FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow any Tier 6 member who is a uniformed court offi-  
cer or peace officer employed by the unified court system to retire  
without an early age reduction upon attaining age 55 with 30 years of  
creditable service. It would also reduce the normal retirement age from

63 to 62 and lessen the reductions in benefits for those who retire prior to normal retirement age.

We estimate that the state of New York's annual contributions will increase \$5.5 million beginning FYE 2027, with near-term costs increasing 1.7% of salary for the affected participants, from 13.9% to 15.6%. Subsequent costs will vary annually but are expected to average 1.4% of salary, long-term.

In addition, there will be an immediate past service cost of \$41.7 million borne by the state of New York as a one-time payment. This cost assumes that payment will be made on March 1, 2027.

These estimated costs are based on 3,515 affected members employed by the state of New York, with annual salary of approximately \$265 million as of March 31, 2025.
