Introduced by M. of A. LASHER -- read once and referred to the Committee on Ways and Means

AN ACT to amend the tax law, in relation to establishing a tax credit for the purchase of new and used electric vehicles

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 210-B of the tax law is amended by adding a new  
2 subdivision 61 to read as follows:

3 61. Credit for purchase of electric vehicles. (a) A taxpayer shall be  
4 allowed a credit for taxable years beginning on or after January first,  
5 two thousand twenty-six against the tax imposed by this article for the  
6 purchase of new and used electric vehicles. The total amount of the  
7 credit for the purchase of a new electric vehicle shall be seven thou-  
8 sand five hundred dollars. The total amount of the credit for the  
9 purchase of a used electric vehicle shall be four thousand dollars.

10 (b) For the purposes of this subdivision, the term "electric vehicles"  
11 shall mean motor vehicles, as defined by section one hundred twenty-five  
12 of the vehicle and traffic law, which are propelled by electric motors  
13 using electric energy stored in batteries or other energy storage  
14 devices. For the purposes of this subdivision, "electric vehicles" shall  
15 not include electric personal assistive mobility devices as defined by  
16 section one hundred fourteen-d of the vehicle and traffic law.

17 (c) If the amount of credit allowable under this subdivision shall  
18 exceed the taxpayer's tax for such year, the excess may be carried over  
19 to the following year or years and may be deducted from the taxpayer's  
20 tax for such year or years.

21 (d) If all or any part of the credit provided for under this subdivi-  
22 sion was allowed or carried over from a prior taxable year or years, a  
23 taxpayer shall reduce the allowable credit for additional qualifying  
24 expenditures in a subsequent tax year by the amount of the credit previ-  
25 ously allowed or carried over; provided however that a credit previously  
26 allowed or carried over from a prior taxable year or years shall not be  
27 taken into account in determining the allowable credit for the purchase  
28 of a new or used electric vehicle.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

(e) For the purpose of determining the amount of the actual expenditure incurred in the purchasing of a new or used electric vehicle, the amount of any federal, state or local grant received by the taxpayer, which was used for the purchase and which was not included in the gross income of the taxpayer, shall not be taken into account.

§ 2. Section 606 of the tax law is amended by adding a new subsection (g-3) to read as follows:

(g-3) Credit for electric vehicles. (1) A taxpayer shall be allowed a credit for taxable years beginning on or after January first, two thousand twenty-six against the tax imposed by this article for the purchase of new and used electric vehicles. The total amount of the credit for the purchase of a new electric vehicle shall be seven thousand five hundred dollars. The total amount of the credit for the purchase of a used electric vehicle shall be four thousand dollars.

(2) For the purposes of this subsection the term "electric vehicles" shall mean motor vehicles, as defined by section one hundred twenty-five of the vehicle and traffic law, which are propelled by electric motors using electric energy stored in batteries or other energy storage devices. For the purposes of this subsection, "electric vehicles" shall not include electric personal assistive mobility devices as defined by section one hundred fourteen-d of the vehicle and traffic law.

(3) If the amount of credit allowable under this subsection shall exceed the taxpayer's tax for such year, the excess may be carried over to the following year or years and may be deducted from the taxpayer's tax for such year or years.

(4) If all or any part of the credit provided for under this subsection was allowed or carried over from a prior taxable year or years, a taxpayer shall reduce the allowable credit for additional qualifying expenditures in a subsequent tax year by the amount of the credit previously allowed or carried over; provided however that a credit previously allowed or carried over from a prior taxable year or years shall not be taken into account in determining the allowable credit for the purchase of a new or used electric vehicle.

(5) For the purpose of determining the amount of the actual expenditure incurred in the purchasing of a new or used electric vehicle, the amount of any federal, state or local grant received by the taxpayer, which was used for the purchase of such electric vehicle and which was not included in the gross income of the taxpayer, shall not be taken into account.

§ 3. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (lii) to read as follows:

<u>(lii) Credit for</u>	<u>Amount of credit</u>
<u>electric</u>	<u>under subdivision</u>
<u>vehicles</u>	<u>sixty-one of section</u>
<u>under subsection</u>	<u>two hundred ten-B</u>
<u>(g-3)</u>	

§ 4. This act shall take effect on the one hundred twentieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made on or before such date.
