Introduced by M. of A. WIEDER -- read once and referred to the Committee on Governmental Employees

AN ACT in relation to to authorizing the county of Rockland to offer an optional twenty year retirement plan to Matthew Donovan, a deputy sheriff employed by such county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 the county of Rockland, a participating employer in the New York state
3 employees' retirement system, which has elected to offer the optional
4 twenty year retirement plan, established pursuant to article 14-B of the
5 retirement and social security law, to deputy sheriffs employed by such
6 county, is hereby authorized to make participation in such plan avail-
7 able to Matthew Donovan, a deputy sheriff employed by the county of
8 Rockland with a start date of August 1, 2020, who, through no fault of
9 his own, was not enrolled to participate in such optional twenty year
10 plan contained in article 14-B of the retirement and social security
11 law. The county of Rockland may so elect by filing with the state comp-
12 troller, on or before 180 days after this act shall have become a law, a
13 resolution of its governing body together with certification that such
14 deputy sheriff did not bar themselves from participation in the retirement
15 plan as a result of their own negligence. Thereafter, such deputy sher-
16 iff may individually elect to be covered by the provisions of sections
17 552 and 553 of the retirement and social security law, and the retire-
18 ment system shall credit service from August 1, 2020 to present under
19 sections 552 and 553 of the retirement and social security law. Such
20 member may effectuate by filing an election with the retirement system
21 within one year of the effective date of this act.

1 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Matthew Donovan, a current member of the New York State and Local Employees' Retirement System employed as a deputy sheriff by Rockland County and covered under the 25-year retirement plan of Section 89-p of the Retirement and Social Security Law (RSSL), to elect to be covered under the 20-year plan of Section 552 and Section 553 of the RSSL.

If this bill is enacted during the 2025 Legislative Session, we anticipate that there will be an increase of approximately \$14,000 in the annual contributions of Rockland County for the fiscal year ending March 31, 2026. In future years this cost will vary as the billing rates and salary of Matthew Donovan change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$174,000 which will be borne by Rockland County as a one-time payment. This estimate assumes that payment will be made on February 1, 2026. If Rockland County elects to amortize this cost over a 5-year period, the cost for each year including interest would be \$38,800.
