 5 respectively, shall apply to all open and closed claims coming within
 6 the purview of the workers' compensation board.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would extend the deadline to submit a World Trade Center (WTC) Notice from September 11, 2026 to September 11, 2030.

The provisions of section 25 of the RSSL shall not apply.

Insofar as this bill affects the New York State and Local Retirement System (NYSLRS), more retirement benefits would be reclassified as accidental disability benefits. The cost of the revised benefit will depend upon the applicant's age, service, salary, plan, and any benefit otherwise payable, but is expected to average:

Benefit prior to enactment:	None	Ordinary Disab.	Perf. of Duty	Service Retirement
NYSLRS cost of proposal:	10.5 times salary	5.5 times salary	3 times salary	2.5 times salary

This bill would also increase the number of accidental death benefits granted. The additional cost for each death is expected to average 4.5 times final average salary in NYSLRS and 14 times in NYSLPFRS.

Further, we anticipate some administrative costs to implement the provisions of this legislation.

The number of current and future members and retirees who could be affected by this legislation cannot be readily determined.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

Bill Description:

This fiscal note is prepared for legislative bill draft #15895-02-6. This bill would amend subdivision 36 of Section 2 of the Retirement and Social Security Law to extend the deadline for filing notice of participation in the World Trade Center rescue, recover or cleanup operations during the qualifying period to September 11, 2030. Members who become disabled or deceased because of a qualifying World Trade Center condition are presumed to have been because of an accidental or on-the-job disability or death. The current deadline for filing is September 11, 2026.

Cost:

The annual cost to the participating employers of the New York State Teachers' Retirement System is estimated to be negligible if this bill is enacted because it is anticipated there would be few members eligible for an accidental disability or death benefit.

Data:

Member data as of June 30, 2025, prepared for the most recent actuarial valuation was used in determining this cost. The most recent data distributions and statistics can be found in the System's Annual Report for the fiscal year ended June 30, 2025. System assets are as reported in the System's financial statements which can be found in the System's Annual Report. This data will also be provided in the System's Actuarial Valuation Report as of June 30, 2025.

Methods and Assumptions:

A summary of actuarial assumptions and methods will be provided in the System's Actuarial Valuation Report as of June 30, 2025. Further details can be found in the most recent Recommended Actuarial Assumptions 2025 Report.

Fiscal Note Identification:

This Fiscal Note, 2026-61, dated May 26, 2026, was prepared by the Office of the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2026 Legislative Session.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY: This proposed legislation, as it relates to the New York City Retirement Systems and Pension Funds (NYCRS) would extend the deadline for filing a Notice of Participation under the World Trade Center (WTC) Disability Law for certain members who participated in the Rescue, Recovery, or Cleanup operations related to the WTC attack on September 11, 2001.

EXPECTED INCREASE (DECREASE) IN EMPLOYER CONTRIBUTIONS: The increase in employer contributions resulting from the proposed legislation would depend on the number of additional members who timely file the required form, meet the requirements of the WTC Disability Law, and ultimately benefit from such Law.

Most members eligible for the benefits provided under the WTC Disability Law have already filed the required form to register for participation. Therefore, for the purpose of this Fiscal Note it has been assumed that only a minimal number of NYCRS members would benefit from the proposed legislation and that the increase in employer contributions would likely be de minimis.

IMPACT ON FILING DEADLINE: Currently, the deadline to file a Notice of Participation for NYCRS members is September 11, 2026.

Under the proposed legislation, the deadline to file a Notice of Participation under the WTC Disability Law would be September 11, 2030.

ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the Revised 2021 Actuarial Assumptions and Methods of the impacted retirement systems.

Potential savings related to additional Workers' Compensation offsets under the proposed legislation were not considered for purposes of this Fiscal Note.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the actuarial assumptions, methods, and models used, demographics of the impacted population, and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Quantifying these risks is beyond the scope of this Fiscal Note.

This Fiscal Note is intended to measure pension-related impacts and does not include other potential costs (e.g., administrative and Other Postemployment Benefits). This Fiscal Note does not reflect any chapter laws that may have been enacted during the current legislative session.

STATEMENT OF ACTUARIAL OPINION: Marek Tyszkiewicz and Gregory Zelikovsky are members of the Society of Actuaries and the American Academy of Actuaries. We are members of NYCERS, but do not believe it impairs our objectivity, and we meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of our knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2026-94 dated May 29, 2026 was prepared by the Chief Actuary for the New York City Retirement Systems and Pension Funds and is intended for use only during the 2026 Legislative Session.
