Introduced by M. of A. CHANG, NOVAKHOV -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to requiring the inspection of buildings where bicycles with electric assist are repaired, sold, rented, or stored for repair, sale, or rental

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 378 of the executive law is amended by adding two new subdivisions 21 and 22 to read as follows:

21. Standards for fire safety inspections of commercial buildings where bicycles with electric assist are repaired, sold, rented, or stored for repair, sale, or rental requiring an appropriate and qualified inspector, as determined by the local government, to perform a quarterly fire safety inspection of any commercial building where bicycles with electric assist are repaired, sold, rented, or stored for repair, sale, or rental. The council shall establish a reasonable fee for such inspection within forty-five days of the effective date of this subdivision. For the purposes of this section, "bicycle with electric assist" shall have the same meaning as section one hundred two-c of the vehicle and traffic law and shall further include any batteries or electrical systems for a bicycle with electric assist.

22. Standards for after a fire-related emergency or other fire-related incident occurs in a building where bicycles with electric assist are repaired, sold, rented, or stored for repair, sale or rental, requiring no bicycles with electric assist be stored on the premises for any purpose until the premises have been inspected and determined to be in compliance with all relevant laws and regulations by an appropriate and qualified inspector as determined by the local government.

§ 2. This act shall take effect on the sixtieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
