3. Such exemption from taxation shall be granted upon an application which shall include a statement that a qualified owner resides at the property. The application and twenty-year favorable service letter shall be filed by the qualified owner to the assessor of such municipality which has the power to assess property for taxation on or before the appropriate taxable status date of such municipality. If the assessor is satisfied that the property is qualified for an exemption pursuant to this section, then such residential improvements shall be exempt from taxation as provided in subdivision two of this section.

§ 2. This act shall take effect immediately.
