## IN ASSEMBLY

May 5, 2025

Introduced by M. of A. GIGLIO -- read once and referred to the Committee on Governmental Employees

AN ACT granting retroactive membership in the New York state and local employees' retirement system to Michael Posillico

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other law to the contrary, Michael  
2 Posillico, a member of the New York State and Local Police and Fire  
3 Retirement System, who was employed as a park attendant/dockworker by  
4 the town of Brookhaven as of May 6, 2002, who for reasons not ascribable  
5 to his own negligence, failed to become a member of the New York state  
6 and local employees' retirement system during such employment in the  
7 town of Brookhaven, shall be deemed to have joined the New York state  
8 and local employees' retirement system on May 6, 2002, and shall be  
9 granted Tier IV status in such retirement system, if, within one year of  
10 the effective date of this act, he shall file a written request with the  
11 state comptroller.

12 § 2. All past service costs of implementing the provisions of this act  
13 shall be borne by the state of New York.

14 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide Michael Posillico with a date of membership of May 6, 2002, their date of first employment with the Town of Brookhaven, resulting in Tier 2 status in the New York State and Local Police and Fire Retirement System. Michael Posillico is currently a Tier 5 member employed by Suffolk County. Member contributions will be refunded.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$9,000 in the annual contributions of Suffolk County for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Michael Posillico change.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD10726-02-5

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$58,700 which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2026.
