

STATE OF NEW YORK

2025-2026 Regular Sessions

IN ASSEMBLY

June 9, 2025

Introduced by M. of A. BORES -- (at request of the Department of Financial Services) -- read once and referred to the Committee on Ways and Means

AN ACT to amend the financial services law, in relation to prohibited unlicensed activities

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that it is
2 essential to the protection of users of financial products and services
3 from imprudent conduct and harmful business practices in the financial
4 services marketplace that all persons offering financial products and
5 services in New York State be sufficiently deterred from disregarding
6 the laws and regulations governing the offering of financial products or
7 services, regardless of whether they are properly licensed or authorized
8 otherwise to do business. Furthermore, to ensure that the business of,
9 and the persons providing, financial products and services are appropri-
10 ately supervised, the law should not advantage persons who disregard
11 such requirements. Currently, as to engagement in many activities for
12 which a license or other authorization from the superintendent of finan-
13 cial services is required by the banking law or financial services law
14 or the regulations promulgated thereunder, an unlicensed or otherwise
15 unauthorized person not exempt from licensing or other authorization is
16 not subject to civil monetary penalty for acts that would constitute
17 violations subject to penalty if the person were licensed or otherwise
18 authorized. This act provides that persons engaged in activity for which
19 a license or other authorization from the superintendent of financial
20 services is required under the banking law or financial services law
21 will be subject to a civil penalty for conducting such activity in a
22 manner inconsistent with the law, regardless of whether such person is
23 licensed or otherwise authorized to do such activity.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

7 the banking law for any violation of the banking law.

9 requirements of this chapter or the regulations promulgated thereunder
10 shall be the same as the penalty provided for in section four hundred
11 eight of this article for violations of this chapter or the regulations
12 promulgated thereunder. However, the superintendent shall not impose or
13 collect any penalty for a prohibited unlicensed act pursuant to this
14 paragraph if the superintendent imposes or collects any penalty pursuant
15 to paragraph one of this subsection or paragraphs two or three of
16 subsection (a) of section four hundred eight of this article for the
17 same act or omission.
