7 services for victims of human trafficking pursuant to article ten-D of
8 this chapter so long as the staff members have received appropriate
9 training approved by the office of children and family services regard-
10 ing sexually exploited [~~children~~] individuals and the existing programs
11 and facilities provide a safe, secure and appropriate environment for
12 sexually exploited [~~children~~] individuals. Crisis intervention
13 services, short-term safe house care and community-based programming
14 may, where appropriate, be provided by the same not-for-profit agency.
15 Local social services districts may work cooperatively to provide such
16 short-term safe house or other short-term safe placement, services and
17 programming and access to such placement, services and programming may
18 be provided on a regional basis, provided, however, that every local
19 social services district shall to the extent that funds are available
20 ensure that such placement, services and programs shall be readily
21 accessible to sexually exploited [~~children~~] individuals residing within
22 the district.

23 2. All of the services created under this title may, to the extent
24 possible provided by law, be available to all sexually exploited [~~chil-~~
25 ~~dren~~] individuals whether they are accessed voluntarily, as a condition
26 of an adjournment in contemplation of dismissal issued in criminal
27 court, through the diversion services created under section seven
28 hundred thirty-five of the family court act, through a proceeding under
29 article three of the family court act, a proceeding under article ten of
30 the family court act or through a referral from a local social services
31 agency.

32 3. The capacity of the crisis intervention services and community-

34 number of sexually exploited [~~children~~] individuals in each district who
35 are in need of such services. A determination of such need shall be made
36 in two thousand ten and every five years thereafter in every social
37 services district by the local commissioner of social services and be
38 included in the integrated county plan. Such determination shall be made

40 program providers, local probation departments, local social services
41 commissioners, the runaway and homeless youth coordinator for the local
42 social services district, local law guardians, presentment agencies,
43 public defenders and district attorney's offices and child advocates and
44 services providers who work directly with sexually exploited youth.

45 4. In determining the need for and capacity of the services created
46 under this section, each local social services district shall recognize
47 that sexually exploited youth have separate and distinct service needs
48 according to gender and, where a local social services district deter-
49 mines that the need exists, to the extent that funds are available,
50 appropriate programming shall be made available.

51 5. To the extent funds are specifically appropriated therefor, the
52 office of children and family services shall contract with an appropri-

54 exploited [~~children~~] individuals to operate at least one long-term safe
55 house in a geographically appropriate area of the state which shall
56 provide safe and secure long term housing and specialized services for

1 sexually exploited [~~children~~] individuals throughout the state. The
2 appropriateness of the geographic location shall be determined taking
3 into account the areas of the state with high numbers of sexually
4 exploited [~~children~~] individuals and the need for sexually exploited
5 [~~children~~] individuals to find shelter and long term placement in a
6 region that cannot be readily accessed by the perpetrators of sexual
7 exploitation. The need for more than one long-term safe house shall be
8 determined by the office of children and family services based on the
9 numbers and geographical location of sexually exploited [~~children~~] indi-
10 viduals within the state. Nothing herein shall be construed to preclude
11 an agency from applying for and accepting grants, gifts and bequests of
12 funds from private individuals, foundations and the federal government
13 for the purpose of creating or carrying out the duties of a long-term
14 safe house.

15 6. The local social services commissioner may, to the extent that
16 funds are available, in conjunction with the division of criminal
17 justice services and local law enforcement officials, contract with an
18 appropriate not-for-profit agency with experience working with sexually
19 exploited [~~children~~] individuals to train law enforcement officials who
20 are likely to encounter sexually exploited [~~children~~] individuals in the
21 course of their law enforcement duties on the provisions of this section
22 and how to identify and obtain appropriate services for sexually
23 exploited [~~children~~] individuals. Local social services districts may
24 work cooperatively to provide such training and such training may be
25 provided on a regional basis. The division of criminal justice services
26 shall assist local social services districts in obtaining any available
27 funds for the purposes of conducting law enforcement training from the
