Introduced by M. of A. BURKE -- read once and referred to the Committee on Governmental Employees

AN ACT to authorize James Unger to receive certain credit under section 384-d of the retirement and social security law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, James Unger,
2 currently a town of West Seneca police officer and member of the New
3 York state and local police and fire retirement system covered by
4 section 384-d of the retirement and social security law, who between
5 January 21, 2003 and September 6, 2006 was employed by the Erie county
6 sheriff's department where he was a member of the New York state and
7 local employees' retirement system, and who, for reasons not ascribable
8 to his own negligence, was not granted service credit under section
9 384-d of the retirement and social security law for his period of
10 employment with the Erie county sheriff's department, shall be granted
11 such service credit under section 384-d of the retirement and social
12 security law and shall be entitled to the full rights and benefits asso-
13 ciated with coverage under such section, provided a request to that
14 effect is filed with the state comptroller within one year from the
15 effective date of this act. Prior to James Unger submitting such
16 request, he must first file an application for tier reinstatement with
17 the New York state and local police and fire retirement system, as he
18 has previously withdrawn his membership with the New York state and
19 local employees' retirement system. Once any costs associated with James
20 Unger's tier reinstatement to his prior membership are paid in full by
21 him, he may be granted the service credit and such service credit will
22 be creditable service under section 384-d of the retirement and social
23 security law for James Unger.

24 § 2. All past service costs incurred in implementing the provisions of
25 this act shall be borne by the town of West Seneca.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD07024-02-5

1 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant service credit under section 384-d, together with section 384-e, of the Retirement and Social Security Law to James Unger, a Tier 2 member of the New York State and Local Police and Fire Retirement System (NYSLPFRS) employed by the Town of West Seneca, for the period January 21, 2003 through September 6, 2006, during which time they were employed as a deputy sheriff in Erie County. Currently, deputy sheriff service is not creditable in a NYSLPFRS twenty-year retirement plan.

This bill will not increase the future annual contributions of the Town of West Seneca.

In addition to the annual contributions discussed above, if this bill is enacted during the 2025 Legislative Session, there will be an immediate past service cost of approximately \$176,000 which will be borne by the Town of West Seneca as a one-time payment. This estimate assumes that payment will be made on February 1, 2026.

James Unger must complete and file an application for tier reinstatement with NYSLPFRS for service credit to be granted.
