AN ACT to amend the vehicle and traffic law, in relation to owner liability for failure of an operator to comply with traffic control indicators; to amend the public officers law, in relation to access to records prepared pursuant to traffic control indicators; and providing for the repeal of certain provisions upon expiration thereof

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. The vehicle and traffic law is amended by adding a new section 1111-j to read as follows:

**§ 1111-j. Owner liability for failure of an operator to comply with traffic control indicators. (a) 1. Notwithstanding any other provision of law, the city of New York is hereby authorized to establish a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with posted traffic control indicators in such city in accordance with the provisions of this section. Such demonstration program shall empower the city to install traffic control indicator photo devices on city vehicles and along streets at locations determined by such city and to administer such program in consultation with the New York city department of transportation.**

**2. Any photographs, microphotographs, videotape or other recorded images captured by traffic control indicator photo devices shall be inadmissible in any disciplinary proceeding convened by the city and any proceeding initiated by the city involving licensure privileges of city vehicle operators. Any traffic control indicator photo device mounted**

along streets at locations determined by New York city or mounted on a city vehicle shall be directed outwardly from such vehicle to capture images of vehicles operated in violation of traffic control indicators, and images produced by such device shall not be used for any other purpose in the absence of a court order requiring such images to be produced.

3. No traffic control indicator vehicle photo device shall be used unless on the day it is to be used it has successfully passed a self-test of its functions.

4. (i) Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs, microphotographs, videotape or other recorded images produced by such traffic control indicator photo device shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because such a photograph, microphotograph, videotape or other recorded image allows for the identification of the driver, the passengers, or the contents of vehicles where the city shows that it made reasonable efforts to comply with the provisions of this paragraph in such case.

(ii) Photographs, microphotographs, videotape or any other recorded image from a traffic control indicator photo device shall be for the exclusive use of the city for the purpose of the adjudication of liability imposed pursuant to this section and of the owner receiving a notice of liability pursuant to this section, and shall be destroyed by the city within forty-eight hours of the final resolution of any notice of liability to which such photographs, microphotographs, videotape or other recorded images relate, or one year following the date of issuance of such notice of liability, whichever is later. Notwithstanding the provisions of any other law, rule or regulation to the contrary, photographs, microphotographs, videotape or any other recorded image from a traffic control indicator photo device shall not be open to the public, nor subject to civil or criminal process or discovery, nor used by any court or administrative or adjudicatory body in any action or proceeding therein except that which is necessary for the adjudication of a notice of liability issued pursuant to this section, and no entity or employee, officer or agent thereof shall disclose such information, except that such photographs, microphotographs, videotape or any other recorded images from such devices:

(A) shall be available for inspection and copying and use by the motor vehicle owner and operator for so long as such photographs, microphotographs, videotape or other recorded images are required to be maintained or are maintained by such entity, employee, officer or agent.

(B) (1) may be disclosed where required by federal law; and

(2) shall be furnished in response to a subpoena duces tecum signed by a judge of competent jurisdiction and issued pursuant to article six hundred ten of the criminal procedure law or a judge or magistrate of a federal court authorized to issue such a subpoena duces tecum under federal law, where the judge finds and the subpoena states that there is reasonable cause to believe such information is relevant and material to the defense of the alleged commission of a misdemeanor or felony in this state or another state.

(C) shall be available for sharing between the city and any vendor retained by the city for the purpose of deploying such devices. Any such vendor shall be subject to the same restrictions as provided in this

section and shall not disclose such materials except as expressly authorized under this section.

(iii) The demonstration program authorized pursuant to this section is prohibited from utilizing and from arranging for the utilization of biometric identifying technology, including but not limited to facial recognition technology, for any purpose. The use, and the arrangement for the use, of biometric identifying technology, including but not limited to facial recognition technology, on photographs, microphotographs, videotape, or any other recorded image or data produced by a traffic control indicator photo device, by any person for any purpose, are prohibited. For purposes of this subparagraph, "person" shall include, but not be limited to, a human being, a public or private corporation, an unincorporated association, a partnership, a government or a governmental instrumentality, a court or an administrative or adjudicatory body, and any employee, officer, and agent of the foregoing.

5. Every city vehicle upon which a traffic control indicator photo device is installed and operated pursuant to a demonstration program authorized pursuant to this section shall be equipped with signs, placards or other displays giving notice to approaching motor vehicle operators that traffic control indicator photo devices are used to enforce traffic control indicators.

6. Warning notices of violation shall be issued during the first sixty days that traffic control indicator photo devices pursuant to a demonstration program authorized by this section are active and in operation.

7. The city shall adopt and enforce measures:

(i) to upgrade signage at regular intervals stating that traffic control indicator photo devices are used to enforce traffic control indicators along such routes;

(ii) to prohibit the use or dissemination of vehicles' license plate information and other information and images captured by traffic control indicator photo devices except: (A) as required to establish liability under this section or collect payment of penalties; or (B) as required by federal law; and

(iii) to ensure compliance with the privacy protection measures.

(b) If the city has established a program pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was parked in violation of any parking rule of such city and such violation is evidenced by information obtained from a traffic control indicator photo device.

(c) For purposes of this section, the following terms shall have the following meanings:

1. "City" shall mean any city with a population over one million persons.

2. "Manual on uniform traffic control devices" or "MUTCD" shall mean the manual and specifications for a uniform system of traffic control devices maintained by the commissioner of transportation pursuant to section sixteen hundred eighty of this chapter.

3. "Owner" shall have the meaning provided in article two-B of this chapter.

4. "Traffic control indicators" shall mean the prohibited parking, standing, or stopping of any vehicle by the city of New York pursuant to the rules of the New York city department of transportation, including but not limited to during designated time periods as posted by signs or street markings.

5. "Traffic control indicator photo device" shall mean a device that is mounted along streets at locations determined by New York city as

well as a device that is mounted on a vehicle, is capable of operating independently of an enforcement officer and produces one or more images of each vehicle at the time it is in violation of traffic control indicators.

6. "Biometric identifying technology" shall mean any tool using an automated or semi-automated process that assists in verifying a person's identity based on a person's biometric information.

7. "Biometric information" shall mean any measurable physical, physiological or behavioral characteristics that are attributable to a person, including but not limited to facial characteristics, fingerprint characteristics, hand characteristics, eye characteristics, vocal characteristics, and any other characteristics that can be used to identify a person including, but not limited to: fingerprints; handprints; retina and iris patterns; DNA sequence; voice; gait; and facial geometry.

8. "Facial recognition" shall mean any tool using an automated or semi-automated process that assists in uniquely identifying or verifying a person by comparing and analyzing patterns based on the person's face.

(d) A certificate, sworn to or affirmed by a technician employed by the city, or a facsimile thereof, based upon inspection of photographs, microphotographs, videotape or other recorded images produced by a traffic control indicator photo device, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation pursuant to this section.

(e) An owner liable for a violation of a parking rule imposed on any route shall be liable for monetary penalties in accordance with a schedule of fines and penalties promulgated by the parking violations bureau of the city of New York; provided, however, that the monetary penalty for violating a parking rule shall not exceed fifty dollars for the first violation; one hundred dollars for a second violation within a twelve-month period; one hundred fifty dollars for a third violation within a twelve-month period; two hundred dollars for a fourth violation within a twelve-month period; and two hundred fifty dollars for each subsequent violation within a twelve-month period; provided, further, that an owner shall be liable for an additional penalty not to exceed twenty-five dollars for each violation for the failure to respond to a notice of liability within the prescribed time period.

(f) An imposition of liability under the demonstration program established pursuant to this section shall not be deemed a conviction as an operator and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

(g) 1. A notice of liability shall be sent by first class mail to each person alleged to be liable as an owner for a violation of a parking rule. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for violation of a parking rule, the registration number of the vehicle involved in such violation, the location where such violation took place including the street or cross streets, one or more images identifying the violation, the date and time of such violation and the identification number of the traffic control indicator photo device that recorded the violation or other document locator number.

3. The notice of liability shall contain information advising the person charged of the manner and the time in which such person may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the person charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

4. The notice of liability shall be prepared and mailed by the agency or agencies designated by the city, or any other entity authorized by such city to prepare and mail such notification of violation.

5. Adjudication of the liability imposed upon owners by this section shall be by the New York city parking violations bureau.

(h) If an owner of a vehicle receives a notice of liability pursuant to this section for any time period during which the vehicle was reported to the police department as having been stolen, it shall be a valid defense to an allegation of liability for violation of a parking rule of such city, that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subdivision it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the city parking violations bureau.

(i) 1. An owner who is a lessor of a vehicle to which a notice of liability was issued pursuant to subdivision (g) of this section shall not be liable for the violation of the parking rule, provided that:

(i) prior to the violation, the lessor has filed with such parking violations bureau in accordance with the provisions of section two hundred thirty-nine of this chapter; and

(ii) within thirty-seven days after receiving notice from such bureau of the date and time of such liability, together with the other information contained in the original notice of liability, the lessor submits to such bureau the correct name and address of the lessee of the vehicle identified in the notice of liability at the time of such violation, together with such other additional information contained in the rental, lease or other contract document, as may be reasonably required by such bureau pursuant to regulations that may be promulgated for such purpose.

2. Failure to comply with subparagraph (ii) of paragraph one of this subdivision shall render the lessor liable for the penalty prescribed in this section.

3. Where the lessor complies with the provisions of paragraph one of this subdivision, the lessee of such vehicle on the date of such violation shall be deemed to be the owner of such vehicle for purposes of this section, shall be subject to liability for such violation pursuant to this section, and shall be sent a notice of liability pursuant to subdivision (g) of this section.

(j) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of a parking rule.

(k) If the city adopts a demonstration program pursuant to subdivision (a) of this section, such city's department of transportation shall submit a report on the results of the use of traffic control indicator photo devices to the governor, the temporary president of the senate, and the speaker of the assembly two years after the demonstration is adopted. The department of transportation of the city of New York shall also make such reports available on their public-facing websites, provided that they may provide aggregate data from paragraph one of this subdivision if the city finds that publishing specific location data

would jeopardize public safety. Such report shall include, but not be limited to:

1. a description of the locations and/or vehicles where traffic control indicator vehicle photo devices were used;

2. the total number of violations recorded on a monthly and annual basis;

3. the total number of notices of liability issued;

4. the number of fines and total amount of fines paid after the first notice of liability;

5. the number of violations adjudicated and results of such adjudications including breakdowns of dispositions made;

6. the total amount of revenue realized by such city and department and an itemized list of expenditures made by the city and department with these revenues;

7. the quality of the adjudication process and its results;

8. the total number of cameras by type of camera used; and

9. the total cost to such city.

(l) It shall be a defense to any prosecution for a violation of a parking rule pursuant to a demonstration program adopted pursuant to this section that such traffic control indicator photo devices were malfunctioning at the time of the alleged violation.

§ 2. Subdivision 1 of section 235 of the vehicle and traffic law, as amended by section 1 of part N of chapter 58 of the laws of 2025, is amended to read as follows:

1. Notwithstanding any inconsistent provision of any general, special or local law or administrative code to the contrary, in any city which heretofore or hereafter is authorized to establish an administrative tribunal: (a) to hear and determine complaints of traffic infractions constituting parking, standing or stopping violations, or (b) to adjudicate the liability of owners for violations of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter, or (c) to adjudicate the liability of owners for violations of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (d) to adjudicate the liability of owners for violations of bus lane restrictions as defined by article twenty-four of this chapter imposed pursuant to a bus rapid transit program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus lane restrictions through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter, or (e) to adjudicate the liability of owners for violations of toll collection regulations imposed by certain public authorities pursuant to the law authorizing such public authorities to impose monetary liability on the owner of a vehicle for failure of an operator thereof to comply with toll collection regulations of such public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and

sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty, or (f) to adjudicate the liability of owners for violations of section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with school bus red visual signals through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter, or (g) to adjudicate the liability of owners for violations of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter in relation to gross vehicle weight and/or axle weight violations imposed pursuant to a weigh in motion demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such gross vehicle weight and/or axle weight restrictions through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter, or (h) to adjudicate the liability of owners for violations of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (i) to adjudicate the liability of owners for violations of bus operation-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus operation-related traffic regulations through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter, **or (j) to adjudicate the liability of owners for violations of traffic control indicators as defined by article twenty-four of this chapter imposed pursuant to a program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such traffic control indicators through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter,** such tribunal and the rules and regulations pertaining thereto shall be constituted in substantial conformance with the following sections.

§ 3. Subdivision 1 of section 236 of the vehicle and traffic law, as amended by section 2 of part N of chapter 58 of the laws of 2025, is amended to read as follows:

1. Creation. In any city as hereinbefore or hereafter authorized such tribunal when created shall be known as the parking violations bureau and shall have jurisdiction of traffic infractions which constitute a parking violation and, where authorized: (a) to adjudicate the liability of owners for violations of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chap-

ter, or (b) to adjudicate the liability of owners for violations of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (c) to adjudicate the liability of owners for violations of bus lane restrictions as defined by article twenty-four of this chapter imposed pursuant to a bus rapid transit program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus lane restrictions through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter, or (d) to adjudicate the liability of owners for violations of toll collection regulations imposed by certain public authorities pursuant to the law authorizing such public authorities to impose monetary liability on the owner of a vehicle for failure of an operator thereof to comply with toll collection regulations of such public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty, or (e) to adjudicate the liability of owners for violations of section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivisions twenty and twenty-one-c of section three hundred seventy-five of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with school bus red visual signals through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter, or (f) to adjudicate the liability of owners for violations of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter in relation to gross vehicle weight and/or axle weight violations imposed pursuant to a weigh in motion demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such gross vehicle weight and/or axle weight restrictions through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter, or (g) to adjudicate the liability of owners for violations of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter, or (h) to adjudicate the liability of owners for violations of bus operation-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus operation-related traffic regulations through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**, or (i) to adjudicate the liability of owners for violations of traffic control indicators as defined by article twen-**

ty-four of this chapter imposed pursuant to a program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such traffic control indicators through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter. Such tribunal, except in a city with a population of one million or more, shall also have jurisdiction of abandoned vehicle violations. For the purposes of this article, a parking violation is the violation of any law, rule or regulation providing for or regulating the parking, stopping or standing of a vehicle. In addition for purposes of this article, "commissioner" shall mean and include the commissioner of traffic of the city or an official possessing authority as such a commissioner.

§ 4. Paragraph f of subdivision 1 of section 239 of the vehicle and traffic law, as amended by section 3 of part N of chapter 58 of the laws of 2025, is amended to read as follows:

f. "Notice of violation" means a notice of violation as defined in subdivision nine of section two hundred thirty-seven of this article, but shall not be deemed to include a notice of liability issued pursuant to authorization set forth in articles ten, twenty-four, twenty-nine and thirty of this chapter, section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty to impose monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; or to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; or to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; or to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; or to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; or to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; or to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; or to comply with bus operation-related traffic regulations as defined by article twenty-four of

this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter; or to comply with traffic control indicators as defined by article twenty-four of this chapter through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter.

§ 5. Subdivisions 1, 1-a and the opening paragraph of paragraph (a) of subdivision 1-b of section 240 of the vehicle and traffic law, subdivisions 1 and 1-a as amended by section 4 of part N of chapter 58 of the laws of 2025 and the opening paragraph of paragraph (a) of subdivision 1-b as amended by section 5 of part MM of chapter 56 of the laws of 2023, are amended to read as follows:

Final determinations sustaining or dismissing charges shall be entered on a final determination roll maintained by the bureau together with records showing payment and nonpayment of penalties.

2. Where an operator or owner fails to enter a plea to a charge of a parking violation or contest an allegation of liability in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or main-

tenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**; or to comply with traffic control indicators as defined by article twenty-four of this chapter through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter**, or fails to appear on a designated hearing date or subsequent adjourned date or fails after a hearing to comply with the determination of a hearing examiner, as prescribed by this article or by rule or regulation of the bureau, such failure to plead or contest, appear or comply shall be deemed, for all purposes, an admission of liability and shall be grounds for rendering and entering a default judgment in an amount provided by the rules and regulations of the bureau. However, after the expiration of the original date prescribed for entering a plea and before a default judgment may be rendered, in such case the bureau shall pursuant to the applicable provisions of law notify such operator or owner, by such form of first class mail as the commission may direct; (1) of the violation charged, or liability alleged in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight

restrictions in violation of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter**; or to comply with traffic control indicators as defined by article twenty-four of this chapter through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter**, (2) of the impending default judgment, (3) that such judgment will be entered in the Civil Court of the city in which the bureau has been established, or other court of civil jurisdiction or any other place provided for the entry of civil judgments within the state of New York, and (4) that a default may be avoided by entering a plea or contesting an allegation of liability in accordance with any provisions of law specifically authorizing the imposition of monetary liability on the owner of a vehicle for failure of an operator thereof: to comply with traffic-control indications in violation of subdivision (d) of section eleven hundred eleven of this chapter through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with bus lane restrictions as defined by article twenty-four of this chapter through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; to comply with toll collection regulations of certain public authorities through the installation and operation of photo-monitoring systems, in accordance with the provisions of section two thousand nine hundred eighty-five of the public authorities law and sections sixteen-a, sixteen-b and sixteen-c of chapter seven hundred seventy-four of the laws of nineteen hundred fifty; to stop for a school bus displaying a red visual signal in violation of section eleven hundred seventy-four of this chapter through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; to comply with certain posted maximum speed limits in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; to comply with gross vehicle weight and/or axle weight restrictions in violation of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; [~~or~~] to comply with bus operation-related traffic regulations as defined by article twenty-four of this chapter in violation of the rules of the department of transportation of the city of New York through the installation and operation of bus operation-related photo devices, in accordance with article twenty-

four of this chapter; **or to comply with traffic control indicators as defined by article twenty-four of this chapter through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter;** or making an appearance within thirty days of the sending of such notice. Pleas entered and allegations contested within that period shall be in the manner prescribed in the notice and not subject to additional penalty or fee. Such notice of impending default judgment shall not be required prior to the rendering and entry thereof in the case of operators or owners who are non-residents of the state of New York. In no case shall a default judgment be rendered or, where required, a notice of impending default judgment be sent, more than two years after the expiration of the time prescribed for entering a plea or contesting an allegation. When a person has demanded a hearing, no fine or penalty shall be imposed for any reason, prior to the holding of the hearing. If the hearing examiner shall make a determination on the charges, sustaining them, such hearing examiner shall impose no greater penalty or fine than those upon which the person was originally charged.

§ 8. Subparagraph (i) of paragraph a of subdivision 5-a of section 401 of the vehicle and traffic law, as amended by section 7 of part N of chapter 58 of the laws of 2025, is amended to read as follows:

(i) If at the time of application for a registration or renewal thereof there is a certification from a court, parking violations bureau, traffic and parking violations agency or administrative tribunal of appropriate jurisdiction that the registrant or their representative failed to appear on the return date or any subsequent adjourned date or failed to comply with the rules and regulations of an administrative tribunal following entry of a final decision in response to a total of three or more summonses or other process in the aggregate, issued within an eighteen month period, charging either that: (i) such motor vehicle was parked, stopped or standing, or that such motor vehicle was operated for hire by the registrant or their agent without being licensed as a motor vehicle for hire by the appropriate local authority, in violation of any of the provisions of this chapter or of any law, ordinance, rule or regulation made by a local authority; or (ii) the registrant was liable for a violation of subdivision (d) of section eleven hundred eleven of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with traffic-control indications through the installation and operation of traffic-control signal photo violation-monitoring systems, in accordance with article twenty-four of this chapter; or (iii) the registrant was liable for a violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter; or (iv) the registrant was liable for a violation of bus lane restrictions as defined by article twenty-four of this chapter imposed pursuant to a bus rapid transit program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus lane restrictions through the installation and operation of bus lane photo devices, in accordance with article twenty-four of this chapter; or (v) the registrant was liable for a violation of section eleven hundred seventy-four of this chapter when meeting a school bus marked and equipped as provided in subdivi-

sions twenty and twenty-one-c of section three hundred seventy-five of this chapter imposed pursuant to a local law or ordinance imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with school bus red visual signals through the installation and operation of school bus photo violation monitoring systems, in accordance with article twenty-nine of this chapter; or (vi) the registrant was liable for a violation of section three hundred eighty-five of this chapter and the rules of the applicable covered agency or covered authority as such terms are defined in article ten of this chapter in relation to gross vehicle weight and/or axle weight violations imposed pursuant to a weigh in motion demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such gross vehicle weight and/or axle weight restrictions through the installation and operation of weigh in motion violation monitoring systems, in accordance with article ten of this chapter; or (vii) the registrant was liable for a violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such posted maximum speed limits within a highway construction or maintenance work area through the installation and operation of photo speed violation monitoring systems, in accordance with article thirty of this chapter[~~,~~]; or (viii) the registrant was liable for a violation of bus operation-related traffic regulations as defined by article twenty-four of this chapter imposed pursuant to a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such bus operation-related traffic regulations through the installation and operation of bus operation-related photo devices, in accordance with article twenty-four of this chapter[~~,~~]; **or (ix) the registrant was liable for a violation of traffic control indicators as defined by article twenty-four of this chapter imposed pursuant to a program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with such traffic control indicators through the installation and operation of traffic control indicator photo devices, in accordance with article twenty-four of this chapter,** the commissioner or their agent shall deny the registration or renewal application until the applicant provides proof from the court, traffic and parking violations agency or administrative tribunal wherein the charges are pending that an appearance or answer has been made or in the case of an administrative tribunal that such applicant has complied with the rules and regulations of said tribunal following entry of a final decision. Where an application is denied pursuant to this section, the commissioner may, in their discretion, deny a registration or renewal application to any other person for the same vehicle and may deny a registration or renewal application for any other motor vehicle registered in the name of the applicant where the commissioner has determined that such registrant's intent has been to evade the purposes of this subdivision and where the commissioner has reasonable grounds to believe that such registration or renewal will have the effect of defeating the purposes of this subdivision. Such denial shall only remain in effect as long as the summonses remain unanswered, or in the case of an administrative tribunal, the registrant fails to comply with the rules and regulations following entry of a final decision.

§ 9. Subdivision 1-a of section 1809 of the vehicle and traffic law, as amended by section 8 of part N of chapter 58 of the laws of 2025, is amended to read as follows:

§ 14. The purchase or lease of equipment for a demonstration program established pursuant to section 1111-j of the vehicle and traffic law, as added by section one of this act, shall be subject to the provisions of section 103 of the general municipal law.

§ 15. This act shall take effect one year after it shall have become a law; provided, however, that sections one, thirteen and fourteen of this act shall expire six years after it shall have become a law, when upon such date the provisions of such sections shall be deemed repealed; provided further, however, that:

(a) the amendments to subdivision 1 of section 1809-a of the vehicle and traffic law made by section ten of this act shall not affect the repeal of such section and shall be deemed repealed therewith; and

(b) effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of section one of this act on its effective date are authorized to be made and completed on or before such effective date.
