2025-2026 Regular Sessions

IN ASSEMBLY

April 24, 2025

Introduced by M. of A. KASSAY -- read once and referred to the Committee on Higher Education

AN ACT in relation to authorizing the lease of certain lands for the purpose of building undergraduate student, graduate student, faculty and staff housing

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds and declares
2 that the state university of New York at Stony Brook ("Stony Brook") is
3 one of the State's flagship universities with hundreds of millions of
4 dollars in federal research, is the region's largest on-site employer,
5 and, through Stony Brook Medicine, is Suffolk County's safety-net
6 provider. Stony Brook consists of two academic campuses, four hospitals,
7 over two hundred clinical outpatient facilities, and the Long Island
8 State Veterans Home. Stony Brook is poised to grow both its student
9 enrollment and its workforce but is limited due to a lack of housing
10 opportunities. In fact, the single greatest issue Stony Brook has across
11 its system in recruiting and retaining students, faculty and staff is
12 the lack of student and workforce housing.

13 The legislature finds that Stony Brook seeks to use approximately 17
14 acres of underutilized land on its Stony Brook campus to build multi-
15 purpose facilities to support housing needs and supporting amenities
16 (including but not limited to food and dining options, parking and
17 fitness centers) for the university's undergraduate and graduate
18 students, as well as junior faculty and certain university employees.
19 It is expected that up to 1,900 beds would be made available for Stony
20 Brook students and employees. By providing more housing options for the
21 Stony Brook community, it will provide greater options for students and
22 faculty with young families to move into the area, and help us retain
23 those students and employees already here but commuting long distances
24 to school and work. The legislature further finds that granting the

5 § 2. Notwithstanding any other law to the contrary, the state univer-
6 sity trustees are hereby authorized and empowered, without any public
7 bidding, to lease and otherwise contract to make available to the Stony
8 Brook Housing Development Corp. (the "ground lessee"), a portion of the
9 lands of the university on its campus, generally described in this act
10 for the purpose of building undergraduate student, graduate student,
11 faculty and staff housing. Such lease or contract shall be for a period
12 not exceeding 100 years without any fee simple conveyance and otherwise
13 upon terms and conditions determined by such trustees, subject to the
14 approval of the director of the division of the budget, the attorney
15 general and the state comptroller. If the real property that is the
16 subject of such lease or contract shall cease to be used for the purpose
17 described in this act, such lease or contract shall immediately termi-
18 nate, and the real property and any improvements thereon shall revert to
19 the state university of New York. Any lease or contract entered into
20 pursuant to this act shall provide that the real property that is the
21 subject of such lease or contract and any improvements thereon shall
22 revert to the state university of New York on the expiration of such
23 contract or lease.

24 § 3. Any contract or lease entered into pursuant to this act shall be
25 deemed to be a state contract for purposes of article 15-A of the execu-
26 tive law, and any contractor, subcontractor, lessee or sublessee enter-
27 ing into such contract or lease for the construction, demolition, recon-
28 struction, excavation, rehabilitation, repair, renovation, alteration or
29 improvement authorized pursuant to this act shall be deemed a state
30 agency for the purposes of article 15-A of the executive law and subject
31 to the provisions of such article.

32 § 4. Notwithstanding any general, special or local law or judicial
33 decision to the contrary, all work performed on a project authorized by
34 this act where all or any portion thereof involves a lease or agreement
35 for construction, demolition, reconstruction, excavation, rehabili-
36 tation, repair, renovation, alteration or improvement shall be deemed
37 public work and shall be subject to and performed in accordance with the
38 provisions of article 8 of the labor law to the same extent and in the
39 same manner as a contract of the state, and compliance with all the
40 provisions of article 8 of the labor law shall be required of any
41 lessee, sublessee, contractor or subcontractor on the project, including
42 the enforcement of prevailing wage requirements by the fiscal officer as
43 defined in paragraph e of subdivision 5 of section 220 of the labor law
44 to the same extent as a contract of the state.

45 § 5. Notwithstanding any law, rule or regulation to the contrary, the
46 state university of New York shall not contract out to the ground lessee
47 or any subsidiary for the instruction or any pedagogical functions or
48 services, or any administrative services, and similar professional
49 services currently being performed by state employees. All such func-
50 tions and services shall be performed by state employees. Nothing in
51 this act shall result in the displacement of any currently employed
52 state worker or the loss of position (including partial displacement
53 such as reduction in the hours of non-overtime, wages or employment
54 benefits), or result in the impairment of existing contracts for
55 services or collective bargaining rights pursuant to existing agreements
56 as provided under article 14 of the civil service law. All positions

1 currently at the state university of New York in the unclassified
2 service and classified service of the civil service law shall not be
3 reclassified as a result of this Act. No pedagogical or other services
4 or work on the property described in this act currently performed by
5 public employees or future work that is similar in scope and nature to
6 the work being currently performed by public employees shall be
7 contracted out or privatized by the state university of New York or by
8 an affiliated entity or associated entity of the state university of New
9 York. All such future work shall be performed by public employees.

10 § 6. For the purposes of this act:

11 (a) "project" shall mean work at the property authorized by this act
12 to be leased to the ground lessee as described in section twelve of this
13 act that involves the design, construction, reconstruction, demolition,
14 excavating, rehabilitation, repair, renovation, alteration or improve-
15 ment of such property.

16 (b) "project labor agreement" shall mean a pre-hire collective
17 bargaining agreement between a contractor and a labor organization,

21 negotiated agreement with the labor organization can perform project
22 work.

23 § 7. Nothing in this act shall be deemed to waive or impair any rights
24 or benefits of employees of the state university of New York that other-
25 wise would be available to them pursuant to the terms of agreements
26 between the certified representatives of such employees and the state of
27 New York pursuant to article 14 of the civil service law; all work
28 performed on such property that ordinarily would be performed by employ-
29 ees subject to article 14 of the civil service law shall continue to be
30 performed by such employees.

31 § 8. Notwithstanding the provisions of any general, special, or local
32 law or judicial decision to the contrary, the ground lessee shall
33 require the use of a project labor agreement, as defined in subdivision
34 1 of section 222 of the labor law, for all contractors and subcontrac-
35 tors on the project, consistent with paragraph (a) of subdivision 2 of
36 section 222 of the labor law.

37 § 9. Without limiting the determination of the terms and conditions of
38 such contracts or leases, such terms and conditions may provide for
39 leasing, subleasing, construction, reconstruction, rehabilitation,
40 improvement, operation and management of and provision of services and
41 assistance and the granting of licenses, easements and other arrange-
42 ments with regard to such grounds and facilities by the ground lessee,
43 and parties contracting with the ground lessee, and in connection with
44 such activities, the obtaining of funding or financing, whether public
45 or private, unsecured or secured, including, but not limited to, secured
46 by leasehold mortgages and assignments of rents and leases, by the
47 ground lessee and parties contracting with the ground lessee for the
48 purposes of completing the project described in this act.

49 § 10. Such lease shall include an indemnity provision whereby the
50 lessee or sublessee promises to indemnify, hold harmless and defend the
51 lessor against all claims, suits, actions, and liability to all persons
52 on the leased premises, including tenant, tenant's agents, contractors,
53 subcontractors, employees, customers, guests, licensees, invitees and
54 members of the public, for damage to any such person's property, whether
55 real or personal, or for personal injuries arising out of tenant's use
