AN ACT to amend the retirement and social security law, in relation to obtaining military service credit for members of the New York state and local police and fire retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 9 of section 1000 of the retirement and social  
2 security law, as amended by chapter 41 of the laws of 2016, is amended  
3 to read as follows:

4 9. (a) Anything to the contrary in subdivision three of this section  
5 notwithstanding, to obtain such credit, a member who first joins a  
6 public retirement system of the state on or after April first, two thou-  
7 sand twelve shall pay such retirement system, for deposit in the fund  
8 used to accumulate employer contributions, a sum equal to the product of  
9 the number of years of military service being claimed and six percent of

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD08377-02-5

This bill would decrease the payment required by Tier 6 members of the New York State and Local Police and Fire Retirement System (NYSLPFRS) when purchasing military service credit pursuant to Section 1000 of the Retirement and Social Security Law. For applications received on or after April 1, 2026, Tier 6 members would pay 3% of their last 12-months compensation for each year of military service claimed. Currently, Tier 6 members must pay 6% of compensation.

Insofar as this bill affects NYSLPFRS, if enacted during the 2025 Legislative Session, the cost shared by the State of New York and local participating employers would increase by approximately 3% of the member's compensation for each year of additional service that is purchased.

The exact number of current members as well as future members who could be affected by this legislation cannot be readily determined.
