shall be known as the "2023 UAL" or, with respect to NYCERS as the "NYCERS 2023 UAL", with respect to NYCTRS as the "NYCTRS 2023 UAL", and with respect to BERS as the "BERS 2023 UAL".

(ii) The 2023 UAL for NYCERS, NYCTRS and BERS shall be amortized in twenty annual installments, as determined by the actuary, with payments commencing with the two thousand twenty-four--two thousand twenty-five fiscal year. The actuary for each of such retirement systems shall determine the schedule of contribution installments such that each installment after the first shall decline, relative to the next preceding installment, by a constant dollar amount equal to five percent of such first installment.

(3) (i) Notwithstanding paragraph three of subdivision k-2 of this section or any other law to the contrary, the unfunded accrued liability calculated pursuant to paragraph one of this subdivision by the actuary as of June thirtieth, two thousand twenty-four, and as of each succeeding June thirtieth, shall be known as a "post-2023 UAL adjustment". With respect to NYCERS, NYCTRS and BERS, such unfunded accrued liability shall be known by the name consisting of the applicable abbreviation for each retirement system, as defined in paragraph three, four or seven of subdivision a of this section, followed by the calendar year as of which the unfunded accrued liability was established, followed by the term "UAL adjustment".

(ii) Notwithstanding paragraph three of subdivision k-2 of this section or any other law to the contrary, each post-2023 UAL adjustment for NYCERS, NYCTRS and BERS, excluding adjustments due to investment gains and losses or enacted changes in benefits as described in subparagraphs (iii) and (iv) respectively of this paragraph, shall be amortized in twenty equal annual installments, as determined by the actuary, with payments or credits commencing with the second fiscal year succeeding the June thirtieth as of which the unfunded accrued liability was established.

(iii) Post-2023 UAL adjustments due to investment gains and losses shall be amortized over twenty installments such that installments one through five increase by a constant dollar amount, installments seventeen through twenty decrease by that same amount, and installments six through sixteen equal installment five, as determined by the actuary. Deferred investment gains and losses established prior to the Post-2023 UAL adjustments will continue to be recognized based on their existing recognition schedule and amortized in twenty equal annual installments, as determined by the actuary, with payments or credits commencing with the second fiscal year succeeding the June thirtieth as of which they are recognized.

(iv) Post-2023 UAL adjustments due to enacted changes in benefits shall be amortized over a number of installments equal to the rounded

number of years of the remaining working lifetimes of those covered by the benefit changes. Where the length of the amortization period for an UAL adjustment is not specified in the law, the actuary, in such actuary's discretion, may select an amortization period that is reasonably consistent with past practice for amortizing UAL adjustments attributable to the particular type of changes.

(v) In the event that the total unfunded accrued liability as of June thirtieth for NYCERS, NYCTRS or BERS, as determined by the actuary, is less than or equal to zero based on the market value of assets, results in the total amortization installment being negative while the total unfunded accrued liability is positive, or results in any other mathematical inconsistency as determined by the actuary, the actuary, in their discretion, shall void all previously established remaining amortization installments scheduled for or after the second fiscal year succeeding the June thirtieth as of which the determination was made and shall establish a new amortization schedule of twenty installments that will be applied as charges or credits against the normal contribution of any such retirement system's obligors commencing in that second fiscal year.

§ 2. This act shall take effect immediately and shall be deemed to have been in full force and effect on and after July 1, 2024.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY: This proposed legislation (see Appendix) would modify existing statutory language to amortize the Unfunded Accrued Liabilities (UAL) for the New York City Employees' Retirement System (NYCERS), the New York City Teachers' Retirement System (TRS), and the New York City Board of Education Retirement System (BERS) on an alternate schedule effective upon enactment and deemed to have been in effect on and after July 1, 2024.

Allocation of the impact above to New York City and other obligors will vary by year.

IMPACT ON EMPLOYER CONTRIBUTIONS: For NYCERS, TRS, and BERS, the proposed legislation would amend the UAL amortization schedule; change the smoothing method used for investment gains and losses; and allow a reset of the UAL amortization schedule under certain scenarios. While the proposed changes will impact the timing of employer contributions, there is no change to the benefits paid and therefore no ultimate savings or cost.

PRESENT VALUE OF BENEFITS: The Present Value of Benefits is the discounted expected value of benefits paid to current members if all assumptions are met, including future service accrual and pay increases.

INITIAL INCREASE (DECREASE) IN ACTUARIAL PRESENT VALUES
as of June 30, 2023 ($ in Millions)

Present Value (PV)	NYCERS	TRS	BERS
(1) PV of Employer Contributions:	0.0	0.0	0.0
(2) PV of Employee Contributions:	**0.0**	**0.0**	**0.0**
Total PV of Benefits (1) + (2):	0.0	0.0	0.0

IMPACT ON UAL AMORTIZATION: Pursuant to Chapter 3 of the Laws of 2013, an Initial UAL amortization base was established for each of the New York City Retirement Systems and Pension Funds (NYCRS) such that the annual amortization payments would increase by 3% per year consistent with the expected annual increases in total payroll, with the final payment scheduled to occur in Fiscal Year 2032. Subsequent changes in the UAL have their own statutorily defined amortization period, generally amortized using level dollar payments.

The proposed legislation would re-amortize all outstanding UAL balances for NYCERS, TRS, and BERS as of June 30, 2023, adjusted for pending employer contributions, over a 20-year period such that the amortization payments decrease by a constant dollar amount annually. New amortization bases would be added on an annual basis using level dollar amortization. Actuarial gains and losses (currently amortized over 14 payments), assumption and method changes (currently amortized over 19 payments) would be amortized over 20 payments. Future benefit changes would be amortized over the expected future working lifetime of the impacted population.

This legislation also includes provisions that allow the NYCRS Actuary to reset the amortization schedule over a 20-year period when a NYCERS, TRS, or BERS plan becomes overfunded based on the Market Value of Assets (MVA) or if the Actuary observes any anomalies in the amortization schedule, such as a negative net amortization payment being applied to a positive UAL.

IMPACT ON ASSET SMOOTHING: This legislation modifies the approach used to smooth investment gains and losses. The current asset smoothing method phases in the recognition of investment gains and losses over a five-year period producing an Actuarial Value of Assets (AVA) used to determine the UAL and related amortization payments that is different from the Market Value of Assets (MVA).

The proposed legislation would recognize the full investment gain or loss immediately with a five-year phase-in and five-year phase-out of the payments over a twenty-year period in total. This alternate method

produces a contribution smoothing effect similar to the current method and eliminates the need to calculate an AVA different from the MVA. The smoothing corridor currently used to constrain the AVA within plus or minus twenty percent of the MVA becomes obsolete under this legislation.

Unrecognized investment gains and losses as of June 30, 2023 will be recognized in future valuations based on their recognition schedule established prior to this legislation, though those deferred gains and losses will be amortized over 20 payments instead of the current 14 payments. This Fiscal Note does not reflect the difference in timing of recognizing currently deferred investment gains and losses, though the net impact of this difference is zero on a present value basis.

COST BASIS: The estimates presented herein are based on census data collected as of June 30, 2023 and the Preliminary June 30, 2023 Actuarial Valuation. The Final June 30, 2023 Actuarial Valuation may reflect subsequent events, such as data corrections or other legislative changes that impact the timing of employer contributions shown in this Fiscal Note.

ASSUMPTIONS AND METHODS: The estimates presented herein, except for those changes described in this Fiscal Note, have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted NYCRS.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits). This Fiscal Note does not reflect any chapter laws that may have been enacted during the current legislative session.

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS, but do not believe it impairs our objectivity, and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2025-16 dated February 19, 2025 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds and is intended for use only during the 2025 Legislative Session.

Section 1. The correction law is amended by adding a new section 135 to read as follows:

§ 135. New York state department of corrections and community supervision body-worn cameras program. 1. There is hereby created within the department a body-worn cameras program. The purpose of such program is to increase accountability and evidence for departmental and law enforcement purposes, department staff, residents of the state, and those under the department's care by providing body-worn cameras to all

correction officers, security supervisors, and any civilian staff as identified by the commissioner.

2. The department shall provide body-worn cameras that will be powered on and worn by correction officers and security supervisors at all times, while on duty. Incidents and activities that require staff to manually activate their body-worn cameras, regardless of the presence of fixed cameras, include but are not limited to:

(a) during any interaction with an incarcerated individual or visitor, in any location. This paragraph shall not apply when the office of special investigations or crisis intervention unit is conducting an interview with an incarcerated individual providing confidential information where a record of interview is completed;

(b) when staff observe unauthorized activity by an incarcerated individual, a department employee or any other person in the facility;

(c) during general movement of incarcerated individuals;

(d) when staff is responding to an emergency call for assistance;

(e) during all incarcerated individual escorts;

(f) during incarcerated individual transports, as directed by the facility watch commander or higher-ranking supervisor. When an employee enters a non-department facility, the employee will comply with the facility local policy on wearing the camera and recording. If a local policy does not exist, the employee shall default to department policy;

(g) when a firearm, oleoresin capsicum spray, or a baton is removed from its holster or holder;

(h) any instance where department staff feels there is an imminent threat or the need to document their time on duty;

(i) during all uses of force, including any physical aggression or use of a non-lethal or lethal weapon;

(j) during a disciplinary hearing when fixed video monitoring systems are not available where the disciplinary hearing is conducted. Such recordings will be securely preserved as part of the official hearing record for all Tier II and Tier III hearings pursuant to section 270.3 of the New York codes, rules and regulations. Audio recordings of all hearings will continue to be made regardless of whether the video monitoring system captures audio;

(k) as directed by the deputy commissioner or chief of investigations for the office of special investigations, or such deputy commissioner's or chief of investigations' designee, office of special investigations investigators may utilize body-worn camera systems pursuant to the office of special investigations policy. The use of such cameras by the office of special investigations investigators may include but is not limited to absconder/fugitive operations, facility inspections, monitoring of frisks, canine operations, high-risk in-state transports of incarcerated individuals or releasees, and investigative activities which are deemed appropriate to record;

(l) in congregate shower areas; provided, however, that staff shall provide a verbal announcement that a body-worn camera is in use and avoid intentional recording of an incarcerated individual in a state of undress unless they are required to do so as part of the performance of their duties;

(m) during all correctional emergency response team activations; and

(n) during a strip search or strip frisk; provided, however, that incarcerated individuals shall be given verbal notice that they are being recorded, and the following rules apply:

(i) The wearer of the body-worn camera shall be of the same gender as the gender designation of the facility. Video recordings of strip frisks

or strip searches shall not be viewed by anyone, except as expressly authorized in writing by the facility's deputy superintendent for security or higher authority. If the recording is approved for review, the deputy superintendent for security shall assure this fact is documented to include date, time, authorization, reviewer name, explanation of why the review is necessary, and the result of such review.

(ii) A body-worn camera recording of any strip search or strip frisk shall immediately be turned over to an officer assigned to upload, charge, and issue such cameras to assigned staff for uploading and storage.

(iii) The video footage of a strip frisk or other incident depicting an incarcerated individual in a state of complete undress shall only be viewed by department staff who are of the same gender as the gender designation of the facility.

3. The commissioner shall have the authority to require civilian staff assigned to a correctional facility to wear body-worn cameras while on duty where the civilian employee has direct supervision of an incarcerated individual with only intermittent security supervision. In instances where the commissioner has required a civilian to wear a body-worn camera while on duty, such cameras shall be activated and shall record:

(a) while interacting with an incarcerated individual, regardless of the existence of fixed-video monitoring; and

(b) while such employee is in the area of a use of force incident, including any physical aggression or use of a non-lethal or lethal weapon.

4. The department shall preserve recordings of such body-worn cameras for at least ninety days.

5. The department shall perform all necessary maintenance on the equipment used in such body-worn camera program established pursuant to this section.

6. The commissioner of the department shall solely determine the timing and appropriateness of any review or provision of body-worn camera footage to an employee prior to that employee being required to answer questions subject to paragraph (g) of subdivision one of section two hundred nine-a of the civil service law, or prior to an employment disciplinary hearing regarding the potential misconduct of such employee.

§ 2. This act shall take effect on the sixtieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

PART II

Section 1.
