## IN ASSEMBLY

February 4, 2025

Introduced by M. of A. BOLOGNA -- read once and referred to the Committee on Energy

AN ACT to amend the executive law, in relation to the encroachment or adverse effect upon military operations by tall energy structures, major renewable energy facilities or wind energy facilities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 720 to  
2 read as follows:

3 § 720. Encroachment or adverse effect upon military operations by tall  
4 energy structures, major renewable energy facilities or wind energy  
5 facilities. 1. Definitions. As used in this section, the following terms  
6 shall have the following meanings:

7 (a) "Tall energy structure" shall mean any structure that has as its  
8 primary use the generation or transmission of energy and which is two  
9 hundred or more feet in height.

10 (b) "Major renewable energy facility" shall mean any facility as  
11 defined in subdivision four of section one hundred thirty-seven of the  
12 public service law.

13 2. The construction or operation of any tall energy structure, major  
14 renewable energy facility or wind energy facility in this state shall  
15 not encroach upon or otherwise have an adverse impact on military oper-  
16 ations and readiness of any military installation or branch of the mili-  
17 tary.

18 3. A local government or the New York state board on electric gener-  
19 ation siting and the environment (hereinafter, "the board"), prior to  
20 approving an application for the construction of a tall energy structure  
21 shall require the applicant to provide the local government or the board  
22 with the following:

23 (a) a written determination of no hazard to air navigation issued by  
24 the Federal Aviation Administration pursuant to 14 C.F.R. Part 77,  
25 Subpart D; and

26 (b) in coordination with any affected military installation and the  
27 state division of homeland security and emergency services, a written

1 determination resolving any adverse impact to military operations iden-  
2 tified during the aeronautics study conducted pursuant to 14 C.F.R.  
3 Part 77, Subpart D.

4 A proposed tall energy structure shall be subject to the provisions of  
5 subdivision two of this section even if the local government or the  
6 board either does not require an application prior to the construction  
7 of a tall energy structure or does not require the application outlined  
8 in this subdivision.

9 4. The board, prior to approving an application for the construction  
10 of a major renewable energy facility shall require the applicant to file  
11 an application with the Federal Aviation Administration under 49 U.S.C.  
12 § 44718, and provide the board with the following:

13 (a) a written determination of no hazard to air navigation issued by  
14 the Federal Aviation Administration pursuant to 14 C.F.R. Part 77,  
15 Subpart D; and

16 (b) in coordination with any affected military installation and the  
17 state division of homeland security and emergency services, a written  
18 determination resolving any adverse impact to military operations iden-  
19 tified during the aeronautics study conducted pursuant to 14 C.F.R.  
20 Part 77, Subpart D.

21 The major renewable energy facility shall be subject to the provisions  
22 of subdivision two of this section even if the board either does not  
23 require an application prior to the construction of the major renewable  
24 energy facility or does not require the application outlined in this  
25 subdivision.

26 5. Prior to any planned construction of a wind energy facility, an  
27 applicant shall provide the local government or the board considering an  
28 application with a map showing the specific location and tower hub  
29 height, with rotor diameter, for each proposed wind turbine.

30 6. A local government or the board may not approve an application for  
31 the construction of a wind energy facility unless the applicant provides  
32 the following documentation:

33 (a) a completed department of defense siting clearinghouse formal  
34 review; and

35 (b) a written determination of no hazard to air navigation issued by  
36 the Federal Aviation Administration pursuant to 14 C.F.R. Part 77,  
37 Subpart D.

38 7. Notwithstanding subdivision six of this section, a local government  
39 or the board may approve an application for the construction of a wind  
40 energy facility conditioned upon the applicant providing the documenta-  
41 tion set out in subdivision six of this section.

42 8. If any dispute arises between a local government or the board and  
43 an applicant or military installation relating to the approval of any  
44 tall energy structure, major renewable energy facility or wind energy  
45 facility, the local government or the board shall provide notice to the  
46 governor or the governor's designee to facilitate resolution of the  
47 dispute.

48 9. A local government or the board shall not require any other formal  
49 written approval from a military installation to approve an application  
50 for the construction of a tall energy structure, a major renewable ener-  
51 gy facility or a wind energy facility.

52 § 2. This act shall take effect immediately.
