Introduced by M. of A. BORES -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to prohibiting hospitals, health systems, and health care providers from charging facility fees

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. This act shall be known and may be cited as the "lower hospital bills act".

§ 2. Section 2830 of the public health law, as added by chapter 764 of the laws of 2022, is amended to read as follows:

§ 2830. Regulation of the billing of facility fees. 1. For the purposes of this section, "fee" means any amount charged or billed by a provider for professional health care services provided in a hospital-based facility.

2. No hospital or health system or health care provider shall bill or seek payment from a patient for a facility fee [~~that is not covered by the patient's health insurance carrier unless the patient was notified prior to the date of service that a facility fee would be applicable. If a health care provider enters into a business relationship with a hospital or health system that will result in the provider's patients being subject to facility fees, the health care provider must notify its patients of the change and that facility fees will now be applicable to services received from the health care provider. The notice shall be provided in writing at least seven days in advance of each date of service and shall explain the amount of the fee, the purpose of the fee, whether the patient's insurance plan will pay the fee, and for uninsured patients, how to apply for financial assistance. If advance written notice is infeasible because the visit was secured less than seven days in advance, then a written notice shall be provided on the date the service is rendered. The notice shall be provided in plain language in~~

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
