2 services law, as amended by a chapter of the laws of 2025 amending the
3 social services law relating to the administration of the statewide
4 central register of child abuse and maltreatment, as proposed in legis-
5 lative bills numbers S. 550-A and A. 66-A, is amended to read as
6 follows:
7 (a) The central register shall be capable of receiving telephone calls
8 alleging child abuse or maltreatment and of immediately identifying
9 prior reports of child abuse or maltreatment and capable of monitoring
10 the provision of child protective service twenty-four hours a day, seven
11 days a week. To effectuate this purpose, but subject to the provisions
12 of the appropriate local plan for the provision of child protective
13 services, there shall be a single statewide telephone number that all
14 persons, whether mandated by the law or not, may use to make telephone
15 calls alleging child abuse or maltreatment and that all persons so
16 authorized by this title may use for determining the existence of prior
17 reports in order to evaluate the condition or circumstances of a child.
18 In addition to the single statewide telephone number, there shall be a
19 special unlisted express telephone number and a telephone facsimile
20 number for use only by persons mandated by law to make telephone calls,

1 determining the existence of prior reports in order to evaluate the
2 condition or circumstances of a child. When any allegations contained in
3 such telephone calls could reasonably constitute a report of child abuse
4 or maltreatment, after utilizing protocols that would reduce implicit
5 bias from the decision-making process, such allegations, the caller's
6 name pursuant to paragraph (d) of this subdivision, the caller's contact
7 information pursuant to paragraph (d) of this subdivision and any previ-
8 ous reports to the central registry involving the subject of such report
9 or children named in such report, including any previous report contain-
10 ing allegations of child abuse and maltreatment alleged to have occurred
11 in other counties and districts in New York state shall be immediately
12 transmitted orally or electronically by the office of children and fami-
13 ly services to the appropriate local child protective service for inves-
14 tigation. The inability of the person calling the register to identify
15 the alleged perpetrator shall, in no circumstance, constitute the sole
16 cause for the register to reject such allegation or fail to transmit
17 such allegation for investigation. If the records indicate a previous
18 report concerning a subject of the report, the child alleged to be
19 abused or maltreated, a sibling, other children in the household, other
20 persons named in the report or other pertinent information, the appro-
21 priate local child protective service shall be immediately notified of
22 the fact. If the report involves either (i) an allegation of an abused
23 child described in paragraph (i), (ii) or (iii) of subdivision (e) of
24 section one thousand twelve of the family court act or sexual abuse of a
25 child or the death of a child or (ii) suspected maltreatment which
26 alleges any physical harm when the report is made by a person required
27 to report pursuant to section four hundred thirteen of this title within
28 six months of any other two reports that were indicated, or may still be
29 pending, involving the same child, sibling, or other children in the
30 household or the subject of the report, the office of children and fami-
31 ly services shall identify the report as such and note any prior reports
32 when transmitting the report to the local child protective services for
33 investigation.

34 § 2. Paragraphs (d) and (e) of subdivision 2 of section 422 of the
35 social services law, as added by a chapter of the laws of 2025 amending

53 ~~administrative law judge or a court of competent jurisdiction; provided,~~
54 ~~however, that this provision shall not apply to individuals who are~~
55 ~~mandated to report suspected child abuse or maltreatment pursuant to~~
56 ~~section four hundred thirteen of this title. Prior to the entry of any~~

1 ~~such order, the petitioner or social services official may move for a~~
2 ~~protective order to withhold the identity of such individual if such~~
3 ~~disclosure is likely to endanger the life or health of the person~~
4 ~~reporting such suspected child abuse or maltreatment.]~~

5 (e) If a caller declines to provide their name and contact informa-
6 tion, [~~they will be connected~~] the central register must connect the
7 caller with a supervisor [~~at the central register~~], who [~~will~~] shall
8 inform the caller of the statutory provisions that protect callers'
9 confidentiality. If the caller, including a caller reasonably believed
10 to be a child under the age of eighteen, declines to provide their name

13 ~~addressed through support services if the caller contacts the depart-~~

18 ingly reporting false[~~,—retaliatory~~] or baseless allegations is a
19 violation of subdivision four of section 240.50 of the penal law.

22 register of child abuse and maltreatment, as proposed in legislative
23 bills numbers S. 550-A and A. 66-A, is amended to read as follows:
