14 term "operator" shall not include third-party developers that license  
15 their chatbot technology to an operator.

16 2. (a) An operator of a chatbot shall not knowingly permit such chat-  
17 bot to impersonate an actual or fictitious practitioner of a covered  
18 profession in a manner that, if done by a natural person:

35 prevent such impersonation.

36 3. Operators utilizing chatbots shall provide clear, conspicuous and  
37 explicit notice to users that they are interacting with an artificial

46 of New York to enjoin an operator from continuing such unlawful acts or  
47 practices, and may seek civil penalties of up to fifteen thousand
