AN ACT to amend the not-for-profit corporation law, in relation to exempting the East Concord Fire Department, Inc. from the requirement that the percentage of non-resident fire department members not exceed forty-five percent of the membership

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subparagraph 3 of paragraph (c) of section 1402 of the not-for-profit corporation law, as amended by chapter 369 of the laws of 2025, is amended to read as follows:

(3) In towns outside of villages and fire districts, the consent of a majority of the members of the town board to the formation of a fire corporation shall constitute an appointment of the persons named in the certificate of incorporation as town firefighters. Thereafter, other eligible persons may be elected as members pursuant to the by-laws of the fire corporation, but the election of a member must be approved by the town board of each town which consented to the formation of the fire corporation. Such a person shall be a resident of the territory specified in the certificate of incorporation or of territory outside such boundaries which is afforded fire protection by the fire corporation pursuant to a contract for fire protection under which a cash consideration is received by the corporation or for which negotiations for renewal of such a contract are pending. The membership of any volunteer member shall terminate when such member ceases to be a resident of such inside or outside territory, except that the corporation may authorize their continued membership where such member notifies the secretary of the fire corporation (a) that they plan to change their residence to a territory which is not in such inside or outside territory, and (b) that by reason of such member's residence in the vicinity or such member's usual occupation they will be available to render active service as a volunteer firefighter in either such inside or such outside territory. Voting for such authorization shall be pursuant to the by-laws. Such

Such election shall not become effective unless approved by resolution of the town board of each town which consented to the formation of the corporation. Such membership shall terminate when the member can no longer meet the requirements of this subparagraph. The election or continuance of any person as a member shall be deemed to have been approved by the town board pursuant to this subparagraph in the event that no action is taken by the town board, either approving or disapproving, within forty days in the case of residents of the territory specified in the certificate of incorporation or of outside contract territory, and within seventy days in the case of all others, after service of written notice of such election or continuance of membership shall have been made by the secretary of the corporation upon the town clerk, either personally or by mail.
