§ 3. The plot description in section two of this act is not intended to be a legal description but is intended to identify the parcel to be conveyed. As a condition of the transfer, Warren County may submit to the commissioner of general services, for such commissioner's approval, an accurate survey and description of the lands to be conveyed, which may be used in the conveyance thereof.

§ 4. The office of general services shall not transfer or convey the aforesaid land unless application is made to the office of general

services by Warren County within 1 year after the effective date of this act. Such application shall be in the form of a resolution setting forth a comprehensive statement approved by its managing board acknowledging and accepting the use restrictions set forth in section five of this act.

§ 5. The transfer and conveyance made pursuant to this act shall be subject to the following use restrictions and reverter:

(a) The land described in section two of this act shall be used exclusively for the public purposes set forth by the county of Warren, including, but not limited to, agency training, emergency communications, operational deployments, emergency response, and secure storage. Nothing in this section shall restrict the county of Warren from cooperating and coordinating with other municipalities;

(b) The conveyance of the land described in this act shall contain a covenant and restriction requiring that the land be used for the purposes set forth in subdivision (a) of this section. In the event the premises are not accepted and/or used for such purposes, it shall revert to the state of New York;

(c) The closing shall be completed within 3 years after the effective date of this act; and

(d) This property shall not be transferred to or conveyed at any time to any owner other than the county of Warren or the state of New York.

§ 6. The conveyance described in this act requires the county of Warren to enter into an agreement with the New York State division of homeland security and emergency services to allow for the continued use, operation and maintenance of a state-owned antenna and communication equipment on and within a building, commonly known as 5 Fox Farm Road, located within such conveyance.

§ 7. This act shall take effect immediately.
