The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as the "ICE contract transparency act".

§ 2. The executive law is amended by adding a new section 94-c to read as follows:

§ 94-c. Database for contracts with federal immigration enforcement. 1. For the purposes of this section, the term "entity" shall mean any person, business, or other legal entity that operates or conducts business in the state of New York.

2. Any entity that enters into a contract or other agreement with United States immigration and customs enforcement beginning on or after January first, two thousand twenty-five, for purposes including but not limited to, the leasing or operation of immigration detention facilities, office facilities, parking facilities or other related services, shall file a copy of such contract or other agreement with the department of state within thirty days of executing such contract or other agreement. Any such contract or other agreement entered into on or after January first, two thousand twenty-five and prior to the effective date of this section shall be filed with the department of state within thirty days of such effective date.

3. The department of state shall maintain and publish a publicly accessible database of contracts or other agreements filed with the department of state pursuant to subdivision two of this section. The department of state shall promptly post on the database all such filed contracts or other agreements. Such database shall include but not be limited to:

4. The department of state may impose a civil penalty of up to five thousand dollars upon any entity who fails to file a contract or other agreement required by this section. In addition to such civil penalty, the department of state is authorized to determine that any entity in violation of this section is a non-responsible entity and to place such entity on the debarred and non-responsible entities list maintained pursuant to state law, thereby disqualifying such entity from receiving any state contract or award. § 3. This act shall take effect on the ninetieth day after it shall have become a law.
