AN ACT to amend the vehicle and traffic law, in relation to owner liability for failure of an operator to comply with street cleaning parking rules; to amend the public officers law, in relation to access to records prepared pursuant to street cleaning parking rules; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 1111-i to read as follows:

3 § 1111-i. Owner liability for failure of an operator to comply with
4 street cleaning parking rules. (a) 1. Notwithstanding any other
5 provision of law, the city of New York is hereby authorized to establish
6 a demonstration program imposing monetary liability on the owner of a
7 vehicle for failure of an operator thereof to comply with posted street
8 cleaning parking rules in such city in accordance with the provisions of
9 this section. Such demonstration program shall empower the New York
10 city department of sanitation to install street cleaning vehicle photo
11 devices on street cleaning vehicles along street cleaning routes at
12 locations determined by such department in such city and to administer
13 such program in consultation with the New York city department of trans-

15 2. Any photographs, microphotographs, videotape or other recorded
16 images captured by street cleaning vehicle photo devices shall be inad-

1 device shall not be used for any other purpose in the absence of a court
2 order requiring such images to be produced.

3 3. No street cleaning vehicle photo device shall be used unless on the
4 day it is to be used it has successfully passed a self-test of its func-
5 tions.

6 4. (i) Such demonstration program shall utilize necessary technologies
7 to ensure, to the extent practicable, that photographs, microphoto-
8 graphs, videotape or other recorded images produced by such street
9 cleaning vehicle photo device shall not include images that identify the
10 driver, the passengers, or the contents of the vehicle. Provided,
11 however, that no notice of liability issued pursuant to this section
12 shall be dismissed solely because such a photograph, microphotograph,
13 videotape or other recorded image allows for the identification of the
14 driver, the passengers, or the contents of vehicles where the city shows
15 that it made reasonable efforts to comply with the provisions of this
16 paragraph in such case.

17 (ii) Photographs, microphotographs, videotape or any other recorded
18 image from a street cleaning vehicle photo device shall be for the
19 exclusive use of the city for the purpose of the adjudication of liabil-
20 ity imposed pursuant to this section and of the owner receiving a notice
21 of liability pursuant to this section, and shall be destroyed by the
22 city upon the final resolution of the notice of liability to which such
23 photographs, microphotographs, videotape or other recorded images
24 relate, or one year following the date of issuance of such notice of
25 liability, whichever is later. Notwithstanding the provisions of any
26 other law, rule or regulation to the contrary, photographs, microphoto-
27 graphs, videotape or any other recorded image from a street
28 cleaning vehicle photo device shall not be open to the public, nor
29 subject to civil or criminal process or discovery, nor used by any
30 court or administrative or adjudicatory body in any action or proceed-
31 ing therein except that which is necessary for the adjudication of a
32 notice of liability issued pursuant to this section, and no
33 public entity or employee, officer or agent thereof shall disclose
34 such information, except that such photographs, microphotographs,
35 videotape or any other recorded images from such devices:

36 (A) shall be available for inspection and copying and use by the motor
37 vehicle owner and operator for so long as such photographs, microphoto-
38 graphs, videotape or other recorded images are required to be maintained
39 or are maintained by such public entity, employee, officer or agent; and

40 (B) (1) shall be furnished when described in a search warrant issued
41 by a court authorized to issue such a search warrant pursuant to article
42 six hundred ninety of the criminal procedure law or a federal court
43 authorized to issue such a search warrant under federal law, where such
44 search warrant states that there is reasonable cause to believe such
45 information constitutes evidence of, or tends to demonstrate that, a
46 misdemeanor or felony offense was committed in this state or another
47 state, or that a particular person participated in the commission of a
48 misdemeanor or felony offense in this state or another state, provided,
49 however, that if such offense was against the laws of another state, the
50 court shall only issue a warrant if the conduct comprising such offense
51 would, if occurring in this state, constitute a misdemeanor or felony
52 against the laws of this state; and

53 (2) shall be furnished in response to a subpoena duces tecum signed by
54 a judge of competent jurisdiction and issued pursuant to article six
55 hundred ten of the criminal procedure law or a judge or magistrate of a
56 federal court authorized to issue such a subpoena duces tecum under

1 federal law, where the judge finds and the subpoena states that there is
2 reasonable cause to believe such information is relevant and material to
3 the prosecution, or the defense, or the investigation by an authorized
4 law enforcement official, of the alleged commission of a misdemeanor or
5 felony in this state or another state, provided, however, that if such
6 offense was against the laws of another state, such judge or magistrate
7 shall only issue such subpoena if the conduct comprising such offense
8 would, if occurring in this state, constitute a misdemeanor or felony in
9 this state; and

10 (3) may, if lawfully obtained pursuant to this clause and clause (A)
11 of this subparagraph and otherwise admissible, be used in such criminal
12 action or proceeding.

13 5. Every street cleaning vehicle upon which a street cleaning vehicle
14 photo device is installed and operated pursuant to a demonstration
15 program authorized pursuant to this section shall be equipped with
16 signs, placards or other displays giving notice to approaching motor
17 vehicle operators that street cleaning vehicle photo devices are used to
18 enforce street cleaning parking rules.

19 6. Warning notices of violation shall be issued during the first sixty
20 days that street cleaning vehicle photo devices pursuant to a demon-
21 stration program authorized by this section are active and in operation.

22 7. The city of New York shall adopt and enforce measures:

23 (i) to upgrade signage at regular intervals within street cleaning
24 routes stating that street cleaning vehicle photo devices are used to
25 enforce street cleaning parking rules along such routes; and

26 (ii) to prohibit the use or dissemination of vehicles' license plate
27 information and other information and images captured by street cleaning
28 vehicle photo devices except: (A) as required to establish liability
29 under this section or collect payment of penalties; (B) as required by
30 court order; or (C) as otherwise required by law.

31 (b) If the city of New York has established a program pursuant to
32 subdivision (a) of this section, the owner of a vehicle shall be liable
33 for a penalty imposed pursuant to this section if such vehicle was
34 parked in violation of any street cleaning parking rule of such city and
35 such violation is evidenced by information obtained from a street clean-
36 ing vehicle photo device.

37 (c) For purposes of this section, the following terms shall have the
38 following meanings:

39 1. "Manual on uniform traffic control devices" or "MUTCD" shall mean
40 the manual and specifications for a uniform system of traffic control
41 devices maintained by the commissioner of transportation pursuant to
42 section sixteen hundred eighty of this chapter.

43 2. "Owner" shall have the meaning provided in article two-B of this
44 chapter.

45 3. "Street cleaning routes" shall mean street cleaning routes desig-
46 nated by the New York city department of sanitation that include
47 upgraded signage stating that street cleaning vehicle photo devices are
48 used to enforce street cleaning parking rules.

49 4. "Street cleaning parking rules" shall mean the prohibited parking
50 of any vehicle on one side of the street to allow for cleaning by the
51 New York city department of sanitation during designated time periods as
52 posted by sign pursuant to the rules of the New York city department of
53 transportation.

54 5. "Street cleaning vehicle" shall mean any vehicle operated by the
55 New York city department of sanitation that is designed to wash dirt and
56 grime, and remove litter and debris, from the street surface.

1 6. "Street cleaning vehicle photo device" shall mean a device that is
2 mounted on a street cleaning vehicle, is capable of operating independ-
3 ently of an enforcement officer and produces one or more images of each
4 vehicle at the time it is in violation of street cleaning parking rules.

5 (d) A certificate, sworn to or affirmed by a technician employed by
6 the city of New York in which the charged violation occurred, or a
7 facsimile thereof, based upon inspection of photographs, microphoto-
8 graphs, videotape or other recorded images produced by a street cleaning
9 vehicle photo device, shall be prima facie evidence of the facts
10 contained therein. Any photographs, microphotographs, videotape or other
11 recorded images evidencing such a violation shall be available for
12 inspection in any proceeding to adjudicate the liability for such
13 violation pursuant to this section.

14 (e) An owner liable for a violation of a street cleaning parking rule
15 imposed on any route shall be liable for monetary penalties in accord-
16 ance with a schedule of fines and penalties promulgated by the parking
17 violations bureau of the city of New York; provided, however, that the
18 monetary penalty for violating a street cleaning parking rule shall not
19 exceed fifty dollars for each violation; provided, further, that an
20 owner shall be liable for an additional penalty not to exceed twenty-
21 five dollars for each violation for the failure to respond to a notice
22 of liability within the prescribed time period.

23 (f) An imposition of liability under the demonstration program estab-
24 lished pursuant to this section shall not be deemed a conviction as an
25 operator and shall not be made part of the operating record of the
26 person upon whom such liability is imposed nor shall it be used for
27 insurance purposes in the provision of motor vehicle insurance coverage.

28 (g) 1. A notice of liability shall be sent by first class mail to each
29 person alleged to be liable as an owner for a violation of a street
30 cleaning parking rule. Personal delivery on the owner shall not be
31 required. A manual or automatic record of mailing prepared in the ordi-
32 nary course of business shall be prima facie evidence of the facts
33 contained therein.

34 2. A notice of liability shall contain the name and address of the
35 person alleged to be liable as an owner for violation of a street clean-
36 ing parking rule, the registration number of the vehicle involved in
37 such violation, the location where such violation took place including
38 the street or cross streets, one or more images identifying the
39 violation, the date and time of such violation and the identification
40 number of the street cleaning vehicle photo device that recorded the
41 violation or other document locator number.

42 3. The notice of liability shall contain information advising the
43 person charged of the manner and the time in which such person may
44 contest the liability alleged in the notice. Such notice of liability
45 shall also contain a warning to advise the person charged that failure
46 to contest in the manner and time provided shall be deemed an admission
47 of liability and that a default judgment may be entered thereon.

48 4. The notice of liability shall be prepared and mailed by the agency
49 or agencies designated by the city of New York, or any other entity
50 authorized by such city to prepare and mail such notification of
51 violation.

52 5. Adjudication of the liability imposed upon owners by this section
53 shall be by the New York city parking violations bureau.

54 (h) If an owner of a vehicle receives a notice of liability pursuant
55 to this section for any time period during which the vehicle was
56 reported to the police department as having been stolen, it shall be a

1 valid defense to an allegation of liability for violation of a street
2 cleaning parking rule of such city, that the vehicle had been reported
3 to the police as stolen prior to the time the violation occurred and had
4 not been recovered by such time. For purposes of asserting the defense
5 provided by this subdivision it shall be sufficient that a certified
6 copy of the police report on the stolen vehicle be sent by first class
7 mail to the parking violations bureau.

8 (i) 1. An owner who is a lessor of a vehicle to which a notice of
9 liability was issued pursuant to subdivision (g) of this section shall
10 not be liable for the violation of the street cleaning parking rule,
11 provided that:

12 (i) prior to the violation, the lessor has filed with such parking
13 violations bureau in accordance with the provisions of section two
14 hundred thirty-nine of this chapter; and

15 (ii) within thirty-seven days after receiving notice from such bureau
16 of the date and time of such liability, together with the other informa-
17 tion contained in the original notice of liability, the lessor submits
18 to such bureau the correct name and address of the lessee of the vehicle
19 identified in the notice of liability at the time of such violation,
20 together with such other additional information contained in the rental,
21 lease or other contract document, as may be reasonably required by such
22 bureau pursuant to regulations that may be promulgated for such purpose.

23 2. Failure to comply with subparagraph (ii) of paragraph one of this
24 subdivision shall render the lessor liable for the penalty prescribed in
25 this section.

26 3. Where the lessor complies with the provisions of paragraph one of
27 this subdivision, the lessee of such vehicle on the date of such
28 violation shall be deemed to be the owner of such vehicle for purposes
29 of this section, shall be subject to liability for such violation pursu-
30 ant to this section, and shall be sent a notice of liability pursuant to
31 subdivision (g) of this section.

32 (j) 1. If the owner liable for a violation of a street cleaning park-
33 ing rule pursuant to this section was not the operator of the vehicle
34 at the time of such violation, the owner may maintain an action for
35 indemnification against the operator.

36 2. Notwithstanding any other provision of this section, no owner of a
37 vehicle shall be subject to a monetary fine imposed pursuant to this
38 section if the operator of such vehicle was operating such vehicle with-
39 out the consent of the owner at the time such operator failed to obey a
40 street cleaning parking rule. For purposes of this subdivision there
41 shall be a presumption that the operator of such vehicle was operating
42 such vehicle with the consent of the owner at the time such operator
43 failed to obey a street cleaning parking rule.

44 (k) Nothing in this section shall be construed to limit the liability
45 of an operator of a vehicle for any violation of a street cleaning park-
46 ing rule.

47 (l) If the city of New York adopts a demonstration program pursuant to
48 subdivision (a) of this section, such city's department of sanitation
49 shall submit a report on the results of the use of street cleaning park-
50 ing rule-related photo devices to the governor, the temporary president
51 of the senate, and the speaker of the assembly by April first, two thou-
52 sand twenty-seven and every two years thereafter. The department of
53 sanitation of the city of New York shall also make such reports avail-
54 able on their public-facing websites, provided that they may provide
55 aggregate data from paragraph one of this subdivision if the city finds

1 that publishing specific location data would jeopardize public safety.
2 Such report shall include, but not be limited to:

3 1. a description of the locations and/or vehicles where street clean-
4 ing vehicle photo devices were used;

5 2. the total number of violations recorded on a monthly and annual
6 basis;

7 3. the total number of notices of liability issued;

8 4. the number of fines and total amount of fines paid after the first
9 notice of liability;

10 5. the number of violations adjudicated and results of such adjudi-
11 cations including breakdowns of dispositions made;

12 6. the total amount of revenue realized by such city and department
13 and an itemized list of expenditures made by the city and department
14 with these revenues;

15 7. the quality of the adjudication process and its results;

16 8. the total number of cameras by type of camera used;

17 9. the total cost to such city; and

18 10. a report on the number of miles of street cleaning routes cleaned
19 before and after implementation of the demonstration program.

20 (m) It shall be a defense to any prosecution for a violation of a
21 street cleaning parking rule pursuant to a demonstration program adopted
22 pursuant to this section that such street cleaning vehicle photo devices
23 were malfunctioning at the time of the alleged violation.

24 § 2. Subdivision 1 of section 235 of the vehicle and traffic law, as
25 amended by section 2 of part MM of chapter 56 of the laws of 2023, is
