IN ASSEMBLY

January 15, 2026

Introduced by M. of A. STECK -- read once and referred to the Committee on Governmental Employees

AN ACT in relation to granting retroactive membership with Tier IV status in the New York state and local employees' retirement system to Philip Apruzzese

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Philip Apruzzese, who was employed by the town of Yorktown with a start
3 date of June 25, 2001, and who is currently a member of the New York
4 state and local employees' retirement system, who through no fault of
5 his own did not become a member of the New York state and local employ-
6 ees' retirement system on June 25, 2001 when he first became eligible
7 for membership in such system, shall be deemed to have been a member of
8 the New York state and local employees' retirement system on such date
9 he commenced his employment and shall be granted Tier IV status,
10 provided that an application is filed with the head of the New York
11 state and local employees' retirement system within one year from the
12 effective date of this act. Upon granting of such retroactive member-
13 ship, Philip Apruzzese shall not be granted a refund of any employee
14 contribution made by him to the New York state and local employees'
15 retirement system.

16 § 2. All past service costs associated with the implementation of this
17 act shall be borne by the Town of Yorktown.

18 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant Tier 4 status in the New York State and Local Employees' Retirement System to Philip Apruzzese, a current Tier 5 member employed by the Department of Law, by changing their date of membership to June 25, 2001, their first date of employment with the town of Yorktown.

There will be no refund of member contributions.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD14068-02-6

We estimate that the Department of Law's annual contributions will increase \$4,600 beginning FYE 2027. Annual costs will vary as the billing rates and salary of Philip Apruzzese change.

In addition, there will be an immediate past service cost of \$147,000 borne by the town of Yorktown as a one-time payment. This cost assumes that payment will be made on February 1, 2027.
