The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that accurate  
2 and reliable commercial driver's license records are essential to public  
3 safety, regulatory compliance, and the integrity of the state's licens-  
4 ing system. Annual auditing of commercial driver's license records helps  
5 ensure that only qualified drivers are authorized to operate commercial  
6 motor vehicles and that records are complete, current, and free from  
7 fraud or administrative error.

8 § 2. The vehicle and traffic law is amended by adding a new section

12 audits of all commercial driver's license records maintained by the  
13 department. The commissioner shall commence the first of such annual  
14 audits no later than one hundred eighty days after the effective date of  
15 this section.

16 2. Scope of audit. Such audits shall include, but not be limited to:

20 of fraud;

21 (c) review of compliance with applicable federal regulations governing  
22 commercial driver's licensing; and

23 (d) confirmation that all required medical certifications, endorse-  
24 ments, and disqualifications are properly recorded and current.

25 3. Action on discrepancy. Where the department determines that  
26 required underlying documentation has expired or is no longer valid for  
27 a CDL licensee:

3 deficiency;

4 (b) such licensee shall be provided a reasonable period, not less than

8 commissioner shall revoke, suspend, or downgrade such licensee's license  
9 in accordance with sections five hundred ten-a and five hundred ten-aa

11 4. Due process. Any suspension or revocation under this section shall  
12 be subject to notice and an opportunity to contest the department's  
13 findings in accordance with section five hundred ten of this title.

14 5. Data sharing and compliance. The department may enter into agree-  
15 ments with appropriate federal and state agencies to verify documenta-
