38 is a collection site for recycling such batteries. Such sign shall state
39 the following in letters at least one inch in height: "It is illegal to
40 dispose of rechargeable batteries in the state of New York as solid
41 waste. We accept used rechargeable batteries for return to the manufac-
42 turer."

43 d. Retailers may not sell or offer for sale to consumers in the state
44 rechargeable batteries unless the battery manufacturer is operating in
