AN ACT to amend the general business law, in relation to responsible capability scaling policies

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new section  
2 390-f to read as follows:

3 § 390-f. Responsible capability scaling. 1. For the purposes of this  
4 section the following terms shall have the following meanings:

5 (a) "Artificial intelligence" shall mean any set of computer program-  
6 ming instructions for the purpose of creating technology that performs  
7 its own decision making.

8 (b) "Chief information officer" shall mean the individual or office  
9 established pursuant to executive order no. 117 issued on January twenty-  
10 eight, two thousand two by Governor Pataki, or any successor indi-  
11 vidual or office designated by the governor or provided for in statute,  
12 or an individual or office designated by the governor or provided for in  
13 statute to regulate artificial intelligence. Such term may also be used  
14 to refer to the office of the "chief cyber officer" appointed by the  
15 governor.

16 (c) "Responsible capability scaling policy" shall mean a set of best  
17 practices that identify, monitor, and rectify or mitigate risk of harm.

18 2. (a) Every person, firm, partnership, association or corporation  
19 doing business or offering products to consumers in New York state shall  
20 develop a responsible capability scaling policy for the use and develop-  
21 ment of artificial intelligence by such entity.

22 (b) Each such entity shall file an annual certification of compliance  
23 with this section with the chief information officer.

24 (c) The chief information officer may issue waivers or designate cate-  
25 gories of entities that are covered or exempt from the requirements of

1 this section. Such information shall be available on the secretary of  
2 state's website.

3 (d) The attorney general, in consultation with the chief information  
4 officer, shall have the power to audit the policies filed by entities  
5 under this section.

6 3. If an entity also has to file any certification of cybersecurity  
7 compliance with the department of financial services, such filings shall  
8 be done jointly.

9 4. The chief information officer shall promulgate rules and regu-  
10 lations for the implementation of the provisions of this section.

11 § 2. This act shall take effect on the ninetieth day after it shall  
12 have become a law. Effective immediately, the addition, amendment and/or  
13 repeal of any rule or regulation necessary for the implementation of  
14 this act on its effective date are authorized to be made and completed  
15 on or before such effective date.
