31 (iii) The commissioner shall certify no payment to a school district
32 based on a claim submitted later than three years after the close of the
33 school year in which such payment was first to be made. For claims for
34 which payment is first to be made in the nineteen hundred ninety-six--
35 ninety-seven school year, the commissioner shall certify no payment to a
36 school district based on a claim submitted later than two years after
37 the close of such school year. For claims for which payment is first to
38 be made in the nineteen hundred ninety-seven--ninety-eight school year
39 and thereafter, the commissioner shall certify no payment to a school
40 district based on a claim submitted later than one year after the close
41 of such school year. Provided, however, no payments shall be barred or
42 reduced where such payment is required as a result of a final audit of
43 the state. It is further provided that, until June thirtieth, nineteen

55 is based on a claim that results from a court order or judgement so
56 filed with the comptroller unless the total value of such claim, as

1 determined by the commissioner, is greater than one percent of the
2 school district's total revenues from state sources as previously
3 recorded in the general fund and reported to the comptroller in the
4 annual financial report of the school district for such school year.

5 c. Payment of moneys due for prior years. State aid payments due for

8 the appropriation designated therefor provided, however, that each
9 eligible claim shall be payable in the order that it has been approved
10 for payment by the commissioner, but in no case shall a single claim
11 draw down more than forty percent of the appropriation so designated for
12 a single year, and provided further that no claim shall be set aside for
13 insufficiency of funds to make a complete payment, but shall be eligible
14 for a partial payment in one year and shall retain its priority date
15 status for appropriations designated for such purposes in future years.

16 Beginning July first, two thousand twenty-six state aid payments for
17 prior years in accordance with the provisions of this subdivision shall
