AN ACT to amend the retirement and social security law, in relation to establishing a defined contribution plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

2 a new section 618 to read as follows:

3 § 618. Defined contribution plan. 1. The defined contribution plan is  
4 hereby established. The comptroller shall adopt rules and regulations  
5 regarding the standards and requirements of the defined contribution  
6 plan established pursuant to this section, including selection of finan-  
7 cial organizations for investment purposes.

8 2. a. Notwithstanding any other provision of law, the defined contribu-  
9 tion plan shall be established for all non-civil service appointed

15 for members and to invest funds held pursuant to such plan.

16 c. The rules and regulations promulgated by the comptroller shall  
17 establish standards for the selection of financial organizations,  
18 authorized to do business in this state, to participate in such plans,  
19 including, but not limited to, the following criteria: (i) rates of

3 organization and/or among the financial organizations selected and the

11 rules and regulations of the comptroller, shall provide assistance to  
12 any public employer as is appropriate to the provisions of this section.

13 3. A public employer shall contribute three percent of such affected  
14 employee's annual salary towards such defined contribution plan. All  
15 non-civil service appointed employees and elected officials are required  
16 to contribute three percent of their salary towards the defined contrib-  
17 ution plan. Such employees may contribute up to one hundred percent,  
18 not to exceed twenty-three thousand five hundred dollars of their salary

20 4. The term "financial organization" shall mean an organization  
21 authorized to do business in the state of New York and (a) which is an  
22 authorized fiduciary to act as a trustee pursuant to the provisions of  
23 an act of congress entitled "Employee Retirement Income Security Act of

32 amended from time to time.

33 5. The current retirement plans for non-civil service appointed  
34 employees and elected officials shall be frozen as of the effective date  
35 of this section. Non-civil service appointed employees and elected offi-

37 however, such persons shall receive the benefits they have accrued up to

40 retirement system shall remain open if they become a member of the  
41 defined contribution plan.

42 § 2. This act shall take effect on the first of the fiscal year next  
43 succeeding the date on which it shall have become a law. Effective imme-  
44 diately, the addition, amendment and/or repeal of any rule or regulation  
45 necessary for the implementation of this act on its effective date are  
46 authorized to be made and completed on or before such effective date.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would create a defined contribution (DC) plan for existing and future elected officials and non-civil service appointees employed by the state of New York or any public employer participating in the New York State and Local Employees' Retirement System (NYSLERS). Participants and their employers would be required to contribute three percent of annual compensation to the DC plan.

This proposal would freeze the benefit accruals of affected NYSLERS members. If enacted, this bill is likely to face a constitutional chal-

lenge based upon the guarantee that a member's benefits may not be diminished.

We anticipate significant administrative costs to implement the provisions of this legislation.
