

STATE OF NEW YORK

1703

2025-2026 Regular Sessions

IN SENATE

January 13, 2025

Introduced by Sens. WEBB, ADDABBO, COMRIE, HINCHEY, SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law and the public health law, in relation to authorizing pharmacists to administer injections for contraceptive use

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Subdivision 11 of section 6527 of the education law, as
2 added by chapter 128 of the laws of 2023, is amended to read as follows:
3 11. A licensed physician may prescribe and order a non-patient specific
4 order to a pharmacist licensed and located in the state, pursuant to
5 regulations promulgated by the commissioner, and consistent with section
6 sixty-eight hundred one of this title, for dispensing self-administered
7 hormonal contraceptives or administering a United States Food and Drug
8 Administration approved reversible progestin-only contraceptive
9 injection as defined in section sixty-eight hundred two of this title.
- 10 § 2. Subdivision 9 of section 6801 of the education law, as added by
11 chapter 128 of the laws of 2023, is amended to read as follows:
12 9. a. A licensed pharmacist may execute a non-patient specific order
13 for the dispensing of self-administered hormonal contraceptives or
14 administer a United States Food and Drug Administration reversible
15 progestin-only contraceptive injection prescribed or ordered by the
16 commissioner of health, a physician licensed in this state or a nurse
17 practitioner certified in this state pursuant to rules and regulations
18 promulgated by the commissioner.
- 19 b. Prior to dispensing self-administered hormonal contraceptives or
20 administering a United States Food and Drug Administration reversible
21 progestin-only contraceptive injection to a patient, and at a minimum of
22 every twelve months for each returning patient, the pharmacist shall:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD03405-01-5

1 (i) provide the patient with a self-screening risk assessment ques-
2 tionnaire, developed by the commissioner of health in consultation with
3 the commissioner, to be reviewed by the pharmacist to identify any known
4 risk factors and assist the patient's selection of an appropriate self-
5 administered hormonal contraceptive or United States Food and Drug
6 Administration reversible progestin-only contraceptive injection; and

7 (ii) provide the patient with a fact sheet, developed by the commis-
8 sioner of health, that includes but is not limited to, the clinical
9 considerations and recommendations for use of the self-administered
10 hormonal contraceptive or administration of a United States Food and
11 Drug Administration reversible progestin-only contraceptive injection,
12 the appropriate method for using such hormonal contraceptive, informa-
13 tion on the importance of follow-up health care, health care referral
14 information, and the ability of the patient to opt out of practitioner
15 reporting requirements.

16 c. No pharmacist shall dispense self-administered hormonal contracep-
17 tives or administer a United States Food and Drug Administration
18 reversible progestin-only contraceptive injection under this subdivision
19 without receiving training satisfactory to the commissioner.

20 d. A pharmacist shall notify the patient's primary health care practi-
21 tioner, unless the patient opts out of such notification, within seven-
22 ty-two hours of dispensing a self-administered hormonal contraceptive or
23 administration of a United States Food and Drug Administration revers-
24 ible progestin-only contraceptive injection, that such self-administered
25 hormonal contraceptive or United States Food and Drug Administration
26 reversible progestin-only contraceptive injection has been dispensed or
27 administered. If the patient does not have a primary health care prac-
28 titioner, or is unable to provide contact information for their primary
29 health care practitioner, the pharmacist shall provide the patient with
30 a written record of the contraceptives dispensed, and advise the patient
31 to consult an appropriate health care practitioner.

32 e. Nothing in this subdivision shall prevent a pharmacist from refus-
33 ing to dispense a non-patient specific order of self-administered
34 hormonal contraceptive or administration of a United States Food and
35 Drug Administration reversible progestin-only contraceptive injection
36 pursuant to this subdivision if, in their professional judgment, poten-
37 tial adverse effects, interactions or other therapeutic complications
38 could endanger the health of the patient.

39 § 3. Section 6802 of the education law is amended by adding a new
40 subdivision 31 to read as follows:

41 31. "United States Food and Drug Administration reversible proges-
42 tin-only contraceptive injection" for the purposes of section sixty-
43 eight hundred one of this article, means a pharmacist administered
44 reversible progestin-only contraceptive injection approved by the United
45 States Food and Drug Administration to prevent pregnancy by using
46 hormones to regulate or prevent ovulation.

47 § 4. Subdivision 11 of section 6909 of the education law, as added by
48 chapter 128 of the laws of 2023, is amended to read as follows:

49 11. A certified nurse practitioner may prescribe and order a non-pa-
50 tient specific order to a pharmacist licensed and located in the state,
51 pursuant to regulations promulgated by the commissioner, and consistent
52 with section sixty-eight hundred one of this title, for dispensing self-
53 administered hormonal contraceptives or administration of a United
54 States Food and Drug Administration approved reversible progestin-only
55 contraceptive injection as defined in section sixty-eight hundred two of
56 this title.

1 § 5. The public health law is amended by adding a new section 267-c to
2 read as follows:

3 § 267-c. Pharmacist administered reversible progestin-only contracep-
4 tive injections. The commissioner is authorized to establish a non-pa-
5 tient specific order, consistent with section sixty-eight hundred one of
6 the education law, for dispensing and for the administration of United
7 States Food and Drug Administration reversible progestin-only contra-
8 ceptive injection as defined in section sixty-eight hundred two of such
9 chapter.

10 § 6. This act shall take effect one year after it shall have become a
11 law. Effective immediately, the addition, amendment and/or repeal of any
12 rule or regulation necessary for the implementation of this act on its
13 effective date are authorized to be made and completed on or before such
14 effective date.
