## IN SENATE

Introduced by Sen. BRISPORT -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT to amend the private housing finance law, in relation to establishing a former foster youth priority program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and intent. 1. The legislature finds  
2 that individuals who age out of foster care face significantly higher  
3 risks of housing instability, homelessness, and related adverse  
4 outcomes. Nationally, about one in four former foster youth become  
5 homeless within four years of leaving foster care.  
6 2. In New York city, as of December 31, 2024, 6,503 youth lived in  
7 twenty-four-hour foster care.  
8 3. The legislature acknowledges that stable, affordable housing is a  
9 critical foundation for successful transitions to adulthood, reducing  
10 reliance on emergency systems and improving educational, economic, and  
11 health outcomes.  
12 4. Accordingly, it is the intent of the legislature to direct the  
13 relevant housing agencies to adopt a Former Foster Youth Priority  
14 program for lottery selection in assisted housing programs, so that  
15 former foster youth have expanded access to quality affordable housing.  
16 § 2. The private housing finance law is amended by adding a new arti-  
17 cle 33 to read as follows:
