1 Section 1. Subdivision 5 of section 13-a of the workers' compensation
2 law, as amended by section 8 of part CC of chapter 55 of the laws of
3 2019, is amended to read as follows:

4 (5) No claim for specialist consultations, surgical operations,
5 physiotherapeutic or occupational therapy procedures, x-ray examinations
6 or special diagnostic laboratory tests costing more than one thousand
7 dollars shall be valid and enforceable, as against such employer, unless
8 such special services shall have been authorized by the employer or by

11 of a request for authorization, or unless such special services are
12 required in an emergency, provided, however, that the basis for a denial
13 of such authorization by the employer must be based on a conflicting
14 second opinion rendered by a physician authorized by the board. The
15 board, with the approval of the superintendent of financial services,
16 shall issue and maintain a list of pre-authorized procedures under this
17 section. Such list of pre-authorized procedures shall be issued and

20 not prohibit varied treatment [~~when the treating provider demonstrates~~
21 ~~the appropriateness and medical necessity of such treatment~~], nor shall
22 the list be used as a basis to deny treatment not contained therein.
23 Requests for varied treatment need only comply with the provisions of
24 this subdivision.
