1 (ii) of this paragraph. The distribution of such unused funding  
2 described in this paragraph shall be determined and agreed upon by the  
3 franchised corporation and the jockey's organization that represents at  
4 least fifty-one percent of eligible jockeys. Provided, however, if a  
5 corporation or association licensed pursuant to this article provides an  
6 alternative source of funding for this program, an amount equal to this  
7 alternative funding, but not in excess of the amount originally contrib-  
8 uted during the year from the gross purse enhancement amount from video  
9 lottery gaming attributable to such corporation or association, shall be  
10 returned to the corporation or association and used for the purpose of  
11 enhancing purses at such track. Provided, further, any such alternative  
12 source of funding must be approved by the commission.

13 c. An additional segregated account may be established with such  
14 monies as a reserve fund for the payment of premiums not yet paid. The  
15 amount paid into such fund during any calendar year, if any, shall be  
16 determined upon the agreement between the franchised corporation and the

18 eligible active jockeys outlined in paragraph b of this subdivision.  
19 If, after the establishment of such fund, a determination and agreement  
20 is made between the franchised corporation and the jockey's organization  
21 that represents at least fifty-one percent of eligible jockeys that such  
22 fund is no longer needed, the monies remaining in such fund shall be  
23 returned on a pro rata basis in accordance with the amounts originally  
24 contributed and shall be used for the purposes of enhancing purses at  
25 such tracks.
