8 commencement of the period of disability. Additional proof shall be  
9 furnished thereafter from time to time as the employer or carrier or

24 proof is furnished unless it shall be shown to the satisfaction of the  
25 chair not to have been reasonably possible to furnish such notice or  
26 proof and that such notice or proof was furnished as soon as possible;  
27 provided, however, that no benefits shall be paid unless the required

19 of the laws of 2023, are amended to read as follows:

20 16. Notwithstanding any inconsistent provision of this section, the  
21 department may adopt regulations to allow the taking of big game or  
22 small game by the use of a long bow equipped with a mechanical device  
23 for holding and releasing the bowstring, attached to the handle section  
24 of an otherwise legal long bow, to any person with a physical disability  
25 who is physically incapable of drawing and holding a long bow because of

33 defined in department regulation. The department is authorized to adopt  
34 regulations requiring documentation to establish that an applicant is  
35 eligible to use a mechanical device pursuant to this subdivision.

36 17. Notwithstanding any inconsistent provision of this section, the  
37 department may issue to a physically disabled person a permit to take  
38 big game or small game by the use of a cross-bow equipped with an appa-

40 discharge of breath. For the purposes of this subdivision, "physically  
41 disabled person" shall mean any person who submits to the department a  
42 statement of a physician duly licensed to practice medicine in this  
43 state, or of a duly certified nurse practitioner, that such person is  
44 permanently physically incapable of arm movement sufficient to release a  
45 pre-drawn bow authorized under subdivision fifteen of this section.

46 § 3. This act shall take effect on the sixtieth day after it shall
