

STATE OF NEW YORK

4338

2025-2026 Regular Sessions

IN ASSEMBLY

February 4, 2025

Introduced by M. of A. GLICK -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to requiring limited services pregnancy centers to disclose to clients that they do not have a licensed medical provider on staff

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. The legislature finds that
2 it is in the state's interest to ensure pregnant New Yorkers have timely
3 access to the full range of reproductive health services that are avail-
4 able to them, including prenatal care, emergency contraception, and
5 abortion. Article 25-A of the public health law, commonly referred to as
6 the reproductive health act of 2019 guarantees this right, clearly stat-
7 ing that "every individual who becomes pregnant has the fundamental
8 right to choose to carry the pregnancy to term, to give birth to a
9 child, or to have an abortion, pursuant to this article".
10 Moreover, the legislature finds that due to the sensitive timing of
11 receiving emergency contraception, the importance of receiving prompt
12 prenatal care in ensuring a healthy pregnancy, and statutory timeframes
13 that limit the legality of abortion services, pregnant New Yorkers must
14 receive timely and accurate information regarding their pregnancy. The
15 health care options available to them must be presented free from unne-
16 cessary delay or religious or moral persuasion. Any delay in receiving
17 reproductive health care services can lead to negative outcomes for the
18 pregnant person and their fetus, or a complete loss in ability to
19 receive emergency contraception or abortion services, effectively elimi-
20 nating their reproductive autonomy.
21 The legislature is aware that some limited service pregnancy centers
22 that are ideologically opposed to comprehensive reproductive health care
23 employ deceptive practices on customers that avail themselves of their
24 services. These practices include presenting themselves as medical

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD06119-01-5

1 facilities through the use of medical history and health insurance
2 intake, wearing of medical clothes and devices such as lab coats and
3 stethoscopes, and siting of facilities near licensed health care facili-
4 ties. Pregnant New Yorkers who have visited limited service pregnancy
5 centers that are religiously or philosophically opposed to abortion have
6 been inappropriately led to believe that they have received care from a
7 New York state licensed health care professional. Although the legisla-
8 ture respects the right for individuals to seek any reproductive
9 services they wish to seek, it is critical that pregnant New Yorkers are
10 not misled into believing they have received services and medical coun-
11 seling from a licensed provider when in actuality they have received
12 unlicensed counseling from someone who is unwilling to objectively
13 discuss how to seek emergency contraception or abortion, and is unable
14 to refer for those services.

15 Therefore, it is the intent of the legislature to ensure pregnant
16 individuals are fully informed as to whether they are receiving services
17 and counseling from a licensed medical professional when they seek
18 prenatal care, emergency contraception, or abortion services.

19 § 2. The public health law is amended by adding a new section 2509-e
20 to read as follows:

21 § 2509-e. Limited services pregnancy centers; disclosure. 1. Any
22 limited services pregnancy center shall be required to disclose to a
23 client that it does not have a licensed medical provider on staff who
24 provides or directly supervises the provision of all reproductive health
25 services at such limited services pregnancy center.

26 2. For the purposes of this section, the following terms shall have
27 the following meanings:

28 (a) "Limited services pregnancy center" means a facility or entity,
29 including a mobile facility, the primary purpose of which is to provide
30 services to clients who are or may be pregnant, that:

31 (i) (1) is not a health care facility licensed by the state of New
32 York under article twenty-eight of this chapter or articles thirty-one
33 and thirty-two of the mental hygiene law; or

34 (2) is not providing services under the direction of a health care
35 provider licensed under title eight of the education law who is acting
36 within such health care provider's scope of practice; and

37 (ii) fails to provide or refer for the full range of comprehensive
38 reproductive and sexual health care services reimbursed under the
39 state's Medicaid program including, but not limited to contraception,
40 testing and treatment of sexually transmitted infections, abortion care,
41 and prenatal care.

42 (b) "Licensed medical provider" means a person licensed or otherwise
43 authorized under the provisions of article one hundred thirty-one, one
44 hundred thirty-one-A, one hundred thirty-one-B, one hundred thirty-nine,
45 or one hundred forty of the education law, to provide medical services.

46 3. The disclosure required by subdivision one of this section shall
47 be:

48 (a) provided in writing, in English and Spanish in a form prescribed
49 by the commissioner, and such written disclosure shall be posted in the
50 entrance of the limited services pregnancy center and in any area where
51 clients wait to receive services where it can easily be read by its
52 clients; and

53 (b) conducted orally upon first communication or first contact with
54 the client or potential client by staff assisting the potential client,
55 and such disclosure shall further be reasonably understandable to the
56 client.

1 4. Any person who believes that a violation of this section has
2 occurred may file a complaint with the department. Within thirty days of
3 receiving such complaint, the department shall investigate such
4 complaint and determine whether a violation has occurred.

5 5. Any limited services pregnancy center violating the provisions of
6 this section shall be subject to a civil fine of not less than two
7 hundred dollars and not more than one thousand dollars on the first
8 violation and not less than five hundred dollars and not more than twen-
9 ty-five hundred dollars on the second and all subsequent violations.

10 § 3. This act shall take effect immediately.
