## IN ASSEMBLY

March 18, 2025

Introduced by M. of A. FALL -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to structures built within an erosion hazard area or a tidal wetland adjacent area

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 4 of section 34-0107 of the environmental  
2 conservation law, as added by chapter 841 of the laws of 1981, is  
3 amended to read as follows:

4 4. Nothing in this section shall be construed to prohibit any local  
5 government from adopting and enforcing any ordinances or local laws, or  
6 exercising any other lawful powers within any area governed by erosion  
7 hazard area regulations adopted pursuant to this section; provided,  
8 however, that to the extent of any inconsistency between a county, city,  
9 town or village ordinance or local law and erosion hazard area regu-  
10 lations adopted pursuant to this section, the latter shall apply.  
11 Provided, however, that in a city which wholly includes one or more  
12 counties, where the local permitting authority has issued a permit for  
13 construction of structures within the erosion hazard area or tidal  
14 wetland adjacent area and such structures have been built on or before  
15 the effective date of the chapter of the laws of two thousand twenty-  
16 five that amended this subdivision, such local permits shall be deemed  
17 to be sufficient to satisfy any requirements for an erosion hazard area  
18 permit, tidal wetlands permit, or variance under this article or article  
19 twenty-five of this chapter with respect to tidal wetland permits and  
20 implementing regulations, and all such structures may remain.

21 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
