The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The insurance law is amended by adding a new section 3463  
2 to read as follows:

7 insurance which qualify for certain work under sections two hundred

11 of this section as determined by the superintendent.

12 (b) In order to qualify for the building construction, demolition and

2 ing or structure provided such contractor obtains a certificate of  
3 completion from a training program on work and job site safety training  
4 which shall include proper planning, supervision, training and use of  
5 fall protection. Such training program shall be approved by the commis-  
6 sioner. A list of approved programs shall be made available to such  
7 contractors. The commissioner shall promulgate rules and regulations  
8 setting forth the criteria for approval of such programs, the procedures  
9 to be followed in applying for such approval and any other rules or  
10 regulations as shall be necessary and proper to effectuate the purposes  
11 of this section. The certificate of completion shall be valid for a  
12 period of two years.

13 § 2. The tax law is amended by adding a new section 23-a to read as  
14 follows:

15 § 23-a. Building construction, demolition and repair work insurance  
16 credit.

17 (a) Allowance of credit; general. A taxpayer subject to tax under  
18 article nine, nine-A or twenty-two of this chapter shall be allowed a  
19 credit against such tax, pursuant to the provisions referenced in subdivi-  
20 vision (b) of this section. The amount of such credit shall be equal to  
21 the lesser of ten thousand dollars or twenty-five percent of the premi-  
22 ums paid for coverage as determined by the superintendent of financial  
23 services pursuant to section thirty-four hundred sixty-three of the  
24 insurance law.

25 (b) Cross references. For application of the credit provided for in  
26 this section, see the following provisions of this chapter:

27 (1) Article 9: Section 187-s;

28 (2) Article 9-A: Section 210-B, subdivision 61; and

29 (3) Article 22: Section 606, subdivision (qqq).

30 § 3. The tax law is amended by adding a new section 187-s to read as  
31 follows:

32 § 187-s. Building construction, demolition and repair work insurance  
33 credit. 1. Allowance of credit. A taxpayer shall be allowed a credit, to  
34 be computed as provided in section twenty-three-a of this chapter,  
35 against the taxes imposed by section one hundred eighty-three and one  
36 hundred eighty-four of this article. Provided, however, that the amount  
37 of such credit allowable against the tax imposed by section one hundred  
38 eighty-four shall be the excess of the amount of such credit over the  
39 amount of any credit allowed by this section against the tax imposed by  
40 section one hundred eighty-three of this article.

41 2. Application of this article. In no event shall the credit under  
42 this section be allowed in an amount which will reduce the tax payable  
43 less than the applicable minimum tax fixed by section one hundred eight-  
44 y-three of this article. If, however, the amount of credit allowable  
45 under this section for any taxable year reduces the tax to such amount,  
46 any amount of credit not deductible in such taxable year shall be treat-  
47 ed as an overpayment of tax to be refunded in accordance with the  
48 provisions of section one thousand eighty-six of this chapter. Provided,  
49 however, notwithstanding the provisions of subsection (c) of section one  
50 thousand eighty-eight of this chapter, no interest shall be paid there-  
51 on.

52 § 4. Section 210-B of the tax law is amended by adding a new subdivi-  
53 sion 61 to read as follows:

54 61. Building construction, demolition and repair work insurance cred-  
55 it. (a) Allowance of credit. A taxpayer shall be allowed a credit, to

1 be computed as provided in section twenty-three-a of this chapter,  
2 against the tax imposed by this article.

3 (b) Application of credit. The credit allowed under this subdivision  
4 for any taxable year shall not reduce the tax due for such year to less  
5 than the fixed dollar minimum amount prescribed in paragraph (d) of  
6 subdivision one of section two hundred ten of this article. However, if  
7 the amount of credits allowed under this subdivision of any taxable year  
8 reduces the tax to such amount or if the taxpayer otherwise pays tax  
9 based on the fixed dollar minimum amount, any amount of credit thus not  
10 deductible in such taxable year shall be treated as an overpayment of  
11 tax to be credited or refunded in accordance with the provisions of  
12 section one thousand eighty-six of this chapter. Provided, however,  
13 notwithstanding the provisions of subdivision (c) of section one thou-  
14 sand eighty-eight of this chapter, no interest shall be paid thereon.

15 § 5. Section 606 of the tax law is amended by adding a new subsection  
16 (qqq) to read as follows:

17 (qqq) Building construction, demolition and repair work insurance  
18 credit. (1) Allowance of credit. A taxpayer shall be allowed a credit,  
19 to be computed as provided in section twenty-three-a of this chapter,  
20 against the tax imposed by this article.

21 (2) Application of credit. If the amount of the credit allowed under  
22 this subsection for any taxable year shall exceed the taxpayer's tax for  
23 such year, the excess shall be treated as an overpayment of tax to be  
24 credited or refunded in accordance with the provisions of section six  
25 hundred eighty-six of this article, provided, however, that no interest  
26 shall be paid thereon.

27 § 6. This act shall take effect on the one hundred eightieth day after  
28 it shall have become a law.
