FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow the Town of Southold to reopen the provisions of Section 384-d, together with §384-e, of the Retirement and Social Security Law for police officers Frank Lyburd III, Brian McNamara, Peter J. Jacobs, Roman S. Wilinski, Alex U. Chenche, and Tara T. Desposito.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$110,000 in the annual contributions of the Town of Southold for the fiscal year ending March 31, 2026. In future years this cost will vary but is expected to average 9.1% of salary annually.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$1.45 million which will be borne by the Town of Southold as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If the Town of Southold elects to amortize this cost over a 5-year period, the cost for each year including interest would be \$324,000.

These estimated costs are based on six affected members employed by the Town of Southold, with annual salary of approximately \$849,000 as of March 31, 2024.
