AN ACT to amend the education law, in relation to updating provisions relating to dignity for all students

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 10 of the education law, as added by chapter 482 of  
2 the laws of 2010, is amended to read as follows:  
3 § 10. Legislative intent. The legislature finds that students' ability  
4 to learn and to meet high academic standards, and a school's ability to  
5 educate its students, are compromised by incidents of discrimination or  
6 harassment including bullying, taunting or intimidation. It is hereby  
7 declared to be the policy of the state to afford all students in public  
8 schools an environment free of discrimination and harassment, whether in  
9 the school building or on the internet. The purpose of this article is  
10 to foster civility in public schools and to prevent and prohibit conduct  
11 which is inconsistent with a school's educational mission.  
12 § 2. Subdivisions 1, 2, 7 and 8 of section 11 of the education law,  
13 subdivisions 1 and 2 as added by chapter 482 of the laws of 2010, subdi-  
14 vision 7 as amended and subdivision 8 as added by chapter 102 of the  
15 laws of 2012, are amended and three new subdivisions 11, 12 and 13 are  
16 added to read as follows:  
17 1. "School property" shall mean in or within any building, structure,  
18 athletic playing field, playground, parking lot, or land contained with-  
19 in the real property boundary line of a public elementary or secondary

1 school; or in or on a school bus, as defined in section one hundred  
2 forty-two of the vehicle and traffic law; or in or within a school  
3 administrative building.

4 2. "School function" shall mean a school board or trustee meeting or a  
5 school-sponsored [~~extra-curricular~~] or school-authorized extra-curricu-  
6 lar event or activity regardless of where such event or activity takes  
7 place, including any event or activity that may take place in another  
8 state including but not limited to field trips and athletic practices,  
9 scrimmages and events.

10 7. "Harassment" [~~and "bullying"~~] shall mean the creation of a hostile  
11 environment by conduct or by threats, intimidation or abuse, including  
12 by bullying, cyberbullying or coercive control, that (a) has or would  
13 have the effect of unreasonably [~~and substantially~~] interfering with [~~a~~]  
14 the student's educational performance, opportunities or benefits, or  
15 mental, emotional or physical well-being; or (b) reasonably causes or  
16 would reasonably be expected to cause [~~a~~] such student to fear for [~~his~~  
17 ~~or her~~] their physical safety; or (c) reasonably causes or would reason-  
18 ably be expected to cause physical injury or emotional harm to [~~a~~] such  
19 student; or (d) occurs off school property and creates or would foresee-  
20 ably create a risk of [~~substantial~~] unreasonable disruption within the  
21 school environment, where it is foreseeable that the conduct, threats,  
22 intimidation or abuse might reach school property. Acts of harassment,  
23 [~~and~~] bullying and coercive control shall include, but not be limited  
24 to, [~~these~~] acts based on a person's actual or perceived race, color,  
25 weight, national origin, ethnic group, religion, religious practice,  
26 disability, sexual orientation, gender or sex. For the purposes of this  
27 definition the term "threats, intimidation or abuse" shall include  
28 verbal and non-verbal actions.

29 8. "Cyberbullying" shall mean harassment [~~or~~], bullying or coercive  
30 control as defined in [~~subdivision seven of~~] this section, [~~including~~  
31 ~~paragraphs (a), (b), (c) and (d) of such subdivision,~~] where such  
32 harassment [~~or~~], bullying, or coercive control occurs through any form  
33 of electronic communication, including but not limited to cell phones,  
34 email, social media or text messaging.

35 11. "Bullying" shall mean a pattern of deliberate aggressive acts by a  
36 person or group intended to harm, dominate or humiliate another person  
37 who is in any way perceived to be more vulnerable than the aggressor.  
38 Bullying may involve verbal attacks, teasing, physical attacks, or  
39 threats of harm to such other person or another person, intentionally  
40 sharing personal or private information or images about someone without  
41 their consent causing embarrassment or reputational harm to them, inten-  
42 tionally altering the personal information or the social media account  
43 of a person without their consent, intentionally using artificial intel-  
44 ligence to mimic or alter a person's likeness or voice without their  
45 consent, deliberately excluding a person from activities, or other  
46 forms of intimidation. The deliberate targeting of a more vulnerable  
47 person by one person or a group of persons distinguishes "bullying" from  
48 "conflict" or other kinds of aggression not addressed by this article.  
49 "Bullying" involves one person or a group with an intent to harm, domi-  
50 nate or humiliate another person who is perceived by the bully as having  
51 less power, including but not limited to less physical strength or  
52 social power, and in a "conflict" there is a disagreement between two  
53 active parties.

54 12. "Coercive control" shall mean a pattern of behavior used by a  
55 person with leverage over another person to influence such other  
56 person's conduct by dominating, isolating or instilling fear or

1 confusion in them and which results in distress or erodes their sense of  
2 autonomy or safety. Coercive control may manifest between student part-  
3 ners in an affectionate relationship or between a school employee,  
4 school coach or board member or trustee and a student, and may involve  
5 surveillance over the other person, isolating the other person from  
6 friends or family, gaslighting the other person, punishing the other  
7 person for asserting autonomy, or asserting rules over the other  
8 person's friendships, clothing, movements, communications, bodily auton-  
9 omy or emotional expression through fear, guilt or manipulation.

10 13. "Gaslighting" shall mean the act of manipulating a person into  
11 doubting their own perceptions, memory, or understanding of reality.

12 § 3. Subdivision 1 of section 12 of the education law, as amended by  
13 chapter 102 of the laws of 2012, is amended to read as follows:

14 1. No student shall be subjected to harassment [~~or~~], bullying or coer-  
15 cive control by employees, school coaches, school board members or trus-  
16 tees, or students on school property [~~or~~], at a school function or  
17 through any form of electronic communication; nor shall any student be  
18 subjected to discrimination based on a person's actual or perceived  
19 race, color, weight, national origin, ethnic group, religion, religious  
20 practice, disability, sexual orientation, gender, or sex by school  
21 employees, school coaches, school board members or trustees, or students  
22 on school property [~~or~~], at a school function or through any form of  
23 electronic communication. Nothing in this subdivision shall be construed  
24 to prohibit a denial of admission into, or exclusion from, a course of  
25 instruction based on a person's gender that would be permissible under  
26 section thirty-two hundred one-a or paragraph (a) of subdivision two of  
27 section twenty-eight hundred fifty-four of this chapter and title IX of  
28 the Education Amendments of 1972 (20 U.S.C. section 1681, et. seq.), or  
29 to prohibit, as discrimination based on disability, actions that would  
30 be permissible under section 504 of the Rehabilitation Act of 1973.

31 § 4. Subdivisions 1, 2, 4 and 5 of section 13 of the education law,  
32 subdivisions 1 and 2 as amended and subdivisions 4 and 5 as added by  
33 chapter 102 of the laws of 2012, are amended and a new subdivision 6 is  
34 added to read as follows:

8 bullying, coercive control or discrimination and the web address for the

36 discipline and education, vary in method according to the nature of the

54 such policies, procedures, and guidelines.

55 § 5. Subdivisions 1 and 5 of section 14 of the education law, subdivi-  
56 sion 1 as amended by chapter 102 of the laws of 2012, and subdivision 5

6 discrimination and to fostering an environment in every school where all  
7 children can learn free of manifestations of bias;

8 5. [~~The commissioner shall prescribe~~] Prescribe regulations that  
9 school professionals applying on or after December thirty-first, two  
10 thousand thirteen for a certificate or license, including but not limit-  
11 ed to a certificate or license valid for service as a classroom teacher,

20 identification and mitigation of harassment, bullying, coercive control

23 § 6. Section 15 of the education law, as amended by chapter 102 of the  
24 laws of 2012, is amended to read as follows:

25 § 15. Reporting by commissioner and use of reports. 1. The commis-  
26 sioner shall create a procedure under which [~~material~~] relevant inci-  
27 dents of harassment, bullying and discrimination on school grounds [~~or~~],  
28 at a school function, or through any form of electronic communication  
29 are reported to the department at least on an annual basis. Such proce-  
30 dure shall provide that such reports shall [~~, wherever possible,~~] also  
31 delineate the specific nature of such incidents of harassment, bullying  
32 or coercive control and discrimination, [~~provided that the commissioner~~  
33 ~~may comply with the requirements of this section through use of the~~  
34 ~~existing uniform violent incident reporting system~~] including, but not  
35 limited to, whether an incident constituted harassment, bullying, coer-  
36 cive control, cyberbullying, discrimination or any combination thereof;  
37 whether an incident involved a student, school employee, school coach or  
38 school board member or trustee aggressor and whether such aggressor  
39 acted individually or in a group; the school's response to such inci-  
40 dent; whether a targeted student withdrew from school or relocated  
41 schools within the current or immediately subsequent school year follow-  
42 ing a report of an incident; and the total number of reports dismissed  
43 and the resolution for each. Notwithstanding any provision in this arti-  
44 cle to the contrary, effective resolution of an incident does not negate  
45 the district's obligation to report it to the department. In addition,  
46 the department [~~may conduct research or~~] shall request the comptroller  
47 to undertake studies to determine compliance throughout the state with  
48 the provisions of this article.

49 2. The commissioner shall use such reports and data to identify  
50 schools and districts that may benefit from assistance to meet the stan-  
51 dards and objectives of this article. The commissioner shall promulgate  
52 policies and procedures for improving conditions at these schools to  
53 ensure proper training, support, and compliance with all requirements.

54 3. The commissioner shall deliver the report referenced in subdivision  
55 one of this section to the temporary president of the senate, speaker of  
56 the assembly, minority leader of the senate, minority leader of the

1 assembly, chair and ranking member of the senate education committee and  
2 chair and ranking member of the assembly education committee every two  
3 years on or before the first day of November.

4 § 7. Section 16 of the education law, as amended by chapter 102 of the  
5 laws of 2012, is amended to read as follows:

6 § 16. Protection of people who report harassment, bullying, coercive  
7 control or discrimination. Any person having reasonable cause to suspect  
8 that a student has been subjected to harassment, bullying, coercive  
9 control or discrimination, by an employee, school coach, school board  
10 member or trustee or student, on school grounds [~~or~~], at a school func-  
11 tion or through any form of electronic communication, who, acting  
12 reasonably and in good faith, reports such information to school offi-  
13 cials, to the commissioner or to law enforcement authorities, acts in  
14 compliance with paragraph e or i of subdivision one of section thirteen  
15 of this article, or otherwise initiates, testifies, participates or  
16 assists in any formal or informal proceedings under this article, shall  
17 have immunity from any civil liability that may arise from the making of  
18 such report or from initiating, testifying, participating or assisting  
19 in such formal or informal proceedings, and no school district [~~or~~],  
20 employee, school coach, or school board member or trustee shall take,  
21 request or cause a retaliatory action against any such person who,  
22 acting reasonably and in good faith, either makes such a report or  
23 initiates, testifies, participates or assists in such formal or informal  
24 proceedings.

25 § 8. The education law is amended by adding a new article 2-B to read  
26 as follows:

27 ARTICLE 2-B  
28 STUDENT SUICIDE PREVENTION

29 Section 24. Legislative intent.

30 25. Definitions.

31 26. Policies, procedures, and guidelines.

32 27. Reporting.

33 28. Application.

34 29. Severability and construction.

35 § 24. Legislative intent. The legislature finds and declares the  
36 following:

37 1. According to data from the National Center for Health Statistics,  
38 suicide remains a critical issue. In two thousand twenty-one suicide was  
39 the second leading cause of death for youth and young adults ten to  
40 twenty-four years of age, inclusive, in both the United States and in  
41 New York state.

42 2. As children and teens spend a significant amount of their young  
43 lives in school, the personnel who interact with them on a daily basis  
44 are essential gatekeepers for recognizing warning signs of suicide and  
45 making the appropriate referrals for help.

46 3. In a national survey conducted by the Jason Foundation, a teacher  
47 was identified as the number one person to whom a student would turn to  
48 help a friend who might be suicidal. It is imperative that when a young  
49 person comes to a teacher for help, such teacher has the knowledge,  
50 tools, and resources to respond correctly.

51 4. In the year two thousand eighteen, the federal centers for disease  
52 control and prevention found in its Youth Risk Behavior Survey that  
53 lesbian, gay, and bisexual youth are almost four times more likely to  
54 seriously consider attempting suicide, have made a suicide plan, or have  
55 attempted suicide, than their heterosexual peers. In the two thousand

1 twenty-four Trevor Project National Survey, thirty-nine percent of  
2 lesbian, gay, bisexual, transgender, queer or questioning (LGBTQ) youth  
3 seriously considered attempting suicide in the past year, and twelve  
4 percent attempted suicide.

5 5. There are national hotlines available to help adults and youth,  
6 including LGBTQ youth, who are experiencing suicidal ideation or who are  
7 worried about a family member or peer who may be at risk, including the  
8 National Suicide Prevention Lifeline, the Crisis Text Line, the Trevor  
9 Project Lifeline, and TrevorChat.

10 6. According to the Family Acceptance Project, research has found  
11 that, for an LGBTQ youth, having at least one supportive adult can  
12 reduce the youth's risk of suicide.

13 7. New York state schools face the serious issues of students at high  
14 risk of suicide and death by suicide in the school communities. School  
15 personnel must be supported by clear policies and procedures, which  
16 serve as an easily-accessible roadmap, eliminate confusion over educator  
17 roles and the referral process, and equip educators with the tools to  
18 respond safely when a suicide does occur in the school community.

19 § 25. Definitions. For the purposes of this article, the following  
20 terms shall have the following meanings:

21 1. "Crisis situation" means a situation where a teacher or other local  
22 educational agency employee believes a student or other individual is in  
23 imminent danger of a suicide attempt.

24 2. "LGBTQ" means individuals who identify, with regards to gender, as  
25 being lesbian, gay, bisexual, transgender, queer, or questioning.

26 3. "Local educational agency" means a school district, board of coop-  
27 erative educational services, school, or the education department.

28 4. "Suicide intervention" means specific actions schools can take in  
29 response to suicidal behavior by a student, including, but not limited  
30 to:

31 a. student supervision;

32 b. notification of parents or guardians;

33 c. crisis situation response protocols;

34 d. when and how to request an immediate mental health assessment or  
35 emergency services; and

36 e. school re-entry procedures following a student mental health  
37 crisis.

38 5. "Suicide postvention" means planned support and interventions  
39 schools can implement after a suicide attempt or suicide death of a  
40 member of the school community that are designed to:

41 a. reduce the risk of the spread of suicidal thoughts or intentions;

42 b. provide support for affected students and school-based personnel;

43 c. address the social stigma associated with suicide; and

44 d. disseminate factual information about suicide and its prevention.

45 6. "Suicide prevention" means specific actions schools can take to  
46 recognize and reduce suicidal behavior, including, but not limited to:

47 a. identifying risks and protective factors for suicide and suicide  
48 warning signs;

49 b. establishing a process by which students are referred to a mental  
50 and behavioral health provider for help;

51 c. making available school-based and community-based mental health  
52 supports;

53 d. providing the location of available online and community suicide  
54 prevention resources, including local crisis centers and hotlines;

1 e. adopting policies and protocols regarding suicide prevention,  
2 intervention, and postvention, school safety, and response to crisis  
3 situations;

4 f. training for school personnel who interact directly with students  
5 in recognizing suicide risks and warning signs and how to refer students  
6 for further assessment and evaluation; and

7 g. instruction to students in problem-solving and coping skills to  
8 promote students' mental, emotional, and social health and well-being,  
9 and instruction in recognizing and appropriately responding to signs of  
10 suicidal intent in others.

11 7. "Mechanical restraints" means any device that restricts an individ-  
12 ual's freedom of movement and that the individual cannot easily remove,  
13 including but not limited to handcuffs and nylon or velcro restraints.

14 § 26. Policies, procedures, and guidelines. 1. The governing board or  
15 body of every local educational agency that serves students in grades  
16 seven to twelve, inclusive, shall, before the first day of August, two  
17 thousand twenty-seven, adopt policies, procedures, and guidelines on  
18 student suicide prevention, intervention, and postvention for students  
19 in such grades. Such policies, procedures, and guidelines shall be  
20 developed in consultation with school and community stakeholders,  
21 school-employed mental health professionals, and suicide prevention  
22 experts, and shall include, but not be limited to:

23 a. methods to increase awareness of the relationship between suicide  
24 and suicide risk factors, including, but not limited to:

25 i. mental health and substance use conditions;

26 ii. childhood abuse, neglect, or trauma;

27 iii. prolonged stress, including individual experiences such as bully-  
28 ing, harassment, coercive control, family or relationship stress, or
