AN ACT to amend the election law and the vehicle and traffic law, in relation to joining multistate voter list maintenance organizations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. As the official record of
2 all eligible voters in a state, a state's voter registration rolls are
3 the foundation of free, fair, and accurate elections. Illegal voting is
4 exceedingly rare but maintaining accurate voter rolls reduces the oppor-
5 tunity for such behavior and it helps build confidence in election
6 outcomes. However, keeping voter rolls up to date is a challenge
7 because, every day, voters move or die. Voters do not always remember to
8 update their registration when they move. These challenges are especial-
9 ly acute in states with large and highly mobile populations. Partic-
10 ipation in a multistate voter list maintenance organization can improve
11 the accuracy of New York's voter registration rolls. A multistate voter
12 list maintenance organization is a coordinating entity between states
13 that aids them in identifying voters who may no longer be eligible to
14 vote, who have moved, or who have died. A voter list maintenance organ-
15 ization may also offer other information useful to improving voter
16 registration or enhancing the integrity of election administration.
17 § 2. Article 5 of the election law is amended by adding a new title 10
18 to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
