§ 1180-i. Owner liability for failure of operator to comply with certain posted maximum speed limits. (a) 1. Notwithstanding any other provision of law, the village of Croton-on-Hudson is hereby authorized to establish a demonstration program imposing monetary liability on the owner of a vehicle for failure of an operator thereof to comply with posted maximum speed limits in a school speed zone within such village (i) when a school speed limit is in effect as provided in paragraphs one and two of subdivision (c) of section eleven hundred eighty of this article or (ii) when other speed limits are in effect as provided in subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article during the following times: (A) on school days during school hours and one hour before and one hour after the school day, and (B) a period during student activities at the school and up to thirty minutes immediately before and up to thirty minutes immediately after such student activities. Such demonstration program shall empower the village of Croton-on-Hudson to install photo speed violation monitoring systems within no more than three school speed zones within such village at any one time and to operate such systems within such zones (iii) when a school speed limit is in effect as provided in paragraphs one and two

1 of subdivision (c) of section eleven hundred eighty of this article or
2 (iv) when other speed limits are in effect as provided in subdivision
3 (b), (d), (f) or (g) of section eleven hundred eighty of this article
4 during the following times: (A) on school days during school hours and
5 one hour before and one hour after the school day, and (B) a period
6 during student activities at the school and up to thirty minutes imme-
7 diately before and up to thirty minutes immediately after such student
8 activities. In selecting a school speed zone in which to install and
9 operate a photo speed violation monitoring system, the village shall
10 consider criteria including, but not limited to, the speed data, crash
11 history, and the roadway geometry applicable to such school speed zone.

12 2. No photo speed violation monitoring system shall be used in a
13 school speed zone unless (i) on the day it is to be used it has success-
14 fully passed a self-test of its functions; and (ii) it has undergone an
15 annual calibration check performed pursuant to paragraph four of this
16 subdivision. The village shall install signs giving notice that a photo
17 speed violation monitoring system is in use to be mounted on advance
18 warning signs notifying motor vehicle operators of such upcoming school
19 speed zone and/or on speed limit signs applicable within such school
20 speed zone, in conformance with standards established in the MUTCD.

21 3. Operators of photo speed violation monitoring systems shall have
22 completed training in the procedures for setting up, testing, and oper-
23 ating such systems. Each such operator shall complete and sign a daily
24 set-up log for each such system that such operator operates that (i)
25 states the date and time when, and the location where, the system was
26 set up that day, and (ii) states that such operator successfully
27 performed, and the system passed, the self-tests of such system before
28 producing a recorded image that day. The village shall retain each such
29 daily log until the later of the date on which the photo speed violation
30 monitoring system to which it applies has been permanently removed from
31 use or the final resolution of all cases involving notices of liability
32 issued based on photographs, microphotographs, videotape or other
33 recorded images produced by such system.

34 4. Each photo speed violation monitoring system shall undergo an annu-
35 al calibration check performed by an independent calibration laboratory
36 which shall issue a signed certificate of calibration. The village shall
37 keep each such annual certificate of calibration on file until the final
38 resolution of all cases involving a notice of liability issued during
39 such year which were based on photographs, microphotographs, videotape
40 or other recorded images produced by such photo speed violation monitor-
41 ing system.

42 5. (i) Such demonstration program shall utilize necessary technologies
43 to ensure, to the extent practicable, that photographs, microphoto-
44 graphs, videotape or other recorded images produced by such photo speed
45 violation monitoring systems shall not include images that identify the
46 driver, the passengers, or the contents of the vehicle. Provided,
47 however, that no notice of liability issued pursuant to this section
48 shall be dismissed solely because such a photograph, microphotograph,
49 videotape or other recorded image allows for the identification of the
50 driver, the passengers, or the contents of vehicles where the village
51 shows that it made reasonable efforts to comply with the provisions of
52 this paragraph in such case.

53 (ii) Photographs, microphotographs, videotape or any other recorded
54 image from a photo speed violation monitoring system shall be for the
55 exclusive use of the village for the purpose of the adjudication of
56 liability imposed pursuant to this section and of the owner receiving a

notice of liability pursuant to this section, and shall be destroyed by the village upon the final resolution of the notice of liability to which such photographs, microphotographs, videotape or other recorded images relate, or one year following the date of issuance of such notice of liability, whichever is later. Notwithstanding the provisions of any other law, rule or regulation to the contrary, photographs, microphotographs, videotape or any other recorded image from a photo speed violation monitoring system shall not be open to the public, nor subject to civil or criminal process or discovery, nor used by any court or administrative or adjudicatory body in any action or proceeding therein except that which is necessary for the adjudication of a notice of liability issued pursuant to this section, and no public entity or employee, officer or agent thereof shall disclose such information, except that such photographs, microphotographs, videotape or any other recorded images from such systems:

(A) shall be available for inspection and copying and use by the motor vehicle owner and operator for so long as such photographs, microphotographs, videotape or other recorded images are required to be maintained or are maintained by such public entity, employee, officer or agent; and

(B) (1) shall be furnished when described in a search warrant issued by a court authorized to issue such a search warrant pursuant to article six hundred ninety of the criminal procedure law or a federal court authorized to issue such a search warrant under federal law, where such search warrant states that there is reasonable cause to believe such information constitutes evidence of, or tends to demonstrate that, a misdemeanor or felony offense was committed in this state or another state, or that a particular person participated in the commission of a misdemeanor or felony offense in this state or another state, provided, however, that if such offense was against the laws of another state, the court shall only issue a warrant if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony against the laws of this state; and

(2) shall be furnished in response to a subpoena duces tecum signed by a judge of competent jurisdiction and issued pursuant to article six hundred ten of the criminal procedure law or a judge or magistrate of a federal court authorized to issue such a subpoena duces tecum under federal law, where the judge finds and the subpoena states that there is reasonable cause to believe such information is relevant and material to the prosecution, or the defense, or the investigation by an authorized law enforcement official, of the alleged commission of a misdemeanor or felony in this state or another state, provided, however, that if such offense was against the laws of another state, such judge or magistrate shall only issue such subpoena if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony in this state; and

(3) may, if lawfully obtained pursuant to this clause and clause (A) of this subparagraph and otherwise admissible, be used in such criminal action or proceeding.

(b) If the village of Croton-on-Hudson establishes a demonstration program pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, within a school speed zone in violation of subdivision (c) or during the times authorized pursuant to subdivision (a) of this section in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article, such vehicle was traveling at a

1 speed of more than ten miles per hour above the posted speed limit in
2 effect within such school speed zone, and such violation is evidenced by
3 information obtained from a photo speed violation monitoring system;
4 provided however that no owner of a vehicle shall be liable for a penal-
5 ty imposed pursuant to this section where the operator of such vehicle
6 has been convicted of the underlying violation of subdivision (b), (c),
7 (d), (f) or (g) of section eleven hundred eighty of this article.

8 (c) For purposes of this section, the following terms shall have the
9 following meanings:

10 1. "manual on uniform traffic control devices" or "MUTCD" shall mean
11 the manual and specifications for a uniform system of traffic control
12 devices maintained by the commissioner of transportation pursuant to
13 section sixteen hundred eighty of this chapter;

14 2. "owner" shall have the meaning provided in article two-B of this
15 chapter;

16 3. "photo speed violation monitoring system" shall mean a vehicle
17 sensor installed to work in conjunction with a speed measuring device
18 which automatically produces two or more photographs, two or more micro-
19 photographs, a videotape or other recorded images of each vehicle at the
20 time it is used or operated in a school speed zone in violation of
21 subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty
22 of this article in accordance with the provisions of this section; and

23 4. "school speed zone" shall mean a distance not to exceed one thou-
24 sand three hundred twenty feet on a highway passing a school building,
25 entrance or exit of a school abutting on the highway.

26 (d) A certificate, sworn to or affirmed by a technician employed by
27 the village of Croton-on-Hudson, or a facsimile thereof, based upon
28 inspection of photographs, microphotographs, videotape or other recorded
29 images produced by a photo speed violation monitoring system, shall be
30 prima facie evidence of the facts contained therein. Any photographs,
31 microphotographs, videotape or other recorded images evidencing such a
32 violation shall include at least two date and time stamped images of the
33 rear of the motor vehicle that include the same stationary object near
34 the motor vehicle and shall be available for inspection reasonably in
35 advance of and at any proceeding to adjudicate the liability for such
36 violation pursuant to this section.

37 (e) An owner liable for a violation of subdivision (b), (c), (d), (f)
38 or (g) of section eleven hundred eighty of this article pursuant to a
39 demonstration program established pursuant to this section shall be
40 liable for monetary penalties in accordance with a schedule of fines and
41 penalties to be set forth in such local law or ordinance. The liability
42 of the owner pursuant to this section shall not exceed fifty dollars for
43 each violation; provided, however, that such local law or ordinance may
44 provide for an additional penalty not in excess of twenty-five dollars
45 for each violation for the failure to respond to a notice of liability
46 within the prescribed time period.

47 (f) An imposition of liability under the demonstration program estab-
48 lished pursuant to this section shall not be deemed a conviction as an
49 operator and shall not be made part of the operating record of the
50 person upon whom such liability is imposed nor shall it be used for
51 insurance purposes in the provision of motor vehicle insurance coverage.

52 (g) 1. A notice of liability shall be sent by first class mail to each
53 person alleged to be liable as an owner for a violation of subdivision
54 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-
55 cle pursuant to this section, within fourteen business days if such
56 owner is a resident of this state and within forty-five business days if

1 such owner is a non-resident. Personal delivery on the owner shall not
2 be required. A manual or automatic record of mailing prepared in the
3 ordinary course of business shall be prima facie evidence of the facts
4 contained therein.

5 2. A notice of liability shall contain the name and address of the
6 person alleged to be liable as an owner for a violation of subdivision
7 (b), (c), (d), (f) or (g) of section eleven hundred eighty of this arti-

9 involved in such violation, the location where such violation took
10 place, the date and time of such violation, the identification number of
11 the camera which recorded the violation or other document locator
12 number, at least two date and time stamped images of the rear of the
13 motor vehicle that include the same stationary object near the motor
14 vehicle, and the certificate charging the liability.

15 3. The notice of liability shall contain information advising the
16 person charged of the manner and the time in which such person may
17 contest the liability alleged in the notice. Such notice of liability
18 shall also contain a prominent warning to advise the person charged that
19 failure to contest in the manner and time provided shall be deemed an
20 admission of liability and that a default judgment may be entered there-
21 on.

22 4. The notice of liability shall be prepared and mailed by the village
23 of Croton-on-Hudson, or by any other entity authorized by the village to
24 prepare and mail such notice of liability.

25 (h) Adjudication of the liability imposed upon owners of this section
26 shall be by a traffic violations bureau established pursuant to section
27 three hundred seventy of the general municipal law or, if there be none,
28 by the court having jurisdiction over traffic infractions.

29 (i) If an owner receives a notice of liability pursuant to this
30 section for any time period during which the vehicle or the number plate
31 or plates of such vehicle was reported to the police department as
32 having been stolen, it shall be a valid defense to an allegation of
33 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
34 section eleven hundred eighty of this article pursuant to this section
35 that the vehicle or the number plate or plates of such vehicle had been
36 reported to the police as stolen prior to the time the violation
37 occurred and had not been recovered by such time. For purposes of
38 asserting the defense provided by this subdivision, it shall be suffi-
39 cient that a certified copy of the police report on the stolen vehicle
40 or number plate or plates of such vehicle be sent by first class mail to
41 the traffic violations bureau or court having jurisdiction.

42 (j) An owner who is a lessor of a vehicle to which a notice of liabil-
43 ity was issued pursuant to subdivision (g) of this section shall not be
44 liable for the violation of subdivision (b), (c), (d), (f) or (g) of
45 section eleven hundred eighty of this article pursuant to this section,
46 provided that such owner sends to the traffic violations bureau or court
47 having jurisdiction a copy of the rental, lease or other such contract
48 document covering such vehicle on the date of the violation, with the
49 name and address of the lessee clearly legible, within thirty-seven days
50 after receiving notice from the bureau or court of the date and time of
51 such violation, together with the other information contained in the
52 original notice of liability. Failure to send such information within
53 such thirty-seven day time period shall render the owner liable for the
54 penalty prescribed by this section. Where the lessor complies with the
55 provisions of this subdivision, the lessee of such vehicle on the date
56 of such violation shall be deemed to be the owner of such vehicle for

1 purposes of this section, shall be subject to liability for the
2 violation of subdivision (b), (c), (d), (f) or (g) of section eleven
3 hundred eighty of this article pursuant to this section and shall be
4 sent a notice of liability pursuant to subdivision (g) of this section.

5 (k) 1. If the owner liable for a violation of subdivision (c) or (d)
6 of section eleven hundred eighty of this article pursuant to this
7 section was not the operator of the vehicle at the time of the
8 violation, the owner may maintain an action for indemnification against
9 the operator.

10 2. Notwithstanding any other provision of this section, no owner of a
11 vehicle shall be subject to a monetary fine imposed pursuant to this
12 section if the operator of such vehicle was operating such vehicle with-
13 out the consent of the owner at the time such operator operated such
14 vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section
15 eleven hundred eighty of this article. For purposes of this subdivision
16 there shall be a presumption that the operator of such vehicle was oper-
17 ating such vehicle with the consent of the owner at the time such opera-
18 tor operated such vehicle in violation of subdivision (b), (c), (d), (f)
19 or (g) of section eleven hundred eighty of this article.

20 (l) Nothing in this section shall be construed to limit the liability
21 of an operator of a vehicle for any violation of subdivision (c) or (d)
22 of section eleven hundred eighty of this article.

23 (m) If the village adopts a demonstration program pursuant to subdivi-
24 sion (a) of this section it shall conduct a study and submit an annual
25 report on the results of the use of photo devices to the governor, the
26 temporary president of the senate and the speaker of the assembly on or
27 before the first day of June next succeeding the effective date of this
28 section and on the same date in each succeeding year in which the demon-
29 stration program is operable. Such report shall include:

31 systems were used;

34 within the village, to the extent the information is maintained by the
35 department of motor vehicles of this state;

37 injuries and property damage reported within school speed zones where
38 photo speed violation monitoring systems were used, to the extent the
39 information is maintained by the department of motor vehicles of this
40 state;

42 within the village, in the aggregate on a daily, weekly and monthly
43 basis;

45 where a photo speed violation monitoring system is used, in the aggre-
46 gate on a daily, weekly and monthly basis;

47 6. the number of violations recorded within all school speed zones
48 within the village that were:

49 (i) more than ten but not more than twenty miles per hour over the
50 posted speed limit;

52 posted speed limit;

6 posted speed limit;

22 (n) It shall be a defense to any prosecution for a violation of subdi-
23 vision (b), (c), (d), (f) or (g) of section eleven hundred eighty of
24 this article pursuant to this section that such photo speed violation
25 monitoring system was malfunctioning at the time of the alleged
26 violation.

27 § 2. Subdivision 2 of section 87 of the public officers law is amended
28 by adding a new paragraph (x) to read as follows:
