AN ACT to amend the tax law, in relation to enacting the MEGA corporations act mandating worldwide combined reporting for large corporations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "multinational earnings and global accountability for (MEGA) corpo-
3 rations act".

4 § 2. Legislative intent. The legislature finds that multinational
5 corporations who profit from sales in New York often engage in practices
6 that shift profits outside the United States to reduce their tax liabil-
7 ity. To ensure a level playing field with New York-based businesses and
8 that multinationals pay their fair share, this act mandates worldwide
9 combined reporting for multinational corporations with gross receipts
10 exceeding one billion dollars, requiring them to report all profits,
11 international and domestic, against which the corporate franchise tax
12 can be levied based on the portion of sales made in New York.

13 § 3. Paragraphs (b) and (c) of subdivision 2 of section 210-C of the
14 tax law, as added by section 18 of part A of chapter 59 of the laws of
15 2014, are amended to read as follows:

16 (b) A corporation required to make a combined report within the mean-
17 ing of this section shall also include (i) a captive REIT and a captive
18 RIC if the captive REIT or captive RIC is not required to be included in
19 a combined report under article thirty-three of this chapter; (ii) a
20 combinable captive insurance company; and (iii) an alien corporation
21 that satisfies the conditions in paragraph (a) of this subdivision if
22 (I) under any provision of the internal revenue code, that corporation
23 is treated as a "domestic corporation" as defined in section seven thou-
